

How Do I Change My AzSAE Password?

Step #1: Login with your username and password at www.azsae.org.

Step #2: Select **Manage Profile** from the left hand navigation menu that appears above **Calendar** after logging in.

Step #3: Under the **Information & Settings** section select the **Edit Bio**, with a picture of a contact card. This will take you to your membership profile page.

Manage Profile

 Profile Home

Information & Settings

Edit Bio
Update your information and choose privacy settings for individual fields.

Preferences
View and manage preferences and notification settings for your account.

Step #4: Locate the **Password** field (third field) and select the link to **(change)**. Enter what you would like your new password to be, confirm it again by retyping it.

Account Information	
Your Personalized URL	(create a personalized url)
Username	testtest (change)
 Password	(change)
 E-Mail Address *	<input type="text" value="test@hotmail.com"/>
Confirm E-Mail *	<input type="text" value="test@hotmail.com"/>

Then go to the bottom of the webpage and press **Save Changes**.
