Billing Procedure

Annual membership dues cover BIFMA's fiscal year, from June 1 through May 31 of the following year.

A company can join the association at any time during the association's fiscal year. All new members pay for a full year of dues on the date they join, followed by an interim billing on their 1-year anniversary date based on the months left to the next fiscal year schedule beginning on June 1. Thereafter, membership renewal billings cover the regular fiscal year.

Membership dues may be tax deductible as an ordinary and necessary business expense. BIFMA estimates that 10% of your dues are not deductible as a business expense because of lobbying activity.
