

"Emergency Preparedness Down East" *Guidance for Community Boards & Managers*

The 2019 hurricane season officially opens Saturday, June 1.
Enjoy lunch with us, and leave better prepared!

Our panel features speakers on three angles:

The nation relies on critical intel and data from this agency- get localized insights from our own area
Warning Coordinator.

Restoring and rebuilding are everyone's most immediate concern following safety & health of our families.
What you need to know now!

Insurance for Everything Important to You.

Understanding how to best protect your community association assets in advance is no simple task.
Plus- who pays for what!

June 5, 2019 11:30am - 1:30pm
Bakery 105 at Front & Orange Streets, Wilmington

Attendance earns 1 CEU credit for manager professional designations.
