

## ROBERT M. MITSCH

Vice President  
Sutter Health Facility Planning & Development

### BIOGRAPHY:

Bob Mitsch has served as Vice President, Facility Planning and Development for Sutter Health since October of 2000. As Sutter Health's senior real estate and construction executive, Bob is responsible for assisting affiliate management in capital project planning and management as well as the acquisition, disposition and management of real estate assets. Employed by Sutter Health since 1992, Bob also served 6 years as Sutter Health's Real Estate Director. Prior to joining Sutter Health, Bob worked in private development in Sacramento and as a corporate real estate manager in Southern California.

Bob is a graduate of San Diego State University and holds the Institute Designation of Master of Corporate Real Estate (MCR). Bob resides in Sacramento and is married (Toni Ann) with two children.
