Supporting our vision of “A vibrant Arizona through safe, reliable water”
Since 1928

Membership Benefits

Training & Education
We offer over 100 PDHs annually at over 30 events discounted 20-100% for members, including the Annual Conference, Seminars, Tours, Webinars, and Lunch & Learns.

Networking
Establish contacts in the Arizona water community, find new career opportunities, learn about industry trends.

Be Prepared / Stay Informed
Receive our quarterly magazine, The Kachina News, as well as e-blasts, and social media communications in real time.

Connect with National Leaders
Uniquely affiliated with both American Water Works Association (AWWA) & Water Environment Federation (WEF).
Who We Are: Membership Demographics

We are professionals dedicated to Arizona’s water.

- 501(c)(3) nonprofit educational organization
- Founded in 1928
- 2,200 water/wastewater professionals
- Dedicated to preserving and enhancing Arizona’s water environment
- We’re the Arizona section of the American Water Works Association LLC (AZAWWA) and the Arizona member association of the Water Environment Federation, known as the Arizona Water Environment Association, LLC (AZWEA).

AZ Water launched my career.
- Jesse Black

I wouldn’t own my own company if it wasn’t for the networking in AZ Water.
- Mike Ambroziak

AZ Water brought me huge value...it brought me to my current career position. It’s more than just being a member...you can get out in spades what you’re willing to put in.
- Gretchen Baumgardner

“AZ Water is a ‘Who’s Who’ in the local and national water industry.”
- Patrick Goodfellow

AZ Water’s Mission:
Advocate for Arizona’s water through bold leadership, connecting professionals, providing education and inspiring environmental stewardship.

95% of Arizonans get their water from a public water system.

Nothing is more important to Arizona residents & our economy than water — that is why our association exists.
