Avivo, formerly RESOURCE, provides a full spectrum of chemical and mental health services, career education, and employment services. Our paired services lay a foundation of health, and social and economic wellness, that transforms lives.

Serving Minnesota since 1960, we specialize in helping individuals and their families who face complex barriers to success – poverty, homelessness, unemployment, chemical addiction or mental health concerns. Avivo helps more than 18,000 people each year achieve recovery, employment, and economic advancement.
