

HR Security Blanket - Small Company Peace of Mind

proud partners of  **BIOKANSAS**
THE BIOSCIENCE NETWORK IN KANSAS

Our HR Security Blanket programs are designed to provide support to smaller companies who need human resources help or the occasional HR gut check, without a need for a full-time employee, onsite support or expensive legal bills. Our HR Security Blanket Programs are designed to specifically help companies with 10 or less employees to get a highly skilled level of HR support to help them with their HR challenges and limit the risk of expensive people related liabilities.

We build a strong relationship with you, get to know you, and because you're a Member of BioKansas, as a partner we offer a 10% discount off these valuable programs.

No matter what your HR issue is, or how often you need help, we're here to guide you through it all. By purchasing an HR Security Blanket Program you'll get an HR Director on call to talk you through your questions, challenges or problems. There's nothing like a gut check when you're worried about an HR problem or process. Saves you time, research, legal fees and missteps.

Small Company HR Security Blanket Pricing—Billed Annually

5 or less employees	\$2,400 (\$2,160 for BioKansas Members) per year (approximately 15-20 hours of support annually)
6 to 10 employees	\$3,000 (\$2,700 for BioKansas Members) per year (approximately 20-25 hours of support annually)
