

Join CAI-NC for "Board Basics, Brush-ups & Bell-ringers"

An evening with Attorney Hope Carmichael

Hope Carmichael will be fresh from January's largest national education conference for attorneys in the community association field, with up-to-the-minute insights on new developments affecting our communities.

What kinds of phone calls are HOA lawyers getting these days? What legal trends are developing in other states that could be on their way to NC? What's the latest crazy thing that could 'ring your board's bell'?

Find out "what you don't know that you don't know!"

Doing your job well, whether volunteer leader or professional manager, means constant learning. Enjoy refreshments in a casual atmosphere. Advance questions welcome!
