

Scholarships

What's it All About?

The IABA Scholarship Program seeks to provide scholarships at the undergraduate or graduate level for black students who are interested in pursuing actuarial careers.

What's it Worth?

IABA has awarded over \$1,000,000 in scholarships since 1992. Scholarships are awarded on basis of merit and can be renewed.

In 2020, IABA awarded \$144,500 in scholarship to 45 graduating high school seniors, undergraduate and graduate students. Ten scholarships included internship or entry-level interview opportunities.

Scholarships also include IABA Annual Meeting attendance (including travel), exam reimbursement, and assignment of IABA mentor.

Be on the Lookout!

The IABA Scholarship application launches in November and closes in March each year.

Do You Qualify? Applicants Must...

- Be a black student of African descent originating from the US, Canada, the Caribbean, and African nations;
- Be a citizen or permanent resident of the US; or a citizen or permanent resident of Canada, a citizen of any Caribbean or African nation on a US or Canadian student visa;
- Be admitted to a college or university in the US or Canada offering either a program in actuarial science or courses that will serve to prepare the student for an actuarial career;
- Have a GPA of at least 3.0 on a 4.0 scale.

IABA Scholarship recipients are required to serve on an IABA committee for one year.
