## FOUNDATIONS IN PRACTICE

### WHAT

The **BOMA Foundations In Practice Program** addresses the challenges and interests of emerging real estate professional who want to develop their careers and build more valued relationships within the industry.

This program is lead by one of the top real estate professionals in our market – Colleen Nipper who is Director of Acquisitions & Strategic Projects at Cushman & Wakefield.

The program provides a forum to network as well as an opportunity to meet and learn from senior industry icons who will offer advice, share insights and divulge the steps taken to achieve their success.

### Who Should Participate?

Real estate professionals with less than five years of experience who wish to develop their careers

**FEATURING** • Classroom Setting • Speaker Series • Panel Discussions • Building Tours • Happy Hour • Networking•

**DEADLINE TO SIGN UP OR NOMINATIONS  
FEBRUARY 1 2019**

**PROGRAM BEGINS FEBRUARY 20 2019**
