Best Start Birth Center Opens Doors to Rep. Susan Davis

Congresswoman Susan Davis will be visiting Best Start Birth Center on December 15, Monday at 11:30 AM. This momentous visit is in support of high-quality, affordable, women's healthcare and normal birth through midwifery care and free-standing birth centers.

Representative Davis, a strong supporter of women's health, is exploring the impact on health care reform of Midwifery care and free-standing birth centers which are included in many healthcare plans including Medi-Cal.

Best Start Birth Center is the only facility in San Diego which offers waterbirth, an alternative delivery method proven to reduce the mother's discomforts and shorten labor. The midwives of Best Start Birth Center have been providing high-quality prenatal care and births to the women of San Diego County for over 25 years. Best Start Birth Center also offers Nutritional Counseling Services, Psychosocial Counseling Services, and Childbirth Education.

Best Start Birth Center is state licensed and is the only nationally accredited birth center in Southern California. Roberta Frank, CNM, the center's Founder and Clinical Director, is nationally acclaimed and is the 2008 American Association of Birth Centers' Professional Awardee.
