Our Mission

CALAPRS strives to educate and inform the trustees and staff of the member systems through its forums for sharing information and exchanging ideas. CALAPRS is funded partly by member system dues and program fees and partly by sponsorships from firms like yours who provide services to California Public Pension Funds.

This is not "pay to play". Sponsors do not have an advantage in competition for the pension funds' business, and CALAPRS is not involved in any system's selection process for services.

Sponsor Benefits

All CALAPRS sponsors are invited to send two representatives to the CALAPRS annual General Assembly*, an educational event for trustees and senior staff, to be held on March 5-8, 2016 at the Renaissance Indian Wells Resort in Indian Wells (Palm Springs), CA. This is a great opportunity for sponsors to network with the representatives of the various funds who are in attendance.

Sponsors also receive:

- A copy of the annually-updated CALAPRS Roster, which contains the current service providers, asset allocation, population and contact information for each member fund
- A semi-annual CALAPRS Newsletter is also sent to sponsors and the systems
- Sponsoring CALAPRS benefits the state through its promotion of well-educated and professional trustees and staff in the California pension systems

Annual CALAPRS Sponsorship is \$1,500.

If you have any other questions, please do not hesitate to contact us.

* Sponsor representatives' attendance at the General Assembly, including General Assembly meals, is free. Sponsors bear hotel and travel costs.
