

# BMW MOA HIGH MILEAGE AWARD HONOR ROLL APPLICATION

The record of BMW Motorcycle Owners of America's High Mileage Honor Roll is kept by volunteer staff person Jim Heberling.

Upon acceptance of your documented application to Jim Heberling, you will qualify to receive an award recognizing this achievement. The current high mileage awards program recognizes miles ridden on BMW motorcycles in 100,000 mile increments up to one million lifetime miles with a pin, patch and sticker. Miles ridden over one million miles are awarded with a plaque at each 100,000-mile increment in addition to the pin, patch and sticker up to a maximum of two million miles.

Your name and mileage achieved will be posted in the BMW *Owners News*, in the "High Mileage" column and on the BMW MOA High Mileage Honor Roll web page.

Note: BMW Motorrad USA, the originator of the mileage award program, maintains its own separate program. The BMW Motorrad program provides medallions acknowledging the achievements of 100,000 through one million lifetime miles, in 100,000-mile increments. Access to this awards program begins with your local dealer.
