

Annual Toy/Gift Card Drive Under Way

The New Practitioners Section is participating in the Annual Holiday Toy Drive to benefit the clients of the Family Justice Center Foundation. Each year the Family Justice Center is inundated with people coming in for relief around the holidays and these toys are one small way to make a child's holiday brighter. **Please spread the word and bring an unwrapped toy (or toys) to the Bar Association of Montgomery County Bar Building, located at 27 West Jefferson St., Rockville, MD 20850. We will be collecting donations until Friday, December 14, 2018.** Please consider donating, even if it's something small. We thank you all in advance for participating in this great cause.
