COMMUNITY ASSOCIATION INSTITUTE NAMES FIVE COMMUNITIES OF EXCELLENCE

CHARLOTTE, NC - The North Carolina Chapter of Community Associations Institute recognized five Communities of Excellence in front of 300 guests at the March 22nd Community Association Law Day at the Harris Conference Center in Charlotte, the association's 10th annual celebration.

All winning communities provided applications that were screened and judged by out-of-state Professional Community Association Managers (PCAMs) who judged and scored the submissions independently. Each community that surpassed a predetermined numerical point threshold was deemed a Community of Excellence Award winner, a truly prestigious honor.

Please help us congratulate the 2019 Community of Excellence Award winners:
