North Carolina HOA Group named National Chapter of Excellence

Professionals in Community Association Leadership Offer Leadership Training

May, 2019- Each year Community Associations Institute (CAI) honors chapters across the nation in five categories.

On, May 17, 2019 the NC chapter won the top overall national prize: the Chapter Of Excellence Award. This award is presented to chapters who score winning marks in all five categories.

The award was presented at the national CAI Annual Conference & Exposition in Orlando, with NC's 2017 president Gary Woodlief accepting on behalf of the 1000+ members who now make up our chapter.

Many thanks to the leaders across the Tar Heel state who have helped bring to life these accomplishments:

*** Membership Development Category**

Our entry in this category was the **inaugural Higher Thinking EXECUTIVE FORUM**, bringing together senior executives of both management companies and business partner firms. This event sold out in our first year.

*** Public Affairs Category**

Our entry in this category was the chapter's **Community Association Mediation Program (CAMP)**, designed to provide a faster and less expensive alternative to litigation through the involvement of a neutral third party.

*** Member Services Category**

Our entry in this category was the inaugural **Reverse Trade Show** at the 2018 Annual Conference & Expo. This 'speed dating' event was a hit- and will be repeated at this year's Annual Conference & Expo in Wilmington on August 1.

*** Leadership Category**

Our entry in this category was dual:
Redevelopment of a formal **Board of Directors orientation program** as well as a new program for **Regional Council Leadership orientation**.

*** Chapter Management & Development Category**

Our entry in this category was the development of a **Chapter Strategic Plan**, working in conjunction with an external consultant to design a vision for the chapter's next 3-5 years.

CAI-NC is one of the largest chapters of [Community Associations Institute](#), an international organization providing education and advocacy to preserve, protect and enhance community associations.
