

Building Owners and Managers Association Political Action Committee

A contribution to Colorado's BOMAPAC, BOMA Colorado's political action committee, supports BOMA's ability to represent the needs of its members before officials elected to state or local office in Colorado. Your contribution to BOMAPAC will help ensure that Colorado BOMA has the power to back those state or local legislators who support commercial real estate issues. So let your voice be heard! Under state law, either individual or corporate contributions can be accepted.
