# 2019 Grand National Event/Tour Descriptions

For all events and tours, you **must** be preregistered and have the appropriate tour ticket to gain admission.

Most tours require a good amount of walking. We advise comfortable walking shoes and casual summer clothing. Some tours are in a different time zone than Louisville. We advise to keep your watches set to Eastern Daylight Time (EDT). If you are traveling to Louisville from the north on I-65, the bridge spanning the Ohio River is a toll bridge. Your I-Pass will work automatically. Any traveler without an I-Pass will be mailed a toll statement. Where business casual is indicated, shorts, T-shirts, and flip-flops are prohibited.

There are several tech seminars scheduled. Times and locations will be posted in the registration area. A swap meet and car corral are available. Chapter and committee meetings will be held throughout the week in designated rooms posted in the registration area.

The hospitality room will be open Tuesday through Friday. Reference your onsite registration packet for hours of operation.
