Re: FIRE Legislative Report – Week Ending May 17, 2019

Budget Subcommittee Development
I am very happy to report that the $25 million ongoing General Fund allocation to support pre-positioning of local government resources under the Master Mutual Aid System was approved by the Senate Budget Subcommittee No. 5 by a unanimous vote. The Assembly Subcommittee will take the Budget Item up next week.

Legislative Update
Both the Assembly and Senate Appropriations Committees took up hundreds of bills that had been placed on their Suspense Files. The following measures were voted off the Suspense File, passed the Appropriations Committees and now move on to their respective floors for further action later this month:

**Assembly Bill 1705 (Bonta)** - Our Sponsored bill to remove public Medi-Cal ambulance providers from the QAF and to create a Medi-Cal Inter-government Transfer Program for public medical emergency medical transports. **FIRE POSITION: SPONSOR/SUPPORT.**

**Assembly Bill 41 (Gallagher)** would increase from 75% to 100% of the state’s share of disaster-related costs connected with the Camp fire. **FIRE POSITION: SUPPORT.**

**Assembly Bill 247 (Dahle)** would increase from 75% to 100% of the state’s share of disaster-related costs connected with the Klamathon and Carr fires. **FIRE POSITION: SUPPORT.**

**Assembly Bill 429 (Nazarian)** would establish a program to inventory buildings that are potentially vulnerable to earthquake damage. **FIRE POSITION: SUPPORT.**

**Assembly Bill 651 (Grayson)** would increase Medi-Cal rates and prohibit balance billing for air-ambulance services. **FIRE POSITION: SUPPORT.**
Assembly Bill 720 (Muratsuchi) would maintain funding for instructional service agreements with public safety agencies at community colleges. FIRE POSITION: SUPPORT.

Assembly Bill 911 (Rodriguez) would establish a “smart 911 system” to allow the public to provide information about disabilities to enable first responders to be able to better assist them during emergencies. FIRE POSITION: SUPPORT.

Assembly Bill 1116 (Grayson) would establish a Firefighter Peer Support and Crisis Referral Pilot Program. FIRE POSITION: SUPPORT.

Assembly Bill 1500 (Carrillo) clarifies the authority of CUPAs to fine or penalize a hazardous substance facility within its jurisdiction conducting activities without the requisite permit. FIRE POSITION: SUPPORT.

Assembly Bill 1516 (Friedman) would establish defensible space requirements within LRA and SRA, impose vegetation management requirements contiguous with electrical transmission lines and provide for technical assistance for local governments from CAL FIRE to improve fire safety. FIRE POSITION: OPPOSE UNLESS AMENDED.

Assembly Bill 1544 (Gipson) would establish the Community Paramedicine or Triage to Alternate Destination Act. FIRE POSITION: SUPPORT.

Assembly Bill 1668 (Carrillo) would create a program to assist formerly incarcerated felons who served in a Conservation Camp program to gain a path to employment within the California Conservation Corps. FIRE POSITION: UNDER REVIEW.

ACA 1 (Aguiar-Curry) would authorize local governments to levy an ad valorem tax to service bonded indebtedness to fund affordable housing and public infrastructure projects by a 55% vote instead of a 2/3 vote. FIRE POSITION: SUPPORT.

Senate Bill 130 (Galgiani) would create a grant program within OES to assist local governments to install an emergency fire siren warning system. FIRE POSITION: SUPPORT.

Senate Bill 190 (Dodd) would create a statewide defensible space program and a wildland-urban interface fire safety building standards compliance training manual. FIRE POSITION: SUPPORT.

Senate Bill 209 (Dodd) would establish a Wildfire Warning Center to observe and assess fire threat weather conditions. FIRE POSITION: SUPPORT.

Senate Bill 542 (Stern) would establish a workers’ compensation rebuttable presumption for firefighters who suffer from post-traumatic stress. FIRE POSITION: SUPPORT.
Senate Bill 670 (McGuire) would require telecommunications companies to report outages to Cal OES. FIRE POSITION: SUPPORT.

Finally, Assembly Bill 1699 (Levine), which would prohibit a mobile internet provider from impairing or degrading traffic of a public safety customer during a state of emergency passed off the Assembly Floor this week. FIRE POSITION: SUPPORT

Bills held on the Suspense File and therefore not eligible for further movement this year include:

Assembly Bill 1049 (Grayson) would have provided a tax exemption for all volunteer fire departments. FIRE POSITION: SUPPORT.

Assembly Bill 1332 (Bonta) would have restricted contracting by local agencies with entities that provide a Federal Immigration Agency with data or detention information. FIRE POSITION: OPPOSE/COALITION.

Assembly Bill 1375 (Bigelow) would have raised the state’s share for the cost of removing dead and dying trees pursuant to the Governor’s Proclamation of a State of Emergency. FIRE POSITION: SUPPORT.

Introduced: 1/24/2019
Location: 2/7/2019-A. REV. & TAX

Summary: The Personal Income Tax Law and the Corporation Tax Law allow various credits against the taxes imposed by those laws. This bill would establish credits against the taxes imposed by those laws for taxable years beginning on or after January 1, 2020, in an amount equal to the total amount paid or incurred during the taxable year by a qualified taxpayer, as defined, for the payment of development impact fees and connection fees applied to newly constructed single-family and multifamily homes.

**AB 349 (Choi R)** Building standards: garage doors.
Introduced: 2/4/2019
Summary: The California Building Standards Law provides for the adoption of building standards by state agencies by requiring all state agencies that adopt or propose adoption of any building standard to submit the building standard to the California Building Standards Commission (commission) for approval and adoption. This bill would require the commission to require a secondary door that provides ingress and egress to the garage bay for all new single family home construction to be included in the next triennial edition of the California Building Standards Code, as specified.

Summary: Current law establishes a program within all cities and all counties and portions thereof located within seismic zone 4, as defined, to identify all potentially hazardous buildings and to establish a mitigation program for these buildings. This bill would require the Alfred E. Alquist Seismic Safety Commission, by specified deadlines, to identify funding and develop a bidding process for hiring a third-party contractor to create an inventory of potentially vulnerable buildings, as defined. The bill would require the third-party contractor, in conjunction with the commission, by July 1, 2022, to develop a statewide inventory of potentially seismically vulnerable buildings in 29 specified counties in California using information developed by local jurisdictions pursuant to the above-described provisions.

Summary: The Planning and Zoning Law provides for the creation of accessory dwelling units by local
ordinance, or, if a local agency has not adopted an ordinance, by ministerial approval, in accordance
with specified standards and conditions. Current law requires the ordinance to designate areas where
accessory dwelling units may be permitted and authorizes the designated areas to be based on
criteria that includes, but is not limited to, the adequacy of water and sewer services and the impact of
accessory dwelling units on traffic flow and public safety. This bill would instead require a local agency
to designate these areas based on the adequacy of water and sewer services and the impact of
accessory dwelling units on traffic flow and public safety.

**Summary:** Current law, until January 1, 2026, authorizes a development proponent to submit an application for a multifamily housing development, which satisfies specified objective planning standards, that is subject to a streamlined, ministerial approval process, as provided, and not subject to a conditional use permit. Under current law, those objective planning standards include that the development proponent must certify both (1) that the development is either a public work, for purposes of specified law, or that all construction workers employed in the execution of the development will be paid at least the general prevailing rate of per diem wages for the type of work and geographic area and (2) that if the development meets certain conditions, a skilled and trained workforce, as defined, will be used to complete the development if the application is approved, as
provided. Existing law exempts from any requirement to pay prevailing wages or use a skilled and trained workforce a project that includes 10 or fewer units and is not a public work. This bill would delete the requirement that a skilled and trained workforce be employed on any project subject to these provisions.

**AB 1239** (Cunningham R) Planning and zoning: housing element.

Current Text: Amended: 3/21/2019 [html](#) [pdf](#)

Introduced: 2/21/2019

Last Amend: 3/21/2019

Status: 4/26/2019-Failed Deadline pursuant to Rule 61(a)(2). (Last location was H. & C.D. on 3/21/2019)(May be acted upon Jan 2020)

Location: 4/26/2019-A. 2 YEAR

Summary: The Planning and Zoning Law law requires that the housing element, among other things, sets forth a schedule of actions during the planning period that the local government is undertaking or intends to undertake to implement the policies and achieve the goals of the housing element, as provided. Current law authorizes the Department of Housing and Community Development to allow a city or county to substitute the provision of units for up to 25% of the community's obligation to identify adequate sites for any income category in its housing element pursuant to a schedule of actions. This bill would additionally authorize the department to allow a city or county to substitute the provision of units for up to 25% of the community's obligation to identify adequate sites for any income category under the above-described schedule of actions if the governing body of the city or county has adopted both (1) an ordinance that implements requirements under state law, as well as any applicable requirements of the city or county, relating to accessory dwelling units and meets certain requirements and (2) an ordinance establishing a permitting process and appropriate standards to regulate short-term rentals of single-family dwellings in order to accomplish specified objectives. The bill would also make various nonsubstantive changes.

Location: 5/3/2019-A. 2 YEAR

Summary: The Planning and Zoning Law authorizes a local agency to provide by ordinance for the creation of accessory dwelling units in single-family and multifamily residential zones and sets forth standards the ordinance is required to impose, including, among others, maximum unit size, parking, and height standards. This bill would make nonsubstantive changes to these provisions.

| AB 1745  | (Kalra D) | Shelter crisis: emergency bridge housing community: City of San Jose. |
| Location: 5/9/2019-S. DESK |
| Summary: Current law, until January 1, 2022, upon a declaration of a shelter crisis by the City of San Jose, authorizes emergency housing to include an emergency bridge housing community for the homeless, as specified. Existing law, in lieu of compliance with state and local building, housing, health, habitability, or safety standards and laws, authorizes the city to adopt by ordinance reasonable local standards for emergency bridge housing communities, subject to specified requirements, including review by the Department of Housing and Community Development. This bill would extend the repeal date of these provisions to January 1, 2025. The bill would extend the date that an affordable housing unit identified in the city’s housing plan is required to be available for a resident of an emergency bridge housing community to live in to January 1, 2025. |

| AB 1783  | (Rivas, Robert D) | H-2A worker housing: state funding: streamlined approval process for agricultural employee housing development. |
| Location: 5/16/2019-A. SECOND READING |
| Summary: The California Community Services Block Grant Program requires the Department of Community Services and Development to administer the federal Community Services Block Grant funds to provide financial assistance for activities designed to have a measurable and potentially major impact on causes of poverty in a community or areas of a community where poverty is a particularly acute problem. Current law authorizes this funding to assist programs that, among other things, meet the needs of migrant and seasonal farmworkers and their families, such as improved housing and sanitation, including the provision and maintenance of emergency and temporary housing and sanitation facilities. This bill would prohibit the provision of state funding, as defined, for the purposes of planning, developing, or operating any housing used to comply with the federal law requirement to
furnish housing to H-2A workers and would require an employer, as defined, or other recipient of state funding who utilizes state funding for these purposes to reimburse the state or state agency that provided the funding in an amount equal to the amount of that state funding expended for those purposes.

**Summary:** Would, among other things, prohibit a state or local agency from adopting any law or regulation that bans the operation of an unmanned aircraft system. The bill would also authorize a local agency to adopt regulations to enforce FAA regulations regarding the operation of unmanned aircraft systems and would authorize local agencies to regulate the operation of unmanned aircraft and unmanned aircraft systems within their jurisdictions, as specified. The bill would also authorize a local agency to require an unmanned aircraft operator to provide proof of federal, state, or local registration to licensing or enforcement officials.

**Location:** 5/3/2019-A. 2 YEAR

**Summary:** Would require an emergency ambulance provider to provide each emergency ambulance employee, who drives or rides in the ambulance, with body armor and safety equipment to wear during the employee's work shift. The bill would also require the emergency ambulance employer to provide training to the emergency ambulance employee on the proper fitting and use of the body armor and safety equipment. The bill would not apply to the state or a political subdivision thereof.

**Notes:** 4/12/2019-has not been amended. Does not appear to be moving forward.

**Location:** 4/26/2019-A. 2 YEAR

**Summary:** Would require every current emergency ambulance employee, on or before July 1, 2020, and every new employee hired on or after January 1, 2020, within 6 months of being hired, to attend a 6-hour training on violence prevention that includes, among other things, understanding types of anger, proven and effective verbal deescalation skills, and hands-on demonstrations, workshops, and role-playing scenarios. The bill would require an emergency ambulance employee, following the completion of the 6-hour violence prevention training, to receive a one-hour refresher course each calendar year thereafter.

**Notes:** 3/9/2019-Unfunded mandate. Does not include first responders or non-emergency ambulances. Concern about length and content of class.

Summary: Current law requires the State Department of Health Care Services to develop a modified supplemental reimbursement program, with necessary federal approvals, that would seek to increase the reimbursement to a provider of ground emergency medical transportation services provider that is owned or operated by the state, a city, county, city and county, fire protection district, special district, community services district, health care district, or a federally recognized Indian tribe. Current law requires the nonfederal share of any supplemental reimbursement provided under the modified program to be derived from voluntary intergovernmental transfers of local funds. Current law states the Legislature’s intent in enacting these provisions to provide the supplemental reimbursement without any expenditure from the General Fund. This bill would delete the provisions relating to the modified supplemental reimbursement program, and would repeal these provisions on July 1, 2021.

Summary: Would prohibit a public agency from delegating, assigning, or contracting for “911” emergency call processing or notification duties regarding the dispatch of emergency response resources unless the delegation or assignment is to, or the contract or agreement is with, another public agency. The bill would further exempt from that prohibition a public agency that is a joint powers authority that contracted for emergency response resources on or before January 1, 2019, under certain conditions. The bill would state the Legislature’s intent to affirm and clarify a public agency’s duty and authority to develop emergency communication procedures and respond quickly to a person seeking emergency services through the “911” emergency telephone system.

**Summary:** Current law requires the State Board of Forestry and Fire Protection, on or before July 1, 2022, to develop criteria and maintain a “Fire Risk Reduction Community” list of local agencies located in a state responsibility area or a very high fire hazard severity zone that meet best practices for local fire planning. Current law requires the board to consider certain things when developing the criteria for the list, including recently developed or updated community wildfire protection plans. This bill would also require the state board, when considering developing criteria for the list, to consider compliance with the state board’s regulations, including minimum fire safety standards.

Current law requires each electrical corporation to annually prepare and submit a wildfire mitigation plan to the commission for review and approval. Current law requires those wildfire mitigation plans to include specified information, including protocols for disabling reclosers and deenergizing portions of the electrical distribution system that consider the associated impacts on public safety, as well as protocols related to mitigating the public safety impacts of those protocols, including impacts on critical first responders and on health and communication infrastructure. This bill would require each electrical corporation, as part of those protocols, to additionally include protocols related to mitigating the public safety impacts of disabling reclosers and deenergizing portions of the electrical distribution system that consider the impacts on customers who are receiving medical baseline allowances.

**Summary:** The Elder California Pipeline Safety Act of 1981 requires the State Fire Marshal to administer provisions regulating the inspection of intrastate pipelines that transport hazardous liquids. The act requires a pipeline operator to make available to the State Fire Marshal, or any officers or employees authorized by the State Fire Marshal, upon presentation of appropriate credentials, any records, maps, or written procedures that are required by the act to be kept by the pipeline operator and which concern accident reporting, design, construction, testing, or operation and maintenance. This bill would revise and recast specified provisions and would authorize the State Fire Marshal, for purposes of carrying out the requirements of state or federal law relating to hazardous liquid pipeline safety, to require the owner or operator of a pipeline to establish and maintain records, make reports, and provide any information that the State Fire Marshal reasonably requires, as provided.

Current law requires a public water system with 10,000 or more service connections to undertake specified actions, including, among other things, to review and revise its disaster preparedness plan to ensure that it is sufficient to address possible disaster scenarios and, following a declared state of emergency, to furnish an assessment of its emergency response within 6 months thereafter and implement related recommendations in a timely manner. Current law also requires the Office of Emergency Services to establish emergency response and recovery plans in coordination with public water systems. This bill would instead impose these requirements upon an urban water supplier, as defined, in statute.

**Summary:** Current law authorizes each county, including a city and county, to enter into an agreement to access the contact information of resident accountholders through the records of a public utility or other agency responsible for water service, waste and recycling services, or other property-related services for the sole purpose of enrolling county residents in a county-operated public emergency warning system. Current law requires any county that enters into such an agreement to include procedures to enable any resident to opt out of the warning system and a process to terminate the receiving agency’s access to the resident’s contact information. Current law prohibits the use of the information gathered for any purpose other than for emergency notification. This bill would expand these provisions to authorize a city to enter into an agreement to access the contact information of resident accountholders through the records of a public utility, as specified.

**Summary:**

Current law prohibits an employer from discharging or in any manner discriminating or retaliating against an employee who is a victim of domestic violence, sexual assault, or stalking for taking time off work to obtain specified relief or because of the employee's status as a victim of domestic violence, sexual assault, or stalking, if the victim provides notice to the employer of the status or the employer has actual knowledge of the status. Current law authorizes an employee to file a complaint with the Division of Labor Standards Enforcement for a violation of these prohibitions within one year from the date of occurrence of the violation. Current law makes it a misdemeanor for an employer to refuse to rehire, promote, or restore an employee who has been determined to be so eligible by a grievance procedure or legal hearing. This bill would expand the scope of these provisions by defining “employer” for purposes of these provisions to mean any person employing another under any appointment or contract of hire and to include the state, political subdivisions of the state, and municipalities.

Summary: Current law, including the Meyers-Milias-Brown Act, the Ralph C. Dills Act, the Trial Court Employment Protection and Governance Act, the Trial Court Interpreter Employment and Labor Relations Act, Judicial Council Employer-Employee Relations Act, and the Los Angeles County Metropolitan Transportation Authority Transit Employer-Employee Relations Act, as well as provisions commonly referred to as the Educational Employment Relations Act and the Higher Education Employer-Employee Relations Act, regulates the labor relations of the state, the courts, and specified local public agencies and their employees. These acts generally require the public entities in this context to grant employee representatives of recognized employee organizations reasonable time off without loss of compensation or benefits for certain purposes in connection with labor relations, commonly referred to as release time. This bill would prescribe requirements relating to release time that would apply to all of the public employers and employees subject to the acts described above and would generally repeal the provisions relating to release time in those acts.

**Employment: victims of sexual harassment: protections.**

**Current Text:** Amended: 5/16/2019  
Introduced: 2/15/2019  
Last Amend: 3/26/2019  
Status: 5/1/2019-Referred to Com. on RLS.  
Location: 4/23/2019-S. RLS.

### Summary:  
Would make nonsubstantive changes to the provisions defining a county peace officer and prescribing the disability allowance for a state miscellaneous member upon industrial disability retirement.
Current law prohibits an employer from discharging or discriminating or retaliating against, an employee who is a victim of domestic violence, sexual assault, or stalking because of the employee's status as a victim, if the employer has notice or knowledge of that status. Current law additionally prohibits an employer with 25 or more employees from discharging, or discriminating or retaliating against, an employee who is a victim, in this regard, who takes time off to obtain specified services or counseling. This bill would extend these employment protections to victims of sexual harassment, as defined. The bill would also extend these employment protections to specified family members, as defined, of the victims for taking time off from work to provide assistance to the victims when seeking relief or obtaining those services and counseling, as specified.

**County employees' retirement: permanent incapacity.**  
**Current Text:** Amended: 3/13/2019  
**Introduced:** 2/15/2019  
**Last Amend:** 3/13/2019  
**Status:** 5/14/2019-In Senate. Read first time. To Com. on RLS. for assignment.  
**Location:** 5/14/2019-S. RLS.

**Summary:** Would require, for purposes of determining permanent incapacity of certain members employed as peace officers in the County of Sacramento, that those members be evaluated by the retirement system to determine if they can perform all of the usual and customary duties of a peace officer, as specified. The bill would apply to members who file applications for disability on or after the effective date of the act, except for cases on appeal at that time. The bill would require the board of retirement to develop a method of tracking the costs of providing permanent disability retirement to the members who become eligible for disability retirement pursuant to the bill's provisions. The bill would repeal these provisions on December 31, 2024.

**Status:** 5/16/2019-Referred to Com. on L., P.E. & R.  
**Location:** 5/16/2019-S. L., P.E. & R.

**Summary:** Current law grants workers’ compensation benefits to a firefighter, or the firefighter's dependents, if the firefighter is injured, dies, or is disabled by proceeding to or engaging in a fire-suppression or rescue operation, or the protection of life or property, anywhere in California, but is not acting under the immediate supervision of the employer. This bill would expand the scope of this provision to apply when a firefighter engages in a fire-suppression or rescue operation, or the protection or preservation of life or property, outside of this state.

Summary: Current law requires, when payment of compensation has been unreasonably delayed or refused, either prior to or subsequent to the issuance of an award, the amount of the payment unreasonably delayed or refused to be increased up to 25% or up to $10,000, whichever is less, except for unreasonable delay in the provision of medical treatment for periods of time necessary to complete the utilization review process. Current law provides that a determination by the appeals board or a final determination of the administrative director pursuant to independent medical review that medical treatment is appropriate is not conclusive evidence that medical treatment was unreasonably delayed or denied for purposes of imposing those penalties. This bill would exclude a final determination of the administrative director pursuant to independent medical review from the latter provision regarding conclusive evidence that medical treatment was unreasonably delayed or denied.

*Summary:* Current law provides for the payment of a scholarship to dependents of specified firefighters killed in the performance of duty. Current law also requires the employer of a firefighter who is killed in the performance of duty, or who dies as a result of specified accidents or injuries, to continue providing health benefits to the deceased firefighter’s spouse unless the spouse elects to receive a lump-sum survivor’s benefit in lieu of monthly benefits. This bill would extend those benefits to a firefighter employed by a tribal fire department.

*Summary:* Current law provides that in the case of active firefighting members of certain fire departments, a compensable injury includes cancer that develops or manifests while the firefighter member is in the service of the public agency and exposed to a known carcinogen, as defined. Current law establishes a presumption that the cancer in these cases arose out of, and in the course of, employment, unless the presumption is controverted by evidence that the primary site of the cancer has been established and that the carcinogen to which the member has demonstrated exposure is not reasonably linked to the disabling cancer. This bill would enact a similar law that would be applicable to other employees of a city, county, city and county, district, or other municipal corporation or political subdivision whose job duties cause them to be regularly exposed to active fires or health hazards directly resulting from firefighting operations.

Would require the State Fire Marshal to employ at least 5 traveling training officers and any necessary equipment to provide weekend and evening training classes year-round, as specified, to volunteer fire departments and those fire departments consisting of a combination of volunteer, partly paid, or fully paid members. The bill would also authorize firefighters to receive 100% reimbursement of actual costs from the State Fire Marshal for attending training classes at a local community college if the State Fire Marshal is unable to provide training classes.

Notes: 3/9/2019—Concern about intent and scope.

Occupational injuries and illnesses: reporting.

Current law requires an employer to immediately report a serious occupational injury, illness, or death to the Division of Occupational Safety and Health by telephone or email, as specified. This bill would remove the requirement that an employer report by email to the division a serious occupational injury, illness, or death and instead require the report to be made by telephone or through an online mechanism established by the division for that purpose.

Notes: 3/9/2019—first responder concerns.

Occupational safety and health.

Current law defines “serious injury or illness” and “serious exposure” for purposes of reporting serious occupational injury or illness to the Division of Occupational Safety and Health and for purposes of establishing the division’s duty to investigate employment accidents and exposures. This bill would recast the definition of “serious injury or illness” by removing the 24-hour minimum time requirement for qualifying hospitalizations, excluding those for medical observation or diagnostic testing, and explicitly including the loss of an eye as a qualifying injury. The bill would delete loss of a body member from the definition of serious injury and would, instead, include amputation.

Notes: 3/9/2019—first responder concerns.

Paid family leave.

Current law defines “serious injury or illness” and “serious exposure” for purposes of reporting serious occupational injury or illness to the Division of Occupational Safety and Health and for purposes of establishing the division’s duty to investigate employment accidents and exposures. This bill would recast the definition of “serious injury or illness” by removing the 24-hour minimum time requirement for qualifying hospitalizations, excluding those for medical observation or diagnostic testing, and explicitly including the loss of an eye as a qualifying injury. The bill would delete loss of a body member from the definition of serious injury and would, instead, include amputation.
Summary: Current law prohibits an employer with 50 or more employees in a 75-mile radius to refuse to grant an employee a request to take up to 12 weeks of unpaid leave for family care and medical leave if the employee worked 1,250 hours in the prior 12 months. Current law includes within “family care and medical leave” the birth, adoption, or foster care placement of a child and the serious health condition of the employee’s child, parent, or spouse. This bill would expand the scope of those provisions to instead prohibit an employer with 5 or more employees to refuse to grant an employee a request to take up to 12 weeks of unpaid leave for family care and medical leave if the employee had 180 days of service with the employer.

(Daly D) Fire insurance: valuation of loss.

**Current Text:** Introduced: 1/10/2019

Status: 5/14/2019-From committee chair, with author’s amendments: Amend, and re-refer to committee. Read second time, amended, and re-referred to Com. on INS.

**Location:** 4/24/2019-S. INS.

**Summary:** Current law provides that the measure of indemnity in fire insurance under an open policy is the expense to replace the thing lost or injured in its condition at the time of the injury, with the expense computed as of the start of the fire. Current law also provides that under an open policy that requires payment of actual cash value, the measure of the actual cash value recovery is the policy limit or the fair market value of the structure, whichever is less, in the case of a total loss to the structure. In the case of a partial loss to the structure or loss to its contents, the actual cash value recovery under existing law is the amount it would cost the insured to repair, rebuild, or replace the thing lost or injured less a fair and reasonable deduction for physical depreciation based upon its condition at the time of the injury or the policy limit, whichever is less. This bill would delete the provisions regarding the actual cash value of the claim of total loss to the structure and would instead require that the actual cash value of the claim, for either a total or partial loss to the structure or its contents, be the amount it would cost the insured to repair, rebuild, or replace the thing lost or injured less a fair and reasonable deduction for physical depreciation based upon its condition at the time of the injury or the policy limit, whichever is less.

### Summary:
The California Emergency Services Act, among other things, vests the Governor with various powers and duties related to that act, including coordinating the State Emergency Plan and those programs necessary for the mitigation of the effects of an emergency in this state. Current law authorizes the Governor to expend any appropriation for support of the California Emergency Services Act to carry out its provisions. This bill, upon appropriation by the Legislature, would authorize the Governor to purchase insurance, reinsurance, insurance linked securities, or other related alternative risk-transfer products for the State of California to help mitigate against costs incurred by the state in response to a natural disaster, including, but not limited to, an earthquake, wildfire, or flood.

### Summary:
Current law defines the measure of indemnity for a loss under an open fire insurance policy and specifies time limits under which an insured must collect the full replacement cost of the loss. In the event of a total loss of an insured structure, existing law prohibits a fire insurance policy issued or delivered in this state from containing a provision that limits or denies payment of the building code upgrade cost or the replacement cost on the basis that the insured has decided to rebuild at a new location or to purchase a built home at a new location. This bill would make technical, nonsubstantive changes to those provisions.

Summary: The Mitigation Fee Act authorizes a local agency to establish, increase, or impose various fees as a condition of approval of a development project, if specified requirements are met. The act defines a “fee” for these purposes to mean a monetary exaction other than a tax or special assessment, as specified, that is charged by a local agency to the applicant in connection with
approval of a development project for the purpose of defraying all or a portion of the cost of public facilities related to the development project, and excludes from that definition certain fees, including, fees for processing applications for governmental regulatory actions or approvals, fees collected under development agreements, or fees collected pursuant to agreements with redevelopment agencies, as provided. This bill would revise the definition of a "fee" for purposes of the Mitigation Fee Act by eliminating the exclusion of fees collected pursuant to agreements with redevelopment agencies.

**Property taxation: exemption: low-value properties.**

**Current Text:** Amended: 4/1/2019 [html](#) [pdf](#)

**Introduced:** 2/14/2019

**Last Amend:** 4/1/2019

**Status:** 5/16/2019-Referred to Com. on GOV. & F.

**Location:** 5/16/2019-S. GOV. & F.

**Summary:** The California Constitution authorizes the Legislature, with the approval of 2/3 of the membership of each legislative house, to allow a county board of supervisors to exempt from property taxation those properties having a full value too low to justify the costs of assessment and collection. Current property tax law implementing this authority generally limits any exemption granted under this constitutional provision by a county board of supervisors to real property with a total base year value, or personal property with a full value, not exceeding $10,000. Current property tax law increases this limit to $50,000 in the case of a possessory interest, for a temporary and transitory use, in a publicly owned fairground, fairground facility, convention facility, or cultural facility. This bill, for lien dates occurring on or after January 1, 2020, and before January 1, 2025, would delete this requirement that the possessory interest be for a temporary and transitory use of a publicly owned fairground, fairground facility, convention facility, or cultural facility, thereby allowing the exemption from taxation under these provisions of any possessory interest valued at $50,000 or less.

**Summary:** This bill would require the Strategic Growth Council, until July 31, 2025, to establish and administer a local agency formation commissions grant program for the payment of costs associated with initiating and completing the dissolution of districts listed as inactive, the payment of costs associated with a study of the services provided within a county by a public agency to a disadvantaged community, as defined, and for other specified purposes, including the initiation of an action, as defined, that is limited to service providers serving a disadvantaged community and is based on determinations found in the study, as approved by the commission. The bill would specify application submission, reimbursement, and reporting requirements for a local agency formation commission to receive grants pursuant to the bill. The bill would require the council, after consulting with the California Association of Local Agency Formation Commissions, to develop and adopt guidelines, timelines, and application and reporting criteria for development and implementation of the program, as specified, and would exempt these guidelines, timelines, and criteria from the rulemaking provisions of the Administrative Procedure Act. The bill would make the grant program subject to an appropriation for the program in the annual Budget Act, and would repeal these provisions on January 1, 2026. Current law authorizes the public financing authority to issue bonds for these purposes upon approval by 55% of the voters voting on a proposal to issue the bonds. Current law requires the proposal submitted to the voters by the public financing authority and the resolution for the issuance of bonds following approval by the voters to include specified information regarding the bond issuance. This bill would instead authorize the public financing authority to issue bonds for these purposes without submitting a proposal to the voters.

Summary: Current law contains administrative provisions generally applicable to a new or extended voluntary tax contribution. Current law provides for various voluntary contribution funds to be listed on the personal income tax return, including the California Firefighters’ Memorial Fund and the California Peace Officer Memorial Foundation Fund, which are both repealed on January 1, 2021, except as otherwise provided. This bill would remove the repeal dates for the California Firefighters’ Memorial Fund and the California Peace Officer Memorial Foundation Fund, thereby allowing those voluntary contribution funds to be listed on the personal income tax return indefinitely.

Summary: The Fire Protection District Law of 1987 provides that whenever a district board determines that it is in the public interest to provide different services, to provide different levels of service, or to raise additional revenues within specific areas of the district, it may form one or more service zones by adopting a resolution that includes specified information, fixing the date, time, and place for public hearing on the formation of the zone, publishing notice, as specified, hearing and considering any protests to the formation of the zone at the hearing, and, at the conclusion of the hearing, adopting a resolution ordering the formation of the zone. If a resolution adopted after the public hearing would substantially expand the provision of services outside of an existing service zone and the extension of service would result in those persons in the expanded area paying charges for the expansion of services, this bill would provide that the resolution does not become effective unless approved by a majority of the voters within the expanded service area.

- **Location:** 4/25/2019-A. APPR.  
- **Summary:** Current law dissolved redevelopment agencies as of February 1, 2012, and designates successor agencies to act as successor entities to the dissolved redevelopment agencies. This bill, the Community Redevelopment Law of 2019, would authorize a city or county, or two or more cities acting jointly, to propose the formation of an affordable housing and infrastructure agency by adoption of a resolution of intention that meets specified requirements, including that the resolution of intention include a passthrough provision and an override passthrough provision, as defined.

- **Location:** 5/16/2019-A. APPR. SUSPENSE FILE  
- **Summary:** Current law requires any successor agency that has been issued a finding of completion to use bond proceeds derived from bonds issued on or after January 1, 2011, in excess of the amounts needed to satisfy approved enforceable obligations, in a manner consistent with the original bond covenants, subject to certain requirements, including a requirement that no more than 5% of the proceeds derived from the bonds be expended, unless the successor agency has an approved Last and Final Recognized Obligation Payment Schedule, in which case the agency is authorized to expend no more than 20% of the proceeds derived from the bonds, subject to specified adjustments. Current law requires remaining bond proceeds that cannot be spent pursuant to those requirements to be used at the earliest possible date to defease the bonds or to purchase those same outstanding bonds on the open market for cancellation. This bill, notwithstanding the requirement that the remaining bond proceeds be used to defease the bonds or to purchase those same outstanding bonds on the open market for cancellation, would authorize the City of Santa Cruz to use the remaining bond proceeds for the purposes of increasing, improving, and preserving affordable housing, as defined, and facilities for homeless persons, so long as those proceeds are used in a manner consistent with any original bond covenant.

**Summary:** Current law authorizes the Public Utilities Commission, in a proceeding on an application by an electrical corporation to recover costs and expenses arising from a catastrophic wildfire occurring on or after January 1, 2019, to allow cost recovery if the costs and expenses are just and reasonable, after consideration of the conduct of the utility. In evaluating the reasonableness of the costs and expenses, the commission is required to consider the conduct of the electrical corporation and relevant information submitted into the commission record, including in 12 specified areas. Notwithstanding the commission’s determination of whether the costs and expenses are just and reasonable as described above, when determining recovery by an electrical corporation for costs and expenses arising from a catastrophic wildfire occurring on or after January 1, 2019, this bill would authorize the commission to consider the electrical corporation’s financial status and determine the maximum amount the corporation can pay without harming ratepayers or materially impacting the electrical corporation’s ability to provide adequate and safe service.

AB 235 (Mayes) CA Wildfire Catastrophe Fund Fact Sheet
Summary: Would establish the Climate Change Catastrophe Compensation Fund, the purpose of which will be to ensure that victims of wildfires caused by climate change are compensated in a timely manner, to provide reimbursements to insurers for a portion of those wildfire losses, and to avoid lengthy legal proceedings. The bill would specify that the funding sources for the fund include the Greenhouse Gas Reduction Fund and the State Budget process. The bill would authorize an insurer, an insured who becomes underinsured due to construction demand surge, and a local government to seek reimbursement from the fund.

**AB 1363 (Stone, Mark D)** Electrical corporations: financing wildfire expenses: executive compensation.

Current Text: Amended: 5/1/2019  [html](#)  [pdf](#)

Introduced: 2/22/2019

Last Amend: 5/1/2019

Location: 5/15/2019-A. APPR. SUSPENSE FILE

Summary: Would condition electrical corporation recovery from its ratepayers of the costs incurred due to the liability of the electrical corporation for damages to third parties from a wildfire or any other safety-related failure, if those costs are not determined by the commission to be just and reasonable, on the negotiation of an executive compensation structure that meets prescribed principles. The bill would require the Governor to appoint a special master for executive compensation to engage in this negotiation with the electrical corporation and its executive officers.
