Teams assemble and work towards focused sets of interim deliverables within the Business Architecture Guild ecosystem.
BUSINESS ARCHITECTURE: WHAT IS ON THE HORIZON?

Where the industry is going – 2015-2016

- Availability of case studies, value proposition and executive guide
- Formal certification program rollout (Q1 2015)
- Formally aligned training courses
- Further formalization of interdisciplinary alignment
- Involvement of academic community
- Industry standardization under a common metamodel (2015-2016)
- Further formalization of business / IT architecture alignment
- Significant advancements in automated tool support
THE FUTURE IS HERE FOR BUSINESS ARCHITECTURE
