### **Description**

Are you a lifelong learner who thinks it is about time to 'give back' and begin to impart all the knowledge you have acquired to fellow CEO colleagues? Whether you are you a subject matter expert who can teach standalone classes (single day, 8-hour classes) or someone who can teach in CACEO's new curriculum for academy classes? Bring your resume, and, after a brief presentation, meet one-on-one with CACEO's team and learn how to become a CACEO Certified Instructor.
