CPCC and Community Associations Institute Partner to offer:

“The Essentials of Community Association Management”

This new course offers a path to a career in a fast-growing field that’s hiring!
Earn a professional credential as Certified Manager of Community Associations. Employment of property and community association managers is projected to grow 10 % from 2016 to 2026, faster than the average for all occupations.

Not all Real Estate is about buying and selling

- Community Association Management is a fast-growing profession that touches on business, non-profit management, public administration and real estate.
- The profession is growing in popularity as the Homeowner and Condominium Associations housing model continues to expand and as homeowners demand professional management of their communities.
- The Certified Manager of Community Associations (CMCA) certification gives you unlimited opportunities across the US and a competitive edge in a growing field.

Dates: February 18 - March 5, 2019 | Meets: Mondays /Tuesdays, 5:30-9:30pm

Location: CPCC Harris Campus (Airport) Cost: \$599 (Course Manual Included)

Details: http://bit.ly/CMCA_2019

Register: 704-330-4223

CAI (Community Associations Institute) is an international non-profit organization providing education and advocacy for the volunteers who govern community associations and the professionals who support them. www.cai-nc.org
