Community Group Presents Legal Workshop for HOA & Condo Leaders

April 2018 - Community Associations Institute (CAI) invites all Charlotte-area community association leaders and managers to a workshop on board member essentials.

Board members bear a legal responsibility that can't be delegated or assigned to anyone else, including a professional manager. This volunteer job can be a lot easier when you're confident in understanding your role-- CAI can help.

Our speakers will present real-life scenarios that board members face and share real-life do's and don'ts.

This event will feature 4 HOA law topics presented by trusted and experienced community association attorneys.

- "Basics for New Board Members" Steve Sellers- Sellers Ayers
- "Sidestepping Common Insurance Potholes" Steve Black- Black, Slaughter & Black;
Hunter Litaker- Litaker Insurance
- "Social Media and Your Community's Online Presence" Laura Forrest, Hedrick Gardner
- "Recordkeeping Do's and Don'ts" Cynthia Jones – Horack Talley

CAI helps homeowner and condominium association board members do their jobs more professionally, more effectively and more comfortably. Advance questions are encouraged.
