HELP FOR PEOPLE EXPERIENCING HOMELESSNESS:

211 To connect with services that can help with rental assistance, shelter, legal referrals, housing assistance, transportation, food, and other needs.

Crisis Clinic is at the heart of the Seattle King County safety net providing a broad array of telephone-based crisis intervention and information and referral services.

Housing and Essential Needs (HEN): If you have zero income and have a disability, this program can assist with rent and utility service, transportation needs, hygiene and cleaning supplies, and more. Eligibility for HEN is determined by DSHS.

The Urban Rest Stop provides a clean, safe and welcoming facility where individuals and families experiencing homelessness can come and use restrooms, laundry facilities and shower.

The Health Care for the Homeless Network (HCHN) provides health care services for people experiencing homelessness in King County and provides leadership to help change the conditions that deprive our neighbors of home and health.

The Solid Ground Circulator is a free shuttle in the downtown corridor for homeless and low-income individuals with stops near DSHS, Harborview, Virginia Mason, many shelters, and other social service agencies. The link takes you to the Circulator's map and routes. Circulator runs Monday-Friday, 7 a.m. to approximately 4:30 p.m.

Mental Health First Aid Classes are offered monthly for the general public on Saturdays.
