Re: FIRE Legislative Report – Week Ending March 15, 2019

Informational Hearing
On Wednesday, March 13, 2019, the Senate Natural Resources and Water Committee and the Senate Governance and Finance Committee conducted a 5-hour hearing on “Living Resiliently in the New Abnormal: The Future of Development in California's Most Fire Prone Regions” (3/13/19 Agenda; 3/13/19 Background).

The Committees took testimony from the Fire Marshal, Director of OES, Regional Director of FEMA and many experts, including local representatives of government fire services. Chief Mike McLaughlin, our Legislative Chair, provided productive testimony for the Committees to find a path forward to make wildland urban interface communities safer.

Legislation

Assembly Bill 1823 (Committee on Natural Resources) – As a Committee bill, AB 1823 could be introduced after the bill introduction deadline of 2/22/2019. The bill seeks to update CalFIRE criteria to be placed on a “Fire Risk Reduction Community” list of local agencies to consider compliance with the Board’s regulations, including minimum fire safety standards. FIRE RECOMMENDED POSITION: PENDING.

A couple of tracked bills had legislative action this week.

Senate Bill 8 (Glazer), a reintroduction of a bill vetoed last year by Governor Brown, the bill would make it an infraction to smoke on a public beach. The bill passed the Senate Natural Resources Committee and moves to the Senate Appropriations Committee. FIRE RECOMMENDED POSITION: SUPPORT.

Senate Bill 46 (Jackson) is a follow-up to her SB 821 enacted last year and would authorize the University of California, California State University and community college districts to access contact information for the sole purpose of enrollment in a public emergency warning system. The bill passed the Senate Governmental Organization Committee. FIRE RECOMMENDED POSITION: WATCH.
Senate Bill 190 (Dodd) is the measure to require the State Fire Marshal to develop a model defensible space program and to create a wildland-urban interface fire safety building standards compliance training manual. The bill passed the Senate Governmental Organization Committee and has been referred to the Senate Natural Resources and Water Committee: FIRE RECOMMENDED POSITION: SUPPORT IF AMENDED.

Two other Senator Dodd bills have been set for hearing in the Senate Governmental Organization Committee on March 26, 2019.

Senate Bill 209 would establish a Wildfire Warning Center to observe and assess fire-threat weather conditions and Senate Bill 290 would authorize the Governor to purchase insurance or reinsurance to help mitigate against costs incurred by the State in response to natural disasters.

The CFCA/FDAC Joint Legislative Task Force met last week to review legislation and make position recommendations. Attached is the complete FIRE bill tracking report with notations for recommended positions.

**Summary:** Would require, no later than July 1, 2020, the State Fire Marshall to develop, and the California Building Standards Commission to review, building standards for buildings in very high fire hazard severity zones. The bill would require, beginning on July 1, 2020, all newly constructed buildings and all transferred buildings in very high fire hazard severity zones to comply with the building standards. By requiring new building standards for buildings in very high fire hazard severity zones, this bill would expand the definition of a crime and impose a state-mandated local program.

**Summary:** The Planning and Zoning Law provides for the creation of accessory dwelling units by local ordinance, or, if a local agency has not adopted an ordinance, by ministerial approval, in accordance with specified standards and conditions. Current law requires the ordinance to designate areas where accessory dwelling units may be permitted and authorizes the designated areas to be based on criteria that includes, but is not limited to, the adequacy of water and sewer services and the impact of accessory dwelling units on traffic flow and public safety. This bill would instead require a local agency to designate these areas based on the adequacy of water and sewer services and the impact of accessory dwelling units on traffic flow and public safety.

**Summary:** Current law, until January 1, 2026, authorizes a development proponent to submit an application for a multifamily housing development, which satisfies specified objective planning standards, that is subject to a streamlined, ministerial approval process, as provided, and not subject to a conditional use permit. Under current law, those objective planning standards include that the development proponent must certify both (1) that the development is either a public work, for purposes of specified law, or that all construction workers employed in the execution of the development will be paid at least the general prevailing rate of per diem wages for the type of work and geographic area and (2) that if the development meets certain conditions, a skilled and trained workforce, as defined, will be used to complete the development if the application is approved, as provided. Existing law exempts from any requirement to pay prevailing wages or use a skilled and trained workforce a project that includes 10 or fewer units and is not a public work. This bill would delete the requirement that a skilled and trained workforce be employed on any project subject to these provisions.

**Summary:** Current law states that the Legislature finds and declares that the design-build method of project delivery, using a best value procurement methodology, has been authorized for various agencies that have reported benefits from those projects, including reduced project costs, expedited project completion, and design features that are not achievable through the traditional design-bid-build method. *Summary:* Current law prohibits a provider of mobile telephony services, as defined, or any affiliate or agent of the provider, when providing the name and dialing number of a subscriber for inclusion in a directory or directory database, from including the dialing number of any subscriber without first obtaining the express consent of that subscriber. Current law authorizes providing those telephone...
numbers without regard to consent to a law enforcement agency, fire protection agency, public health agency, public environmental health agency, city or county emergency services planning agency, or private for-profit agency operating under contract with, and at the direction of, one or more of these agencies, for the exclusive purpose of responding to a 911 call or communicating an imminent threat to life or property. This bill would additionally authorize providing those telephone numbers to those parties without consent for the purpose of testing the systems that respond to 911 calls or testing systems that communicate threats to life or property.

Summary: The Elder California Pipeline Safety Act of 1981 requires the State Fire Marshal to administer provisions regulating the inspection of intrastate pipelines that transport hazardous liquids. The act requires a pipeline operator to make available to the State Fire Marshal, or any officers or employees authorized by the State Fire Marshal, upon presentation of appropriate credentials, any records, maps, or written procedures that are required by the act to be kept by the pipeline operator and which concern accident reporting, design, construction, testing, or operation and maintenance. This bill would revise and recast specified provisions and would authorize the State Fire Marshal, for purposes of carrying out the requirements of state or federal law relating to hazardous liquid pipeline safety, to require the owner or operator of a pipeline to establish and maintain records, make reports, and provide any information that the State Fire Marshal reasonably requires, as provided.

**Calendar:** 4/23/2019  9:30 a.m. - Room 112 SENATE NATURAL RESOURCES AND WATER, STERN, Chair

**Summary:** Current law requires the State Fire Marshal to establish a statewide uniform color coding of fire hydrants that relates to flow testing. Each agency that maintains fire hydrants is required to comply with these requirements as part of its ongoing maintenance program. This bill would require the State Water Resources Control Board, by December 1, 2021, to develop and adopt regulations for reporting and inspections regarding public water suppliers. The bill would require that the regulations adopted by the board ensure water suppliers’ compliance with local standards for fire safety.

**Current Text:** Introduced: 1/30/2019  [html](#)  [pdf](#)

**Introduced:** 1/30/2019  
**Status:** 2/11/2019-Referred to Com. on P.E. & R.  
**Location:** 2/11/2019-A. P.E. & R.

**Summary:** Current law, including the Meyers-Milias-Brown Act, the Ralph C. Dills Act, the Trial Court Employment Protection and Governance Act, the Trial Court Interpreter Employment and Labor Relations Act, Judicial Council Employer-Employee Relations Act, and the Los Angeles County Metropolitan Transportation Authority Transit Employer-Employee Relations Act, as well as provisions commonly referred to as the Educational Employment Relations Act and the Higher Education Employer-Employee Relations Act, regulates the labor relations of the state, the courts, and specified local public agencies and their employees. These acts generally require the public entities in this context to grant employee representatives of recognized employee organizations reasonable time off without loss of compensation or benefits for certain purposes in connection with labor relations, commonly referred to as release time. This bill would prescribe requirements relating to release time that would apply to all of the public employers and employees subject to the acts described above and would generally repeal the provisions relating to release time in those acts.

**AB 333**  (Eggman D) Whistleblower protection: state and local independent contractors.
**Summary:** Current law prohibits an employer, as defined, or any person acting on behalf of the employer, as defined, from, among other things, preventing an employee from, or retaliating against an employee for, providing information to, or testifying before, any public body conducting an investigation, hearing, or inquiry, if the employee has reasonable cause to believe that the information discloses a violation of a law, regardless of whether disclosing the information is part of the employee's job duties. A violation of these provisions is a crime. This bill would extend the protections afforded to employees under these provisions to independent contractors and contracted entities working for state and local government who are tasked with receiving and investigating complaints from facilities, services, and programs operated by state and local government.

(Bonta D) Employment: victims of sexual harassment: protections.
Introduced: 2/15/2019
Status: 2/25/2019-Referred to Coms. on L. & E. and JUD.

Summary: Current law prohibits an employer from discriminating or retaliating against an employee who is a victim of domestic violence, sexual assault, or stalking because of the employee’s status as a victim, if the employer has notice or knowledge of that status. Current law additionally prohibits an employer with 25 or more employees from discharging, or discriminating or retaliating against an employee who is a victim, in this regard, who takes time off to obtain specified services or counseling. This bill would extend these employment protections to victims of sexual harassment, as defined. The bill would also extend these employment protections to family members, as defined, of the victims for taking time off from work to provide assistance to the victims when seeking relief or obtaining services and counseling, as specified.

Location: 2/21/2019-A. PRINT

Summary: This bill would, until January 1, 2025, create the Firefighter Peer Support and Crisis Referral Services Pilot Program. The bill would, for purposes of the act, define a "peer support team" as a team composed of emergency service personnel, as defined, hospital staff, clergy, and educators who have been appointed to the team by a Peer Support Labor-Management Committee, as defined, and who have completed a peer support training course developed and delivered by the California Firefighter Joint Apprenticeship Committee, as specified. The bill would provide that a communication made by emergency service personnel or a peer support team member while the peer support team member provides peer support services, as defined, is confidential and shall not be disclosed in a civil, administrative, or arbitration proceeding. The bill would authorize the disclosure of that communication under limited circumstances, including, among others, when disclosure is reasonably believed to be necessary to prevent death, substantial bodily harm, or commission of a crime, or when disclosure is reasonably believed to be required pursuant to the peer support policy, as specified. The bill would also provide that, except for an action for medical malpractice, a peer support team member providing peer support services as a member of a peer support team is not liable for damages, as specified, relating to an act, error, or omission in performing peer support services, unless the act, error, or omission constitutes gross negligence or intentional misconduct. The bill would further provide that a communication made by emergency service personnel to a crisis hotline or crisis referral service, as defined, is confidential and shall not be disclosed in a civil, administrative, or arbitration proceeding, except as specified.

**Summary:** Current law provides that in the case of active firefighting members of certain fire departments, a compensable injury includes cancer that develops or manifests itself during the period when the firefighter demonstrates that the firefighter was exposed while in the service of the public agency to a known carcinogen, as defined. Existing law establishes a presumption that the cancer in these cases arose out of, and in the course of, employment, unless the presumption is controverted by evidence that the primary site of the cancer has been established and that the carcinogen to which the member has demonstrated exposure is not reasonably linked to the disabling cancer. This bill would make that presumption applicable to fire service personnel with exposure to active fires or health hazards resulting from firefighting operations, rather than active firefighting members.

The bill would also apply these procedures retroactively to determinations made on or after January 1, 2017, if an appeal has been filed and the employee member, survivor, or beneficiary has not exhausted their administrative or legal remedies.

Location: 2/21/2019-S. RLS.

Summary: Current law establishes a workers’ compensation system, administered by the Administrative Director of the Division of Workers’ Compensation, to compensate an employee for injuries sustained in the course of employment. Existing law requires an employer to provide medical, surgical, chiropractic, acupuncture, and hospital treatment that is reasonably required to cure or relieve the injured worker from the effects of the injury. Upon payment, adjustment, or denial of a complete or incomplete itemization of medical services, existing law requires an employer to provide an explanation of review. If the provider disputes the amount paid, existing law authorizes the provider
to request a 2nd review. Existing law authorizes a provider to request an independent bill review within 30 calendar days of service of the 2nd review if the only dispute is the amount of payment and the provider has received a 2nd review that did not resolve the dispute. This bill would make technical, nonsubstantive changes to the provision authorizing a provider to request an independent bill review.

**Summary:** The California Emergency Services Act, among other things, vests the Governor with various powers and duties related to that act, including coordinating the State Emergency Plan and those programs necessary for the mitigation of the effects of an emergency in this state. Current law authorizes the Governor to expend any appropriation for support of the California Emergency Services Act to carry out its provisions. This bill, upon appropriation by the Legislature, would authorize the Governor to purchase insurance, reinsurance, insurance linked securities, or other related alternative risk-transfer products for the State of California to help mitigate against costs incurred by the state in response to a natural disaster, including, but not limited to, an earthquake, wildfire, or flood.

Summary: Current law defines the measure of indemnity for a loss under an open fire insurance policy and specifies time limits under which an insured must collect the full replacement cost of the loss. In the event of a total loss of an insured structure, existing law prohibits a fire insurance policy issued or delivered in this state from containing a provision that limits or denies payment of the building code upgrade cost or the replacement cost on the basis that the insured has decided to rebuild at a new location or to purchase a built home at a new location. Last Amend: 3/11/2019
Status: 3/12/2019-Re-referred to Com. on REV. & TAX.
Location: 2/28/2019-A. REV. & TAX

Summary: Current property tax law implementing the authority to exempt from property taxation those properties having a full value too low to justify the costs of assessment and collection generally limits any exemption granted under this constitutional provision by a county board of supervisors to real property with a total base year value, or personal property with a full value, not exceeding $10,000. Current property tax law increases this limit to $50,000 in the case of a possessory interest, for a temporary and transitory use, in a publicly owned fairground, fairground facility, convention facility, or cultural facility. This bill would delete this requirement that the possessory interest be for a temporary and transitory use of a publicly owned fairground, fairground facility, convention facility, or cultural facility, thereby allowing the exemption from taxation under these provisions of any possessory interest valued at $50,000 or less.

**Summary:** This bill would require the Strategic Growth Council, until July 31, 2025, to establish and administer a local agency formation commissions grant program for the payment of costs associated with initiating and completing the dissolution of districts listed as inactive, the payment of costs associated with a study of the services provided within a county by a public agency to a disadvantaged community, as defined, and for other specified purposes, including the initiation of an action, as defined, that is limited to service providers serving a disadvantaged community and is based on determinations found in the study, as approved by the commission. The bill would specify application submission, reimbursement, and reporting requirements for a local agency formation commission to receive grants pursuant to the bill. The bill would require the council, after consulting with the California Association of Local Agency Formation Commissions, to develop and adopt guidelines, timelines, and application and reporting criteria for development and implementation of the program, as specified, and would exempt these guidelines, timelines, and criteria from the rulemaking provisions of the Administrative Procedure Act. The bill would make the grant program subject to an appropriation for the program in the annual Budget Act, and would repeal these provisions on January 1, 2026. Summary: The Fire Protection District Law of 1987 provides that whenever a district board determines that it is in the public interest to provide different services, to provide different levels of service, or to raise additional revenues within specific areas of the district, it may form one or more service zones by adopting a resolution that includes specified information, fixing the date, time, and place for public hearing on the formation of the zone, publishing notice, as specified, hearing and considering any protests to the formation of the zone at the hearing, and, at the conclusion of the hearing, adopting a resolution ordering the formation of the zone. If a resolution adopted after the public hearing would extend services outside of an existing service zone and the extension of service would result in those persons in the expanded area paying charges for the expansion of services, this bill would provide that the resolution does not become effective unless approved by a majority of the voters within the expanded service area.

Calendar: 3/27/2019 9:30 a.m. - Room 112 SENATE GOVERNANCE AND FINANCE, MCGUIRE, Chair  
Summary: Would require any outstanding qualified ad valorem property tax in excess of the $20,000,000 limitation, and related interest or penalty, which was levied or imposed on and after January 1, 2019, and before January 1, 2020, with respect to qualified property for which a qualified claim was filed, to be canceled to the extent that the amount canceled does not result in a total assessed value exemption amount in excess of $250,000,000 being allowed to a qualified taxpayer with respect to a single property or multiple properties for any fiscal year. The bill would, on and after January 1, 2020, prohibit an escape assessment from being levied on qualified property if that amount would be subject to cancellation pursuant to this bill.

### Summary

Current law, the Cortese-Knox-Hertzberg Local Government Reorganization Act of 2000, makes certain findings and declarations relating to local government organizations, including, among other things, the encouragement of orderly growth and development, and the logical formation and modification of the boundaries of local agencies, as specified. This bill would make nonsubstantive changes to these findings and declarations.

**Summary:** The Personal Income Tax Law and the Corporation Tax Law allow various credits against
the taxes imposed by those laws. Current law requires any bill authorizing a new tax credit to contain, among other things, specific goals, purposes, and objectives that the tax credit will achieve, detailed performance indicators, and data collection requirements. This bill would allow a credit against those taxes for each taxable year beginning on or after January 1, 2020, and before January 1, 2025, to a qualified taxpayer that installs an attic vent closure in a residential property, as defined, in an amount equal to 40% of the qualified costs paid or incurred by the qualified taxpayer for that installation.

(Stone, Mark D) Redevelopment: City of Santa Cruz: bond proceeds: affordable housing.

Current Text: Introduced: 2/7/2019 [html, pdf]

Introduced: 2/7/2019

Status: 2/15/2019-Referred to Coms. on H. & C.D. and L. GOV.

Location: 2/15/2019-A. H. & C.D.

Summary: Current law requires any successor agency that has been issued a finding of completion to use bond proceeds derived from bonds issued on or after January 1, 2011, in excess of the amounts needed to satisfy approved enforceable obligations, in a manner consistent with the original bond covenants, subject to certain requirements, including a requirement that no more than 5% of the proceeds derived from the bonds be expended, unless the successor agency has an approved Last and Final Recognized Obligation Payment Schedule, in which case the agency is authorized to expend no more than 20% of the proceeds derived from the bonds, subject to specified adjustments. Current law requires remaining bond proceeds that cannot be spent pursuant to those requirements to be used at the earliest possible date to defease the bonds or to purchase those same outstanding bonds on the open market for cancellation. This bill, notwithstanding the requirement that the remaining bond proceeds be used to defease the bonds or to purchase those same outstanding bonds on the open market for cancellation, would authorize the City of Santa Cruz to use the remaining bond proceeds for the purposes of increasing, improving, and preserving affordable housing, as defined, and facilities for homeless persons.
