

## AzLA Special Libraries Division Report April 2017

**Updates: Discussion mostly via email. There was some interest in getting some library materials for prison libraries. We had a meet and greet in January which was attended by about a half dozen people. They were mostly graduate students interested in exploring special libraries.**

**Action/Discussion Items for board meeting: I won't be able to attend the meeting unfortunately, but I did send out some emails trying to find out if there was a way AZLA could help fulfill the 'wish list' of some prison libraries. They have a difficult time obtaining materials. I would be willing to help with a small donation if someone can send me a letter/receipt for my donation (Freeport will match a donation by their employees.)**
