BLACK ACTUARIES

MISSION

IABA is a volunteer-run, nonprofit organization that represents black actuarial professionals and students around the world.

Our mission is to contribute to an increase in the number of black actuaries and to influence the successful career development, civic growth and achievement of black actuaries.

SCHOLARSHIP

The IABA Scholarship Program provides scholarships at the undergraduate and graduate level for black students who are interested in pursuing actuarial careers.

In 2018, IABA awarded \$114,000 to 36 students. All scholarship recipients are paired with a traditional mentor for one year.

ANNUAL MEETING

From college-level professional development sessions to networking opportunities, the IABA Annual Meeting can help students take their actuarial career to the next level.

With over 450 attendees and more than 30 companies exhibiting at our Career Networking Event, the IABA Annual Meeting is a great opportunity to network and find your next internship or entry-level actuarial job.

Special student rate: \$125 members, \$150 non-members.

BOOT CAMP

The IABA Actuarial Boot Camp is a four day workshop geared towards increasing industry awareness of prospective actuarial students and positioning them for a successful actuarial internship.

The Boot Camp concludes with participation, paid registration and accommodation at the IABA Annual Meeting. All Boot Camp students are paired with a traditional mentor for one year.

NETWORKING EVENTS

IABA City Affiliates are scattered throughout the country and offer the opportunity to connect face-to-face with other actuaries and students in the area.

IABA also offers virtual networking, mentoring and exam prep opportunities through online chat events.

JOB BOARD

Dozens of actuarial employers use the IABA job board on a regular basis to post jobs and search for diverse candidate career profiles. That makes our job board a strong channel for the best jobs/internships and a great way to get your resume in front of employers. There is no cost to participate.
