

# How to log in to BCA

Typing Bluewatercruising.org in your browser address field should bring our log in page

The screenshot shows the Bluewater Cruising Association website. At the top left is the logo, a circular emblem with a blue flag and the text "BLUEWATER CRUISING ASSOCIATION". To the right of the logo is the tagline "Fostering seamanship and friendship" in blue italicized font. Below the tagline is an orange horizontal bar with a printer icon and the word "PRINT".

The main heading is "Member Login" in a large blue font. Below this heading is a welcome message: "Welcome to the online community. Because of the built-in security approved before accessing many site sections. If you are not a member we'd love you to be part of our online community." Below the message are two input fields: "Username" and "Password". There is a checked checkbox for "Remember Me" and an orange "Sign In" button with a lock icon.

On the left side, there is a "COMMUNITY" section with a search bar containing the placeholder text "Enter search criteria..." and a "Search »" button. Below the search bar is a blue navigation menu with the following items: "Home", "About Us" (with a right-pointing arrow), and "Chapters & Groups" (with a right-pointing arrow).

In the field labelled username you type in the user name assigned to you by our admin Liz. In the password, she will have provided you with a temporary password you can change later in the process. Once typed, it will look like this :

Then of course you can select the remember me tick box so you don't have to resign in everytime. The log in does time out at some point but much later than for every visit. You then click the yellow sign in button which will take you here :
