He is up for re-election this year. He has been Chair of the Senate Appropriations Committee since 2019. The ideal contact people would be Code Enforcement Officers from La Canada/Flintridge or anyone who is a Code Enforcement Officer who is also active in the district's vibrant and active Armenian community, which holds a great deal of influence in his district.

Senator Bates has been on our side on the DMV issue. She and her Republican colleague on this Committee have voted to remove past DMV confidentiality bills of ours from the Suspense file. She began her career as a member of the Orange County Board of Supervisors. She was elected to the Assembly in 1998 where she served until she was termed out in 2004. She was elected to the Senate in 2014, re-elected in 2018, and will term out in 2022.

Bradford votes with his Caucus unless he receives input from his district. He began his political career as a member of the Gardena City Council for a number of years before being elected to the Assembly in a Special Election in 2009. He served into the Assembly until he termed out in 2014. He was elected to the Senate in 2016 and is up for re-election this year. Contacts from Code Enforcement Officers from

Gardena would have his ear. He voted with the Democrats on the Committee to keep our bill on the Suspense file in the past.

***Jerry Hill (Democrat)***

**Sacramento Office: 916-651-4013**

**District Office: 650-212-3313 (San Mateo)**

Senator Hill's district includes parts of Santa Clara and San Mateo counties. The cities in his district include Mountain View, Palo Alto, Redwood City, San Bruno, San Mateo, Santa Clara, South San Francisco, and Sunnyvale.

His email is [Senator.Hill@senate.ca.gov](mailto:Senator.Hill@senate.ca.gov) and he has no other social media contacts.

Senator Hill is termed out this year. He served three terms in the Assembly and is now serving his second and final term in the Senate. Like the other Democrats on this Committee, he voted to keep our DMV bill on the Suspense file. Nevertheless, I believe that direct contact from Code Enforcement Officers will be something to which he will listen. Because he is termed out, he has the ability to be a little more independent in his voting.

***Brian W. Jones (Republican)***

**Sacramento Office: 916-651-4038**
