Re: FIRE Legislative Report – Week Ending March 29, 2019

Legislation

Friday, 03/29/2019, was a Legislative Holiday and, therefore, we are publishing our weekly report today.

Assembly Constitutional Amendment No. 1 (Aguiar-Curry) would authorize a city, county, or special district to levy an ad valorem tax to service bonded indebtedness incurred to fund public infrastructure, affordable housing or lease of real property for those purposes if the measure is approved by 55% of the voters. ACA 1 was amended to add special districts and passed the Assembly Local Government Committee. It has been referred to the Assembly Appropriations Committee for consideration. FIRE POSITION: SUPPORT.

Assembly Bill 19 (Waldron) has been amended to establish a CalFIRE grant program to provide funds to local fire districts and county road maintenance departments to manage vegetation along roads to prevent wildfires in very high fire severity zones. The bill has been referred to the Assembly Natural Resources Committee. FIRE POSITION: UNDER REVIEW.

Assembly Bill 68 (Ting) has been amended to shorten the ministerial review period for the creation of an accessory dwelling unit from 120 days to 60 days of receiving the application. FIRE POSITION: WATCH.

Assembly Bill 69 (Ting) has been amended to require the Department of Housing and Community Development to propose building standards governing accessory dwelling units smaller than 800 square feet by January 1, 2021. FIRE POSITION: OPPOSE.

Assembly Bill 291 (Chu) has been amended to create a Local Emergency Preparedness and Hazard Mitigation Fund to assist local government meet emergency management goals. FIRE POSITION: UNDER REVIEW.
Assembly Bill 394 (Obernolte) would provide a CEQA exemption, after a noticed hearing in situations where CalFIRE is seeking to improve fire safety for a particular area. AB 394 passed the Assembly Natural Resources Committee and has been referred to the Assembly Appropriations Committee. **FIRE POSITION: SUPPORT.**

Assembly Bill 911 (Rodriguez) has been amended to require OES by January 1, 2022, to establish a system that would allow the public to provide vital health and safety information about their disabilities to enable first responders to better assist them during an emergency. **FIRE POSITION: SUPPORT.**

Assembly Bill 1299 (Flores) has been amended to provide for a fire department that has voluntary firefighters and receives reimbursement through a mutual aid request, and the reimbursement is intended to reimburse for personnel cost for work participated in by voluntary firefighters, the department would be required to pass through the requisite reimbursements to these voluntary firefighters. **FIRE POSITION: UNDERS REVIEW.**

Senate Bill 13 (Wieckowski) has been amended to limit restrictions on accessory dwelling units in areas zoned to allow for single-family or multi-family dwelling use. **FIRE POSITION: OPPOSE.**

Senate Bill 45 (Allen) would enact the Wildfire, Drought and Flood Protection Bond Act, which if approved by the voters, would authorize the issuance of bonds in the amount of $4.3 Billion to restore fire damaged areas, reduce wildfire risk and create healthy forests and watersheds. The bill passed the Senate Natural Resources and Water Committee and has been referred to the Senate Environmental Quality Committee. **FIRE POSITION: WATCH.**

Senate Bill 209 (Dodd) would establish the California Wildfire Warning Center to observe and assess fire-threat weather conditions. The bill passed the Senate Governmental Organization Committee and has been referred to the Senate Energy, Utilities and Communications Committee. **FIRE POSITION: SUPPORT.**

Senate Bill 438 (Hertzberg) has been amended to prohibit a public agency from outsourcing its local emergency dispatch services to a private entity. Further, the bill clarifies that under the ERISA Act, a public safety agency maintains the authority to determine the appropriate deployment of emergency resources within their jurisdiction to provide the highest and best level of emergency response for the community it serves. **FIRE POSITION: WATCH.**

Summary: Current law, until January 1, 2026, authorizes a development proponent to submit an application for a multifamily housing development, which satisfies specified objective planning standards, that is subject to a streamlined, ministerial approval process, as provided, and not subject to a conditional use permit. Under current law, those objective planning standards include that the development proponent must certify both (1) that the development is either a public work, for purposes of specified law, or that all construction workers employed in the execution of the development will be paid at least the general prevailing rate of per diem wages for the type of work and geographic area and (2) that if the development meets certain conditions, a skilled and trained workforce, as defined, will be used to complete the development if the application is approved, as provided. Existing law exempts from any requirement to pay prevailing wages or use a skilled and trained workforce a project that includes 10 or fewer units and is not a public work. This bill would delete the requirement that a skilled and trained workforce be employed on any project subject to these provisions.

The Planning and Zoning Law requires that the housing element, among other things, sets forth a schedule of actions during the planning period that the local government is undertaking or intends to undertake to implement the policies and achieve the goals of the housing element, as provided. Current law authorizes the Department of Housing and Community Development to allow a city or county to substitute the provision of units for up to 25% of the community's obligation to identify adequate sites for any income category in its housing element pursuant to a schedule of actions. This bill would additionally authorize the department to allow a city or county to substitute the provision of units for up to 25% of the community's obligation to identify adequate sites for any income category under the above-described schedule of actions if the governing body of the city or county has adopted both (1) an ordinance that implements requirements under state law, as well as any applicable requirements of the city or county, relating to accessory dwelling units and meets certain requirements and (2) an ordinance establishing a permitting process and appropriate standards to regulate short-term rentals of single-family dwellings in order to accomplish specified objectives. The bill would also make various nonsubstantive changes.

Summary: Current law, upon a declaration of a shelter crisis by the City of Berkeley, Emeryville, Los Angeles, Oakland, or San Diego, the County of Santa Clara, or the City and County of San Francisco, specifies additional provisions applicable to a shelter crisis declared by one of those jurisdictions. Among other things, existing law exempts from the California Environmental Quality Act specified actions by a state agency or a city, county, or city and county relating to land owned by a local government to be used for, or to provide financial assistance to, a homeless shelter constructed pursuant to these provisions. Current law requires a city, county, or city and county that declares a shelter crisis pursuant to these provisions to develop a plan to address the shelter crisis on or before July 1, 2019, and to annually report to specified committees of the Legislature on or before January 1, 2019, and annually thereafter until January 1, 2021. Current law repeals these additional provisions as of January 1, 2021. This bill would apply these additional provisions to a shelter crisis declared by the County of Alameda or the City of San Jose, if those jurisdictions meet specified requirements, and extend the repeal date of these provisions to January 1, 2023.

Calendar: 4/3/2019 9:15 a.m. - State Capitol, Room 127 ASSEMBLY HOUSING AND COMMUNITY DEVELOPMENT, CHIU, Chair
Summary: The California Community Services Block Grant Program requires the Department of Community Services and Development to administer the federal Community Services Block Grant funds to provide financial assistance for activities designed to have a measurable and potentially major impact on causes of poverty in a community or areas of a community where poverty is a particularly acute problem. Current law authorizes this funding to assist programs that, among other things, meet the needs of migrant and seasonal farmworkers and their families, such as improved housing and sanitation, including the provision and maintenance of emergency and temporary housing and sanitation facilities. This bill would prohibit the provision of state funding, as defined, for the purposes of planning, developing, or operating any housing used to comply with the federal law requirement to furnish housing to H-2A workers and would require an employer, as defined, or other recipient of state funding who utilizes state funding for these purposes to reimburse the state or state agency that provided the funding in an amount equal to the amount of that state funding expended for those purposes.
Would authorize a development proponent of a neighborhood multifamily project or eligible TOD project located on an eligible parcel to submit an application for a streamlined, ministerial approval process that is not subject to a conditional use permit. The bill would define a "neighborhood multifamily project" to mean a project to construct a multifamily unit of up to 2 residential dwelling units in a nonurban community, as defined, or up to 4 residential dwelling units in an urban community, as defined, that meets local height, setback, and lot coverage zoning requirements as they existed on July 1, 2019. The bill would define an "eligible TOD project" as a project located in an urban community, as defined, that meets specified height requirements, is located within 1/2 mile of an existing or planned transit station parcel or entrance, and meets other floor area ratio, density, parking, and zoning requirements.

Would require the Department of Housing and Community Development to furnish the Department of General Services with a list of local lands suitable and available for residential development as identified by a local government as part of the housing element of its general plan. The bill would require the Department of General Services to create a database of that information and information regarding state lands determined or declared excess and to make this database available and searchable by the public by means of a link on its internet website.

Current law requires accessory dwelling units to comply with specified standards, including that the accessory dwelling unit is either attached to, or located within, the proposed or existing primary dwelling or detached if located within the same lot, and that it does not exceed a specified

Summary: Would require the Office of Emergency Services, by January 1, 2022, to establish a statewide 911 Emergency Communication System, as described. The bill would require the system to enable all Californians, including older adults, individuals with disabilities, and other at-risk persons, to voluntarily share specified information about themselves, via a secure internet website, to be transmitted to first responders during an emergency, as provided. The bill would require the office to assist participating local governments in the adoption of the appropriate technology to implement the system and in making specified determinations about the system.

Summary: Current law establishes the Emergency Medical Services Authority to oversee emergency medical services in the state and requires the authority to develop minimum training and scope of practice standards for EMT-I, EMT-II, and EMT-P personnel. Current law states that these requirements do not preclude the adoption of additional training standards for EMT-II and EMT-P personnel by local emergency medical services agencies. This bill would make technical, nonsubstantive changes to these provisions.

AB 1437 (Chen R) Local government: redevelopment: revenues from property tax override rates.

Introduced: 2/22/2019

Last Amend: 3/26/2019

Status: 3/27/2019-Re-referred to Com. on H. & C.D.

Summary: Would require certain revenues attributable to a property tax rate approved by the voters of a city, county, city and county, or special district to make payments in support of a mobile intensive care program called “Paramedics” to be allocated to, and when collected to be paid into, the fund of that taxing entity instead of the Redevelopment Property Tax Fund of each successor agency, unless the revenues are pledged as security for the payment of any indebtedness, as provided. The bill would require all allocations of revenues derived from the imposition of that property tax rate made by any county auditor-controller prior to January 1, 2020, to be deemed correct, and would prohibit any city, county, county auditor-controller, successor agency, or affected taxing entity from being subject to any claim, as specified.

**Calendar:** 4/9/2019  1:30 p.m. - State Capitol, Room 4202  ASSEMBLY HEALTH, WOOD, Chair

**Summary:** Current law authorizes a Medi-Cal provider of ground emergency medical transportation services, that is owned or operated by the state, a city, county, city and county, fire protection district, special district, community services district, health care district, or a federally recognized Indian tribe, to receive supplemental Medi-Cal reimbursement in addition to the rate of payment the provider would otherwise receive for those services. Current law requires the department to develop a modified supplemental reimbursement program, with necessary federal approvals, that would seek to increase the reimbursement to an eligible provider. Current law requires the nonfederal share of any supplemental reimbursement provided under the modified program to be derived from voluntary intergovernmental transfers of local funds. This bill would exempt the above-described providers owned or operated by the specified governmental entities from the Medi-Cal Emergency Medical Transportation Reimbursement Act and the quality assurance fee requirements.

**Summary:** Would require response time requirements in any contract for ground emergency medical transportation entered into, amended, or renewed, by a state or local entity on and after January 1, 2020, to be consistent with performance standards established by the International Academies of Emergency Dispatch. By increasing the duties of local entities, this bill would create a state-mandated local program.
AB 1601  (Ramos D)  Office of Emergency Services: behavioral health response.

Current Text: Introduced: 2/22/2019  [html]  [pdf]
Introduced: 2/22/2019
Status: 3/14/2019- Referred to Coms. on G.O. and HEALTH.
Location: 3/14/2019-A. G.O.

Summary: Would establish a behavioral health deputy director within the Office of Emergency Services to ensure individuals have access to necessary mental and behavioral health services and supports in the aftermath of a natural disaster or declaration of a state of emergency and would require the deputy director to collaborate with the Director of Health Care Services to coordinate the delivery of trauma-related support to individuals affected by a natural disaster or state of emergency.

SB 46  (Jackson D)  Emergency services: telecommunications.

Current Text: Amended: 3/5/2019  [html]  [pdf]
Introduced: 12/3/2018
Last Amend: 3/5/2019
Status: 3/20/2019-Re-referred to Com. on E., U. & C.
Location: 3/20/2019-S. E. U., & C.

Summary: Current law authorizes each county, including a city and county, to enter into an agreement to access the contact information of resident accountholders through the records of a public utility or other agency responsible for water service, waste and recycling services, or other property-related services for the sole purpose of enrolling county residents in a county-operated public emergency warning system. Current law requires any county that enters into such an agreement to include procedures to enable any resident to opt out of the warning system and a process to terminate the receiving agency’s access to the resident’s contact information. Current law prohibits the use of the information gathered for any purpose other than for emergency notification. This bill would expand these provisions to authorize a city to enter into an agreement to access the contact information of resident accountholders through the records of a public utility, as specified.

SB 160  (Jackson D)  Emergency services: cultural competence.

Current Text: Introduced: 1/24/2019  [html]  [pdf]
Introduced: 1/24/2019
Location: 2/6/2019-S. G.O.

Summary: Current law defines the terms “political subdivision” and “emergency plans” for purposes of emergency services provided by local governments. Current law requires a county, upon the next update to its emergency plan, to integrate access and functional needs into its emergency plan, as specified. This bill would require a county to integrate cultural competence, as defined, into its emergency plan, upon the next update to its emergency plan, as specified. By increasing the duties of local officials, this bill would impose a state-mandated local program.

**Summary:**
Current law, including the Meyers-Milias-Brown Act, the Ralph C. Dills Act, the Trial Court Employment Protection and Governance Act, the Trial Court Interpreter Employment and Labor Relations Act, Judicial Council Employer-Employee Relations Act, and the Los Angeles County Metropolitan Transportation Authority Transit Employer-Employee Relations Act, as well as provisions commonly referred to as the Educational Employment Relations Act and the Higher Education Employer-Employee Relations Act, regulates the labor relations of the state, the courts, and specified local public agencies and their employees. These acts generally require the public entities in this context to grant employee representatives of recognized employee organizations reasonable time off without loss of compensation or benefits for certain purposes in connection with labor relations, commonly referred to as release time. This bill would prescribe requirements relating to release time that would apply to all of the public employers and employees subject to the acts described above and would generally repeal the provisions relating to release time in those acts.

Current law prohibits an employer, as defined, or any person acting on behalf of the employer, as defined, from, among other things, preventing an employee from, or retaliating against an employee for, providing information to, or testifying before, any public body conducting an
investigation, hearing, or inquiry, if the employee has reasonable cause to believe that the information discloses a violation of a law, regardless of whether disclosing the information is part of the employee’s job duties. A violation of these provisions is a crime. This bill would extend the protections afforded to employees under these provisions to independent contractors and contracted entities working for state and local government who are tasked with receiving and investigating complaints from facilities, services, and programs operated by state and local government.

**Summary:**
Current law prohibits an employer from discriminating or retaliating against an employee
who is a victim of domestic violence, sexual assault, or stalking because of the employee's status as a
victim, if the employer has notice or knowledge of that status. Current law additionally prohibits an
employer with 25 or more employees from discharging, or discriminating or retaliating against an
employee who is a victim, in this regard, who takes time off to obtain specified services or counseling.
This bill would extend these employment protections to victims of sexual harassment, as defined. The
bill would also extend these employment protections to family members, as defined, of the victims for
taking time off from work to provide assistance to the victims when seeking relief or obtaining services

Summary: Current law provides that in the case of active firefighting members of certain fire departments, a compensable injury includes cancer that develops or manifests itself during the period when the firefighter demonstrates that the firefighter was exposed while in the service of the public agency to a known carcinogen, as defined. Existing law establishes a presumption that the cancer in these cases arose out of, and in the course of, employment, unless the presumption is controverted by evidence that the primary site of the cancer has been established and that the carcinogen to which the member has demonstrated exposure is not reasonably linked to the disabling cancer. This bill would make that presumption applicable to fire service personnel with exposure to active fires or health hazards resulting from firefighting operations, rather than active firefighting members.

Calendar: 4/3/2019 1:30 p.m. - State Capitol, Room 447 ASSEMBLY LABOR AND EMPLOYMENT, KALRA, Chair

Summary: Current law requires an employer to immediately report a serious occupational injury, illness, or death to the Division of Occupational Safety and Health by telephone or email, as specified.
This bill would remove the requirement that an employer report by email to the division a serious occupational injury, illness, or death and instead require the report to be made by telephone or through an online mechanism established by the division for that purpose.

Notes: 3/9/2019-first responder concerns.

**AB 1805** (Committee on Labor and Employment) Occupational safety and health.

Introduced: 2/28/2019

Location: 3/21/2019-A. L. & E.

Summary: Current law defines “serious injury or illness” and “serious exposure” for purposes of reporting serious occupational injury or illness to the Division of Occupational Safety and Health and for purposes of establishing the division’s duty to investigate employment accidents and exposures. This bill would recast the definition of “serious injury or illness” by removing the 24-hour minimum time requirement for qualifying hospitalizations and explicitly including the loss of an eye as a qualifying injury.

Notes: 3/9/2019-first responder concerns.

**SB 135** (Jackson D) Paid family leave.

Introduced: 1/15/2019

Last Amend: 3/25/2019

Status: 3/25/2019-From committee with author's amendments. Read second time and amended. Re-referred to Com. on RLS.

Location: 1/15/2019-S. RLS.

Summary: Current law prohibits an employer with 50 or more employees in a 75-mile radius to refuse to grant an employee a request to take up to 12 weeks of unpaid leave for family care and medical leave if the employee worked 1,250 hours in the prior 12 months. Current law includes within “family care and medical leave” the birth, adoption, or foster care placement of a child and the serious health condition of the employee’s child, parent, or spouse. This bill would expand the scope of those provisions to instead prohibit an employer with 5 or more employees to refuse to grant an employee a request to take up to 12 weeks of unpaid leave for family care and medical leave if the employee had 180 days of service with the employer.

SENATE APPROPRIATIONS, PORTANTINO, Chair

Summary: Would establish new procedures under PERL for cases in which PERS determines that the benefits of a member or annuitant are, or would be, based on compensation that conflicts with PEPPRA and other specified laws and thus impermissible under PERL. The bill would also apply these procedures retroactively to determinations made on or after January 1, 2017, if an appeal has been filed and the employee member, survivor, or beneficiary has not exhausted their administrative or legal remedies.
(Hill D) Workers’ compensation: treatment and disability.

Introduced: 2/21/2019
Last Amend: 3/27/2019
Status: 3/27/2019-From committee with author's amendments. Read second time and amended. Referred to Com. on RLS.
Location: 2/21/2019-S. RLS.

Summary: Would require the Administrative Director of the Division of Workers’ Compensation to issue a report to the Legislature, on or before January 1, 2023, comparing potential payment alternatives for providers to the official medical fee schedule. The bill would also require, on or before January 1, 2023, and annually thereafter, the administrative director to publish on the division’s internet website provider utilization data for physicians, as defined above, who treated 10 or more injured workers during the 12 months before July 1 of the previous year, including the number of injured workers treated by the physician and the number of utilization review decisions that resulted in a modification or denial of a request for authorization of medical treatment.

(Stern D) Workers’ compensation.

Introduced: 2/22/2019
Status: 3/7/2019-Referred to Com. on L., P.E. & R.
Location: 3/7/2019-S. L., P.E. & R.

Summary: Would provide that in the case of certain state and local firefighting personnel and peace officers, the term “injury” also includes a mental health condition or mental disability that results in a diagnosis of post-traumatic stress or mental health disorder that develops or manifests itself during a period in which the firefighting member or peace officer is in the service of the department or unit. These provisions would apply to claims for benefits filed or pending on or after January 1, 2017.

(Moorlach R) Public employees’ retirement.

Introduced: 2/22/2019
Status: 3/14/2019-Referred to Com. on RLS.
Location: 2/22/2019-S. RLS.

Summary: The Public Employees’ Retirement Law (PERL) establishes the Public Employees’ Retirement System (PERS), which provides pension and other benefits to its members. Under PERL, membership in PERS is compulsory for specified public employees. Current law provides that those compulsory membership provisions do not apply to certain persons who are expressly excluded from PERS. This bill would make a nonsubstantive change to that provision.

**Summary:** The California Emergency Services Act, among other things, vests the Governor with various powers and duties related to that act, including coordinating the State Emergency Plan and those programs necessary for the mitigation of the effects of an emergency in this state. Current law authorizes the Governor to expend any appropriation for support of the California Emergency Services Act to carry out its provisions. This bill, upon appropriation by the Legislature, would authorize the Governor to purchase insurance, reinsurance, insurance linked securities, or other related alternative risk-transfer products for the State of California to help mitigate against costs incurred by the state in response to a natural disaster, including, but not limited to, an earthquake, wildfire, or flood.

**Summary:** Current law defines the measure of indemnity for a loss under an open fire insurance policy and specifies time limits under which an insured must collect the full replacement cost of the loss. In the event of a total loss of an insured structure, existing law prohibits a fire insurance policy issued or delivered in this state from containing a provision that limits or denies payment of the building code upgrade cost or the replacement cost on the basis that the insured has decided to rebuild at a new location or to purchase a built home at a new location. Summary: Current law requires that a person who owns, leases, controls, operates, or maintains an occupied dwelling or structure in, upon, or adjoining a mountainous area, forest-covered land, brush-covered land, grass-covered land, or land that is covered with flammable material that is within a very high fire hazard severity zone, as designated by a local agency, or a building or structure in, upon, or adjoining those areas or lands within a state responsibility area, to maintain a defensible space of 100 feet from each side and from the front and rear of the structure, as specified. A repeated violation within a specified timeframe of those requirements is a crime. Summary: The Mitigation Fee Act authorizes a local agency to establish, increase, or impose various fees as a condition of approval of a development project, if specified requirements are met. The act defines a “fee” for these parcel tax fees to mean a monetary exaction other than a tax or special assessment, as specified, that is charged by a local agency to the applicant in connection with approval of a development project for the purpose of defraying all or a portion of the cost of public
facilities related to the development project, and excludes from that definition certain fees, including, fees for processing applications for governmental regulatory actions or approvals, fees collected under development agreements, or fees collected pursuant to agreements with redevelopment agencies, as provided. This bill would expand the definition of a “fee” for these purposes by eliminating those exclusions.

**Summary:** Current property tax law implementing the authority to exempt from property taxation those properties having a full value too low to justify the costs of assessment and collection generally limits any exemption granted under this constitutional provision by a county board of supervisors to real property with a total base year value, or personal property with a full value, not exceeding $10,000. Current property tax law increases this limit to $50,000 in the case of a possessory interest, for a temporary and transitory use, in a publicly owned fairground, fairground facility, convention facility, or cultural facility. This bill would delete this requirement that the possessory interest be for a temporary and transitory use of a publicly owned fairground, fairground facility, convention facility, or cultural facility, thereby allowing the exemption from taxation under these provisions of any possessory interest valued at $50,000 or less.

**Summary:** The Planning and Zoning Law requires a general plan to include certain mandatory elements, including a safety element for the protection of the community from unreasonable risks associated with the effects of various geologic hazards, flooding, wildland and urban fires, and climate adaptation and resilience strategies. That law requires the safety element to address, among other things, evacuation routes related to identified fire and geologic hazards. This bill would require the safety element’s address of evacuation routes to include their capacity under a range of emergency scenarios.

Introduced: 2/22/2019

Status: 3/26/2019-Referred to Com. on L. GOV.

Summary: The Mitigation Fee Act prohibits a local agency that imposes fees or charges on a residential development for the construction of public improvements or facilities from requiring the payment of those fees or charges until the date of the final inspection or the date the certificate of occupancy is issued, whichever occurs first, except that the payment may be required sooner when the fees or charges are to reimburse the local agency for previously made expenditures, or when the local agency determines that an account has been established, funds have been appropriated for the public improvements or facilities, and the local agency has adopted a proposed construction schedule or plan prior to final inspection or issuance of the certificate of occupancy. This bill would delete the above-described authorization for a local agency to require payment of fees or charges prior to the date of final inspection or issuance of the certificate of occupancy, whichever occurs first.

### AB 1775 (Reyes D) Development fees: definition.

**Summary:** The Mitigation Fee Act authorizes a local agency to establish, increase, or impose various fees as a condition of approval of a development project, if specified requirements are met. The act...
defines a “fee” for these purposes to mean a monetary exaction other than a tax or special assessment, as specified, that is charged by a local agency to the applicant in connection with approval of a development project for the purpose of defraying all or a portion of the cost of public facilities related to the development project, and excludes from that definition certain fees, including, among others, fees for processing applications for governmental regulatory actions or approvals, fees collected under development agreements, or fees collected pursuant to agreements with redevelopment agencies, as provided. This bill would expand the definition of a “fee” for these provisions by eliminating those exclusions.

Summary: Current law authorizes the legislative body of a city or a county to establish an enhanced infrastructure financing district, with a governing body referred to as a public financing authority, to finance public capital facilities or other specified projects of communitywide significance. Current law requires a public financing authority to adopt an infrastructure financing plan and hold a public hearing on the plan, as specified. Current law authorizes the public financing authority to issue bonds for these purposes upon approval by 55% of the voters voting on a proposal to issue the bonds. Current law requires the proposal submitted to the voters by the public financing authority and the resolution for the issuance of bonds following approval by the voters to include specified information regarding the bond issuance. This bill would instead authorize the public financing authority to issue bonds for these purposes without submitting a proposal to the voters.

**Calendar:** 4/3/2019 1:30 p.m. - State Capitol, Room 127 ASSEMBLY LOCAL GOVERNMENT, AGUIAR-CURRY, Chair

**Summary:** Current law requires any successor agency that has been issued a finding of completion to use bond proceeds derived from bonds issued on or after January 1, 2011, in excess of the amounts needed to satisfy approved enforceable obligations, in a manner consistent with the original bond covenants, subject to certain requirements, including a requirement that no more than 5% of the proceeds derived from the bonds be expended, unless the successor agency has an approved Last and Final Recognized Obligation Payment Schedule, in which case the agency is authorized to expend no more than 20% of the proceeds derived from the bonds, subject to specified adjustments. Current law requires remaining bond proceeds that cannot be spent pursuant to those requirements to be used at the earliest possible date to defease the bonds or to purchase those same outstanding bonds on the open market for cancellation. This bill, notwithstanding the requirement that the remaining bond proceeds be used to defease the bonds or to purchase those same outstanding bonds on the open market for cancellation, would authorize the City of Santa Cruz to use the remaining bond proceeds for the purposes of increasing, improving, and preserving affordable housing, as defined, and facilities for homeless persons, so long as those proceeds are used in a manner consistent with any original bond covenant.

**Summary:** This bill, notwithstanding the requirement that the remaining bond proceeds be used to defease the bonds or to purchase those same outstanding bonds on the open market for cancellation,
would authorize a successor agency to use the remaining bond proceeds for the purposes of increasing, improving, and preserving affordable housing, as defined. The bill, if the remaining bond proceeds are used for these purposes, would require the Last and Final Recognized Obligation Payment Schedule to be adjusted to allow for the allocation of revenues from the Redevelopment Property Tax Trust Fund to the successor agency for purposes of paying the remaining principal and interest on the bonds.

**Calendar:** 4/10/2019  Upon adjournment of Communications and Conveyance Committee - State Capitol, Room 437  ASSEMBLY UTILITIES AND ENERGY, HOLDEN, Chair

**Summary:** Would establish the Electrical Corporation Recovery Fund as a special fund in the State Treasury. This bill would require an electrical corporation to pay excess compensation, as defined, that would otherwise be paid to an executive officer, as defined, to the fund. The bill would require the excess compensation to be set aside in a separate account within the fund and held in trust for the benefit of the named executive officer throughout a 5-year escrow period, as defined. If, during the escrow period, the commission issues a financing order to support the issuance of recovery bonds to finance costs related to wildfires, the bill would require the Treasurer to transfer any excess compensation escrowed by that electrical corporation to the electrical corporation, and would require the electrical corporation to apply that excess compensation solely to recover, finance, or refinance recovery costs and thereby reduce the amount of issuance of recovery bonds.
