

A Statement from the board of Hirex Ltd and IG Events (Index Group Ltd) due to COVID –19

We have been closely monitoring the impact that COVID-19 is having on our business, customers, suppliers and business partners.

Following the Prime Minister's announcement on 23rd March and in order to follow the request from the Government that all UK citizens and businesses must play their part in protecting the most vulnerable in our society, to help ensure the NHS has the ability to cope as well as safe guarding our staff and all our customers, we took the difficult decision as a non-essential organisation, to temporarily suspend all operations for non-urgent working from the 24th March.

During this unprecedented period if you have an urgent matter which cannot wait until normal service resumes then please email myevent@indexgroup.org and please state your event name in the subject line and one of our team will contact you as soon as possible to assist .

We will be monitoring and reviewing this course of action on a weekly basis following this initial Government advised 3 week period and will resume normal service as soon as it is safe to do so.

Please note that your email you have sent now will not be forwarded on, stored, or responded to at any point now or in the future, only emails to myevent@indexgroup.org will receive a response and action in due course.

We appreciate your support and understanding in this decision and we wish all of you and your families a safe journey through this unprecedented and difficult period.

We look forward to working with all our amazing clients with hope and enthusiasm for a successful future.

Stay safe & well

From the boards of both the HIREX LTD and INDEX GROUP LTD
