The Cadillac & LaSalle Club's DeCou LONG DISTANCE DRIVING AWARD was established in 2010. It was created to encourage members to actually use their cars as they were built to be used, and drive them to Grand National Meets. The award is a backing plate to be displayed with your CLC grille badge.

The initial qualifying requirement for award eligibility is to have driven your 25-year-old or older, Cadillac or LaSalle to at least two Grand Nationals that were 1,000 or more miles apart. The first eligible Grand National event was the Kansas City Grand National in 2010. For each subsequent Grand National to which you drive that same car, you are eligible to display an additional roman numerical annotation. That is "II" for the second, "III" for the third, and so on.

The award is currently being administrated by Glenn Brown in coordination with the Club Office. The self-nomination forms are available through him at: P.O. Box 3391, Oak Park, IL 60302. Upon verification of eligibility, your award can be picked up and displayed at the next Grand National Event, or sent by arrangement for a nominal cost.

¹ The Club Office retains records of all Grand National registered vehicles for verification purposes. In the event that the office cannot confirm your vehicle's attendance at any meet, you may be requested to submit sufficient evidence to prove that your vehicle was in attendance at that meet.

2019-2020 eligibility is as follows (read your first Grand National event across the top and subsequent Grand National event down. It is also possible to be eligible by reason of having driven to a subsequent Grand National):
