TOUR

Mesa's Signal Butte

Water Treatment Plant

See the Valley's newest water treatment plant including first of its kind pipeline pigging station, ozone, sand ballasted flocculation, deep bed GAC filtration, sodium hypochlorite generation and mechanical dewatering. Talk with Mesa operators about its startup, operations, and performance.

Where: 10950 E. Elliot Road north side of Elliot Road east of Signal Butte Road

When: Wednesday, April 3, 2019, beginning at 11:30 am

Sign up: AZ Water Association Website https://www.azwater.org/events/event_list.asp

Cost: \$ 10.00 members, \$ 15.00 non-members

NOTE: Tour limited to 20 People. Sign up early while spots are available.
