Supplier Membership Dues Policy

“Supplier Member” dues are based upon a component supplier’s annual volume of business with manufacturers of office, business and institutional furniture, including ready-to-assemble and home office furniture.

A Member Company is considered to be all affiliated companies controlling, controlled by, under common control, or under the collective membership of the Member Company. The appropriate dues category is based upon the total aggregate shipments of the Member Company and all of its affiliates.

Supplier Dues Schedule

Annual Business Volume Amount	Supplier Dues Category	Annual Dues
Less than \$2 million	A	\$1,350
\$2 - \$10 million	B	\$2,250
\$10 - \$25 million	C	\$2,700
\$25 - \$50 million	D	\$3,200
\$50 - \$100 million	E	\$3,700
Over \$100 million	F	\$4,200

Billing Procedure

Annual membership dues cover BIFMA’s fiscal year, from June 1 through May 31 of the following year.

A company can join the association at any time during the association’s fiscal year. All new members pay for a full year of dues on the date they join, followed by an interim billing on their 1-year anniversary date based on the months left to the next fiscal year schedule beginning on June 1. Thereafter, membership renewal billings cover the regular fiscal year.

Membership dues may be tax deductible as an ordinary and necessary business expense. BIFMA estimates that 10% of your dues are not deductible as a business expense because of lobbying activity.
