Thank you for your interest in the Venture Valley Volunteer Internship program! As we move towards launching our game, there is much work to be done in terms of refining the game, introducing it to students and gamers, and managing online competitions with real-world prizes!

**RESPONSIBILITIES:**

- Experience the excitement of play-testing, marketing, and creating events for the Venture Valley game before it launches to the public on computers and mobile devices.
- You can also join on-line competitions with your friends or other interns - winners receive real-world prizes!
- Interested applicants should be able to devote 6-8 hours per month; however, the time is flexible to your schedules.

**GAME DEVELOPMENT:**

- **Game Development:**
  - Play test a Closed Beta of the game before its launch.
  - Answer surveys on the game's appeal.
  - Identify problems and suggest game enhancements.
  - Test the game's multiplayer mode by playing online competitions with the opportunity to win real world prizes.
  - Create game concepts and/or designs for future game expansions.
  - Suggest ideas to enhance business and entrepreneurial skills.

**MARKETING COMMUNICATIONS:** (Not Available until Q1 2021)

- Communicate information about our game and online competitions through social media campaigns, on your campus, in your community, or through your clubs.
- Execute posts, blogs, videos, and webcasts.
- Survey friends and club members for target audience appeal and marketing communications’ effectiveness.

**EVENT MANAGEMENT:** (Not Available until Q1 2021)

- Help organize online (and eventually live) competitions with other students, entrepreneurial and game clubs, and youth/young adult organizations.
- Plan and execute events for Online and Live Esports - Team, Club, and Recreational competitions.
- Work with community and organization leaders to get permits and to provide information about the events.
