

Dr Fahmid Chowdhury

Leeds Teaching Hospitals NHS Trust, Leeds

Talk title: Infection imaging in lower limb trauma

Dr Fahmid Chowdhury is a dual-certificated consultant in radiology and nuclear medicine at the Leeds Teaching Hospitals since 2008. Having previously served as Clinical Lead of the nuclear medicine and PET/CT service (2012-2018), he has been Clinical Director of Radiology at the Leeds Teaching Hospitals since 2018. In addition to having a high-volume clinical practice in nuclear medicine, Dr Chowdhury is actively engaged in undergraduate and postgraduate teaching and has delivered over 50 invited lectures at national meetings. He was appointed Honorary Clinical Associate Professor at the University of Leeds in 2017 in recognition of his research work, with over 55 peer-reviewed publications and 75 published abstracts in the fields of nuclear medicine and radiology.
