**Nominee's Vision & Leadership Statement**

The ArMA AMA Delegation unanimously nominates Ms. (soon to be Dr.) Jacquie Hoffman for the position of ArMA AMA Alternate Delegate.

Ms. Hoffman was recommended to the ArMA Nominating Committee as an alternate Delegate by the Delegation last month. She has matched in Arizona and thus is eligible for the position.

Ms. Hoffman has an extensive history of involvement in organized medicine and has been a member of ArMA since 2017. She attended the 2018 AMA annual meeting as a medical student attendee and actively sought out the ArMA AMA Delegation. She ran for the medical student position for the AMA women's section that fall and has attended our AMA PacWest Conference meetings. She was elected as a fourth year student to the ArMA AMA Alternate position for 2021 and attended the AMA Interim meeting as a guest even though her term did not officially start until January 2021. She plans on attending both the AMA annual and Interim meetings this year.

Jacquie is well integrated with the Medical Student Section of the AMA and brings both fresh perspectives and a modern day woman's point of view to our Delegation. She has been actively involved in Women's health care issues and education since attending the University of Berkeley majoring in Gender Women's Studies with a minor in Global Poverty and Practice.

Jacquie walks the talk. She is articulate, thoughtful and introspective. She is always willing to listen and possess the ability to often offer an acceptable compromise to parties with differing opinions. She is open to both new ideas and traditional viewpoints, is unhesitatingly honest and will do well in the bigger arena of the AMA.

We nominate her without reservation.

Sincerely,  
Ronnie K. Dowling, MD  
Chair, ArMA AMA Delegation
