

Upgrade your boiler and earn **double** or **triple** the rewards.

Upgrading your boiler to a higher efficiency model can help reduce your natural gas consumption, lower your carbon emissions and save money on your energy bills each month.

Making that upgrade now can pay off even more.

For a limited time only:

- Upgrade to a high-efficiency boiler (85% to 89% efficiency) and earn **2x our regular incentive**
- Upgrade to a condensing boiler (90% efficiency or more) and earn **3x our regular incentive**

To cover up to 50% of the project cost, to a maximum of \$100,000 per project.

Limited time offer, only available to Enbridge Gas commercial customers on a first come, first serve basis. To qualify, your project must be booked with an Enbridge Energy Solutions Consultant by **June 30, 2018**.

Contact your Enbridge Energy Solutions Consultant at **1-866-844-9994** or **energyservices@enbridge.com**

Your Energy. Our Experts. Smart Savings.

*This is a limited time and limited fund offer to be distributed to qualified projects on a first come, first serve basis. This campaign is exclusively for Enbridge Gas Distribution Inc. Commercial customers. Offer does not apply to Affordable Housing eligible buildings, Industrial or Residential customers. Incentive cannot exceed 50% of the project cost and \$100,000 per project. For custom commercial retrofit projects, the doubled or tripled incentive will be based on the base incentive rate of \$0.2/m² saved, and the tiered incentive offer will not apply. For prescriptive boiler projects, the total incentive cannot exceed the incremental project cost. This campaign may be subject to change or cancelled without notice at any time. All projects must be installed between April 17, 2018 and October 31, 2018 and all customers must book their project with an Enbridge Energy Solutions Consultant by providing a PO for the upgraded equipment by June 30, 2018. The application form must be approved by an Enbridge Energy Solutions Consultant in order to qualify for the limited time campaign. Additional Terms and Conditions apply. Contact your Enbridge Energy Solutions Consultant or email energyservices@enbridge.com for details.
