

The Verde Valley Fire Chief's Service and the Verde Valley All Hazards Training Committee in conjunction with the Arizona Center for Fire Service Excellence and the National Fire Academy are pleased to offer:

**Residential Sprinkler Plan Review F0142**

The scope of this course looks at the following as the primary guidance for the approval of residential sprinkler systems:

- National Fire Protection Association 13, Standard for the Installation of Sprinkler Systems.
- NFPA 13D, Standard for the Installation of Sprinkler Systems in One- and Two-Family Dwellings and Manufactured Homes.
- NFPA 13R, Standard for the Installation of Sprinkler Systems in Low-Rise Residential Occupancies.
- International Residential Code Standard P2904.
- Manufacturer's Data Sheets.
- The ability to read and interpret the design is an essential element of preventive fire safety.

**DATE(s) and TIMES:**

October 19-20, 2018/ 0800-1700 hrs.

**LOCATION:**

Sedona Fire District  
2860 Southwest Drive  
Arizona, AZ 86336
