

Keeping Our Communities SAFE

Recognizing & Managing Risks in Operating Common Area Facilities & Hosting Member Activities

Hope Carmichael Partner, Jordan Price

Legal risks and issues arrive with springtime activities in our communities. Operating common areas and amenities- playgrounds, sport courts, pools and clubhouses can present hidden liability for the association. Both volunteer leaders and professional managers will learn how to identify these and steer clear.

Cristin DeRonja Executive Director, SAFEchild

Cristin illustrates in powerful words and pictures the easily-overlooked realities of child abuse in a community setting. A principal goal of SAFEchild to stop child abuse from ever occurring, through empowering caregivers and parents. The community association environment is an important setting in this effort .
