Re: FIRE Legislative Report – Week Ending 02/26/2021

Legislative Update

The following bills were among the several hundred measures introduced on the filing deadline:

Assembly Bill 1217 (Rodriguez) would require the state to establish a stockpile of personal protective equipment (PPE) for distribution in case of disease or natural disaster to local government.

Assembly Bill 1229 (Rodriguez) would require the establishment of an Ambulance Patient Offload Delays Task Force as an advisory body to Cal EMSA to address the challenges encountered by local emergency services in achieving established ambulance patient offload time interval standards.

Assembly Bill 1249 (Gallagher) would provide an exclusion from gross income for any qualified taxpayer for amounts received from settlements for losses associated with specified fires.

Assembly Bill 1255 (Bloom) would require CAL FIRE to facilitate regional habitat-specific approaches to fire risk reduction, prevention, and restoration to improve community safety and reduce catastrophic wildfires.

Assembly Bill 1325 (Burke) would require the CPUC to develop and implement a Clean Community Microgrid Incentive Program to support microgrids that support the critical needs of vulnerable communities that utilize distributed energy resources for the generation of electricity.

Assembly Bill 1403 (Levine) would define deenergization as a planned public safety power shutoff and add it to the conditions constituting a state of emergency or local emergency.
**Assembly Bill 1441 (Cervantes)** would declare the intent of the Legislature to enact legislation integrating the needs of the access and functional needs population into emergency plans.

**Assembly 1454 (Bloom)** is a prescribed burn spot bill.

**Assembly Bill 1459 (Patterson)** would declare the intent of the Legislature to enact legislation to provide funding for grants to homeowners in very high fire severity zones for home hardening and defensible space clearance efforts.

**Assembly Bill 1480 (Lackey)** is a Cal OES spot bill.

**Assembly Bill 1488 (Cervantes)** is an intent bill to ensure that counties have up-to-date plans for emergency functions to effectively manage disaster response operations.

**Assembly Bill 1497 (Frazier)** would increase the penalties for violation of the State Fireworks Law.

**Assembly Bill 1500 (E. Garcia)** would place on the Ballot a $6.7 billion bond measure to promote safe drinking water, wildfire prevention, drought preparation, flood protection, extreme heat mitigation and workforce development.

**Assembly Bill 1512 (Bauer-Kahan)** is a prescribed burn spot bill.

**Assembly Bill 1522 (Levine)** would prohibit an insurer from canceling or refusing to renew a policy of residential property or commercial insurance solely on the basis that the insured is located in a high-risk wildfire area.

**ACR 33 (Friedman)** would state the intent of the Legislature to improve wildfire outcomes by investing in science-based wildfire mitigation strategies that will benefit the State’s forests and communities.

**Senate Bill 618 (Borgeas)** is designed to support the local assistance grant program for fire prevention activities that reduce the risk of wildfires.

**Senate Bill 687 (Hueso)** would define a trauma kit to mean a first aid response kit and require the supplier to provide information on the use, installation, operation, training, and maintenance of the kit.

**Senate Bill 765 (Stern)** would authorize an accessory dwelling unit applicant to submit a request to the local agency for an alternative rear and side yard setback if the setback requirements make the building of the accessory dwelling unit infeasible.

**Senate Bill 804 (Glazer)** would require the California Conservation Corps, in conjunction with CALFIRE and the Department of Corrections to establish a program in the forestry corps program to
enroll formerly incarcerated people and provide that those successfully completing the program would be eligible for entry-level positions at CAL FIRE.

**AB 115**  
(Bloom D) Planning and zoning: commercial zoning: housing development.  
*Current Text:* Introduced: 12/18/2020  
*Introduced:* 12/18/2020  
*Status:* 1/11/2021-Read first time. Referred to Coms. on H. & C.D. and L. GOV.  
*Location:* 1/11/2021-A. H. & C.D.  
*Summary:* Would, notwithstanding any inconsistent provision of a city’s or county’s general plan, specific plan, zoning ordinance, or regulation, would require that a housing development be an authorized use on a site designated in any local agency’s zoning code or maps for commercial uses if certain conditions apply. Among these conditions, the bill would require that the housing development be subject to a recorded deed restriction requiring that at least 20% of the units have an affordable housing cost or affordable rent for lower income households, as those terms are defined, and located on a site that satisfies specified criteria.

*Status:* 1/28/2021-Referred to Com. on H. & C.D.  
*Location:* 1/28/2021-A. H. & C.D.  
*Summary:* Would require the California Tax Credit Allocation Committee, the Department of Housing and Community Development, the California Housing Finance Agency, and the California Debt Limit Allocation Committee to conduct an affordable housing cost study that measures the factors that influence the cost of building affordable housing, breaks down total development costs for affordable housing, and enables the state to maximize resources allocated for affordable housing.

(Quirk-Silva D) Accessory dwelling units: separate conveyance.  
*Current Text:* Introduced: 1/28/2021  
*Introduced:* 1/28/2021  
*Status:* 2/12/2021-Referral to Coms. on H. & C.D. and L. GOV.  
*Location:* 2/12/2021-A. H. & C.D.  
*Summary:* The Planning and Zoning Law authorizes a local agency to provide, by ordinance, for the creation of accessory dwelling units in single-family and multifamily residential zones and requires a local agency that has not adopted an ordinance to ministerially approve an application for an accessory dwelling unit, and sets forth required ordinance standards, including that the ordinance prohibit the sale or conveyance of the accessory dwelling unit separately from the primary residence. Current law, notwithstanding the prohibition described above, authorizes a local agency to, by ordinance, allow an accessory dwelling unit to be sold or conveyed separately from the primary residence to a qualified buyer if certain conditions are met. This bill would require each local agency to, by ordinance, allow an accessory dwelling unit to be sold or conveyed separately from the primary residence to a qualified buyer if certain conditions are met. The bill would revise the requirements that the property be held pursuant to a recorded tenancy in common agreement and that the agreement allocate to each qualified buyer an undivided, unequal interest in the property. The bill would instead require the property be held pursuant to a recorded contract that includes specified provisions.

**Summary:** Current law establishes, among various other programs intended to address homelessness in this state, the Homeless Housing, Assistance, and Prevention program for the purpose of providing jurisdictions with one-time grant funds to support regional coordination and expand or develop local capacity to address their immediate homelessness challenges informed by a best-practices framework focused on moving homeless individuals and families into permanent housing and supporting the efforts of those individuals and families to maintain their permanent housing. This bill would declare the intent of the Legislature to subsequently amend this measure to include provisions that would improve the conditions of shelters by requiring, among other things, that recipients of certain shelter funding grants comply with health and safety regulations to be eligible for funding.

**Summary:** Current law provides for the creation by local ordinance, or by ministerial approval if a local agency has not adopted an ordinance, of accessory dwelling units in areas zoned to allow single-family or multifamily dwelling residential use in accordance with specified standards and conditions. This bill would require the Treasurer, within 6 months of the effective date of these provisions, to develop the Help Homeowners Add New Housing Program with the purpose of assisting homeowners, as defined, in qualifying for loans to construct additional housing units on their property, including accessory dwelling units and junior accessory dwelling units. The bill would, with regard to the development of the program, require the Treasurer to consult with the California Housing Financing Agency and the Department of Housing and Community Development and would authorize the Treasurer to consult with private lenders.

Summary: The Density Bonus Law requires a city or county to provide a developer that proposes a housing development in the city or county with a density bonus and other incentives or concessions for the production of lower income housing units, or for the donation of land within the development, if the developer agrees to, among other things, construct a specified percentage of units for very low income, low-income, or moderate-income households or qualifying residents, including lower income students. Current law requires the amount of a density bonus and the number of incentives or concessions a qualifying developer receives to be pursuant to a certain formula based on the total number of units in the housing development, as specified. This bill would prohibit affordable housing impact fees, including inclusionary zoning fees, in-lieu fees, and public benefit fees, from being imposed on a housing development’s affordable units or bonus units.

Summary: Current law, the Mitigation Fee Act, imposes various requirements with respect to the establishment, increase, or imposition of a fee by a local agency as a condition of approval of a development project, including requiring a local agency, in any action establishing, increasing, or imposing such a fee, to determine how there is a reasonable relationship between the fee’s use and the type of development on which the fee is imposed. Summary: Would require a city or county with a population of more than 400,000 people to permit the building of cohousing buildings, as defined, in any zone where multifamily residential buildings are permitted. The bill would require that cohousing buildings be permitted on the same basis as multifamily dwelling units. The bill would set minimum standards for the construction of cohousing buildings, including floor-space ratios and setback requirements. The bill would require that specified percentages of cohousing buildings be set aside for affordable housing, as specified.

Current Text: Introduced: 2/16/2021 [html](#) [pdf](#)

Introduced: 2/16/2021

Status: 2/25/2021-Referred to Com. on L. GOV.

Location: 2/25/2021-A. L. GOV.

Summary: The Local Agency Public Construction Act regulates contracting by local agencies, including counties and special districts. The act, for a county, imposes a $5,000 cap when the total amount of the original contract does not exceed $50,000. For any original contract that exceeds $50,000, but does not exceed $250,000, the cap is 10% of the amount of the original contract. For contracts whose original cost exceeds $250,000, the cap is $25,000 plus 5% of the amount of the original contract cost in excess of $250,000, and prohibits a change or alteration cost from exceeding $210,000. This bill would require that the existing caps be adjusted annually to reflect the percentage change in the
California Consumer Price Index. The bill would modify the cap applicable to contracts exceeding $250,000 to apply only to contracts exceeding that amount but not exceeding $25,000,000. The bill would add a new change order cap of $500,000 for contracts whose original cost exceeds $25,000,000 and of $1,000,000 for contracts whose original cost exceeds $50,000,000, both of which would be adjusted annually to reflect the percentage change in the California Consumer Price Index.

Summary: Current law deems a building, portion of a building, or premises on which a building is located to be a substandard building if any one of specified conditions exists to the extent that it endangers the life, limb, health, property, safety, or welfare of the public or its occupants. Existing law deems a building, portion of a building, or premises on which a building is located to be in violation of the State Housing Law if it contains lead hazards, as specified, that are likely to endanger the health of the public or the occupants. This bill would, beginning July 1, 2021, require a city or county that receives a complaint of a substandard building or a lead hazard violation, as described above, from a tenant, resident, or occupant, or an agent of a tenant, resident, or occupant, except as specified, to inspect the building, portion of the building intended for human occupancy, or premises of the building, document the lead hazard violations that would be discovered based upon a reasonably competent and diligent visual inspection of the property and identify any building, portion of a building intended for human occupancy, or premises on which such a building is located that is determined to be substandard, as applicable.

Summary: Would prohibit a city or county legislative body from adopting or enforcing an ordinance requiring a public hearing as a condition of adding one bedroom to an existing single-family residential structure. The bill would include findings that ensuring adequate housing is a matter of statewide concern and is not a municipal affair, and that the provision applies to all cities, including charter cities.

Summary: Current law, the Planning and Zoning Law, establishes in each city and in each county a planning agency with the powers necessary to carry out the purposes of the law. Current law authorizes the legislative body of each city and county to assign the functions of the planning agency to a planning department, one or more planning commissions, administrative bodies or hearing officers, the legislative body itself, or any combination thereof, as it deems appropriate and necessary. This bill would make a nonsubstantive change to those provisions.

Location: 2/18/2021-A. PRINT

Summary: Current law requires a city, county, or special district that has an internet website to make specified information available on its internet website, as applicable, including a current schedule of fees, exactions, affordability requirements it has imposed that are applicable to a proposed housing development project, and an archive of impact fee nexus studies, cost of service studies, or equivalent, conducted by that city, county, or special district on or after January 1, 2018. Current law requires a city, county, or special district to update this information within 30 days of any changes. This bill would make a nonsubstantive change to these provisions.

AB 1135  (Grayson  D)  Accessory dwelling units.

Summary: Current law provides for the creation by local ordinance, or by ministerial approval if a local agency has not adopted an ordinance, of accessory dwelling units to allow single-family or multifamily dwelling residential use in accordance with specified standards and conditions. Current law, with certain exceptions, prohibits a local agency from using or imposing any additional standards, including, until January 1, 2025, owner-occupant requirements. This bill would make nonsubstantive changes to the latter provisions.

AB 1295  (Muratsuchi  D)  Residential development agreements: very high fire risk areas.

Introduced: 2/19/2021
Status: 2/22/2021-Read first time.
Location: 2/19/2021-A. PRINT

Summary: Current law requires the Director of Forestry and Fire Protection to identify areas in the state as very high fire hazard severity zones based on the severity of fire hazard that is expected to prevail in those areas, as specified, and requires each local agency to designate, by ordinance, the
very high fire hazard severity zones in its jurisdiction. Current law additionally requires the director to classify lands within state responsibility areas into fire hazard severity zones. This bill, beginning on or after January 1, 2022, would prohibit the legislative body of a city or county from entering into a residential development agreement for property located in a very high fire risk area. The bill would define "very high fire risk area" for these purposes to mean a very high fire hazard severity zone designated by a local agency or a fire hazard severity zone classified by the director.

**Summary:** The Planning and Zoning Law requires each county and city to adopt a comprehensive, long-term general plan for its physical development, and the development of certain lands outside its boundaries, that includes, among other mandatory elements, a housing element. This bill, the Neighborhood Homes Act, would deem a housing development project, as defined, an allowable use on a neighborhood lot, which is defined as a parcel within an office or retail commercial zone that is not adjacent to an industrial use. The bill would require the density for a housing development under these provisions to meet or exceed the density deemed appropriate to accommodate housing for lower income households according to the type of local jurisdiction, including a density of at least 20 units per acre for a suburban jurisdiction.

**Summary:** Would require a proposed housing development containing 2 residential units within a single-family residential zone to be considered ministerially, without discretionary review or hearing, if the proposed housing development meets certain requirements, including, but not limited to, that the proposed housing development would not require demolition or alteration of housing that is subject to a recorded covenant, ordinance, or law that restricts rents to levels affordable to persons and families of moderate, low, or very low income, that the proposed housing development does not allow for the demolition of more than 25% of the existing exterior structural walls, except as provided, and that the development is not located within a historic district, is not included on the State Historic Resources Inventory, or is not within a site that is legally designated or listed as a city or county landmark or historic property or district.

**SB 10**  (Wiener D)  Planning and zoning: housing development: density.

*Current Text:*  Amended: 2/24/2021  [html](#)  [pdf](#)

*Introduced:* 12/7/2020

**Last Amend:**  2/24/2021

**Status:** 2/24/2021-Set for hearing March 18. From committee with author's amendments. Read second time and amended. Re-referred to Com. on HOUSING.
Summary: Would, notwithstanding any local restrictions on adopting zoning ordinances, authorize a local government to pass an ordinance to zone any parcel for up to 10 units of residential density per parcel, at a height specified in the ordinance, if the parcel is located in a transit-rich area, a jobs-rich area, or an urban infill site, as those terms are defined. In this regard, the bill would require the Department of Housing and Community Development, in consultation with the Office of Planning and Research, to determine jobs-rich areas and publish a map of those areas every 5 years, commencing January 1, 2023, based on specified criteria. The bill would specify that an ordinance adopted under these provisions, and any resolution adopted to amend the jurisdiction’s General Plan to be consistent with that ordinance, is not a project for purposes of the California Environmental Quality Act.

SB 12  
(McGuire D) Local government: planning and zoning: wildfires.
Current Text: Introduced: 12/7/2020 html pdf
Introduced: 12/7/2020
Status: 1/28/2021-Referral to Coms. on GOV. & F., HOUSING, and N.R. & W. Referral to Com. on N.R. & W. rescinded because of the limitations placed on committee hearings due to ongoing health and safety risks of the COVID-19 virus.
Location: 1/28/2021-S. GOV. & F.
Summary: Current law requires that the Office of Planning and Research, among other things, coordinate with appropriate entities, including state, regional, or local agencies, to establish a clearinghouse for climate adaptation information for use by state, regional, and local entities, as provided. This bill would require the safety element, upon the next revision of the housing element or the hazard mitigation plan, on or after July 1, 2024, whichever occurs first, to be reviewed and updated as necessary to include a comprehensive retrofit strategy to reduce the risk of property loss and damage during wildfires, as specified, and would require the planning agency to submit the adopted strategy to the Office of Planning and Research for inclusion into the above-described clearinghouse.

SB 478  
(Wiener D) Planning and Zoning Law: housing development projects.
Current Text: Introduced: 2/17/2021 html pdf
Introduced: 2/17/2021
Status: 2/25/2021-Referral to Coms. on GOV. & F. and HOUSING.
Location: 2/25/2021-S. GOV. & F.
Summary: The Planning and Zoning Law requires a city or county to adopt a general plan for land use
development within its boundaries that includes, among other things, a housing element. The law also requires the Department of Housing and Community Development to notify the city, county, or city and county, and authorizes the department to notify the Attorney General, that the city, county, or city and county is in violation of state law if the department finds that the housing element or an amendment to that element, or any specified action or failure to act, does not substantially comply with the law as it pertains to housing elements or that any local government has taken an action in violation of certain housing laws. This bill would prohibit a local agency, as defined, from imposing specified standards, including a minimum lot size that exceeds an unspecified number of square feet on parcels zoned for at least 2, but not more than 4, units or a minimum lot size that exceeds an unspecified number of square feet on parcels zoned for at least 5, but not more than 10, units.

**Location:** 2/19/2021-S. RLS.

**Summary:** The Planning and Zoning Law, among other things, provides for the creation of accessory dwelling units by local ordinance, or, if a local agency has not adopted an ordinance, by ministerial approval, in accordance with specified standards and conditions. Current law prohibits a local agency’s accessory dwelling unit ordinance from imposing a setback requirement of more than 4 feet from the side and rear lot lines for an accessory dwelling unit that is not converted from an existing structure or a new structure constructed in the same location and to the same dimensions as an existing structure. This bill would remove the above-described prohibition on a local agency’s accessory dwelling unit ordinance, and would instead provide that the rear and side yard setback requirements for accessory dwelling units may be set by the local agency. The bill would authorize an accessory dwelling unit applicant to submit a request to the local agency for an alternative rear and side yard setback requirement if the local agency’s setback requirements make the building of the accessory dwelling unit infeasible.

**Summary:** The California Disaster Assistance Act requires the Director of Emergency Services to provide financial assistance to local agencies for their personnel costs, equipment costs, and the cost of supplies and materials used during disaster response activities, incurred as a result of a state of emergency proclaimed by the Governor, subject to specified criteria. Under the act, the state share for eligible project costs is generally 75% of total eligible costs, and for specified incidents, the state share is up to 100% of total eligible costs. The act continuously appropriates moneys in the Disaster Assistance Fund and its subsidiary account, the Earthquake Emergency Investigations Account, without regard to fiscal year, for purposes of the act. This bill would allow for a state share of up to 100% of total eligible costs related to the Creek Fire that started on September 4, 2020, in the Counties of Fresno and Madera.

**Summary:** The Emergency Medical Services System and the Prehospital Emergency Medical Care Personnel Act, among other things, authorizes a county to develop an emergency medical services program, and requires a county developing such a program to designate a local EMS agency that is
required to be the county health department, an agency established and operated by the county, an
entity with which the county contracts for the purposes of local emergency medical services
administration, or a particular type of joint powers agency. The act requires a local EMS agency to be
responsible for the implementation of advanced life support systems and limited advanced life support
systems and for the monitoring of training programs. This bill would make technical, nonsubstantive
changes to this requirement.

**Summary:** The California Global Warming Solutions Act of 2006 authorizes the State Air Resources Board to include in its regulation of emissions of greenhouse gases the use of market-based compliance mechanisms. Current law requires all moneys, except for fines and penalties, collected by the state board from a market-based compliance mechanism to be deposited in the Greenhouse Gas Reduction Fund (fund) and to be available upon appropriation by the Legislature. Current law continuously appropriates 35% of the annual proceeds of the fund for transit, affordable housing, and sustainable communities programs and 25% of the annual proceeds of the fund for certain
components of a specified high-speed rail project. This bill would require the state board, in each
scoping plan update prepared by the state board after January 1, 2022, to include, consistent with the
act, recommendations for achieving the maximum technologically feasible and cost-effective reductions
of emissions of greenhouse gases and black carbon from wildfires.

(Glazer D) **Animals: emergency response: California Veterinary Emergency Team program.**

**Current Text:**
- Introduced: 2/18/2021

**Introduced:** 2/18/2021

**Status:** 2/22/2021-Art. IV. Sec. 8(a) of the Constitution dispensed with. (Ayes 32. Noes 4.) Joint Rule 55 suspended. (Ayes 32. Noes 4.)

**Location:** 2/18/2021-S. RLS.

**Summary:**
Would require the University of California, Davis, School of Veterinary Medicine to develop a...
program called the California Veterinary Emergency Team, and would require the program to assist in the coordination and training of a network of government agencies, nongovernmental organizations, and individuals to assist in the evacuation and care of household and domestic animals and livestock in emergencies. The bill would also require the program to conduct or support research on best practices for the evacuation and care of the animals in disasters.

**Introduced:** 2/19/2021

**Status:** 2/22/2021-From printer. May be acted upon on or after March 24. Read first time. Art. IV. Sec. 8(a) of the Constitution dispensed with. (Ayes 32. Noes 4.) Joint Rule 55 suspended. (Ayes 32. Noes 4.)

**Location:** 2/19/2021-S. RLS.

**Summary:** Current law exempts from civil liability any person who, in good faith and not for compensation, renders emergency medical or nonmedical care or assistance at the scene of an emergency other than an act or omission constituting gross negligence or willful or wanton misconduct. Current law exempts public or private organizations that sponsor, authorize, support, finance, or supervise the training of people, or certifies those people in emergency medical services, from liability for civil damages alleged to result from those training programs. This bill would define “trauma kit” to mean a first aid response kit that contains specified items, including, among other things, at least 2 tourniquets. The bill would require a person or entity that supplies a trauma kit to provide the person or entity that acquires the trauma kit with all information governing the use, installation, operation, training, and maintenance of the trauma kit.

**Status:** 1/11/2021-Referral to Com. on L. & E.

**Location:** 1/11/2021-A. L. & E.

**Summary:** Would require an emergency ambulance provider to establish a voluntary personal protective equipment (PPE) program that allows for the purchase of subsidized multi-threat body protective gear that is bullet, strike, slash, and stab resistant by an emergency ambulance employee pursuant to an employer-funded stipend, and authorize an employee to voluntarily participate in a PPE program and to wear the PPE while on duty. The bill would require a provider to inform an employee of the opportunity to purchase subsidized multi-threat body protective gear through a PPE program.

**Summary:** Would, until January 1, 2026, enact the Community Response Initiative to Strengthen
Emergency Systems Act or the C.R.I.S.E.S. Act for the purpose of creating, implementing, and evaluating the 3-year C.R.I.S.E.S. Grant Pilot Program, which the act would establish. The bill would require the office to establish rules and regulations for the program with the goal of making grants to community organizations, over 3 years, for the purpose of expanding the participation of community organizations in emergency response for specified vulnerable populations. The bill would require that grantees receive a minimum award of $250,000 per year. The bill would require a community organization receiving funds pursuant to the program to use the grant to stimulate and support involvement in emergency response activities that do not require a law enforcement officer, as specified. The bill would require the Director of Emergency Services (director) to assemble staff and resources to carry out certain duties in support of the program.

**Summary:** Would create the Core Behavioral Health Crisis Services System, using the digits “988” for the 988 Suicide Prevention and Behavioral Health Crisis Hotline, in compliance with existing federal law and standards governing the National Suicide Prevention Lifeline. The bill would require the department, as defined, to take specified actions to implement the hotline system. The bill would require the department to charge a fee on each resident of the state that is a subscriber of commercial mobile or IP-enabled voice services to pay for the costs of the program. The bill would create the 988 Fund, a new continuously appropriated fund, and would require the fees to be deposited along with other specified moneys into the 988 Fund.

**Summary:** Current law requires Office of Emergency Services to establish a standardized emergency management system for use by all emergency response agencies. Current law requires the director to appoint representatives of the disabled community to serve on pertinent committees related to that system, and to ensure that the needs of the disabled community are met within that system by ensuring certain committee recommendations include the needs of people with disabilities. Current law requires those representatives to be from groups of persons who are blind or visually impaired, persons with sensory or cognitive disabilities, and persons with physical disabilities. This bill instead would require the director to appoint representatives of the access and functional needs population to serve on those committees and to ensure the needs of that population are met within that system.
The bill would require those representatives to include persons not within the above-described groups of people with disabilities but who are part of the access and functional needs population.

**Summary:** The Lanterman-Petris-Short Act provides for the involuntary commitment and treatment of persons with specified mental disorders for the protection of the persons committed. Under the act, when a person, as a result of a mental health disorder, is a danger to others, or to themselves, or gravely disabled, the person may, upon probable cause, be taken into custody and placed in a facility designated by the county and approved by the State Department of Health Care Services for up to 72 hours for evaluation and treatment. This bill would state the intent of the Legislature to enact legislation on those provisions and ambulance transportation services.

**Summary:** Current law requires the Emergency Medical Services Authority to develop and implement guidelines that address designated components for emergency medical services systems. Current law allows the authority to establish guidelines for hospital facilities according to critical care capabilities in cooperation with affected medical organizations. This bill would make a technical, nonsubstantive change to this provision.

Location: 2/25/2021-A. HEALTH

**Summary:** The Medi-Cal Emergency Medical Transportation Reimbursement Act, imposes a quality assurance fee for each emergency medical transport provided by an emergency medical transport provider subject to the fee in accordance with a prescribed methodology. Current law exempts an eligible provider from the quality assurance fee and add-on increase for the duration of any Medi-Cal managed care rating during which the program is implemented. Existing law requires each applicable Medi-Cal managed care health plan to satisfy a specified obligation for emergency medical transports and to provide payment to noncontract emergency medical transport providers, and provides that this provision does not apply to an eligible provider who provides noncontract emergency medical transports to an enrollee of a Medi-Cal managed care plan during any Medi-Cal managed care rating period that the program is implemented. The bill would provide that during the entirety of any Medi-Cal managed care rating period for which the program is implemented an eligible provider shall not be an emergency medical transport provider, as defined, who is subject to a quality assurance fee or eligible for the add-on increase, and would provide that the program’s provisions do not affect the application of the specified add-on to any payment to a nonpublic emergency medical transport provider.

Summary: Current law imposes a penalty of $4 until July 1, 2021, upon every conviction for a violation of the Vehicle Code or a local ordinance adopted pursuant to the Vehicle Code, other than a parking offense. The act requires the county or court that imposed the fine to transfer the revenues collected to the Treasurer for deposit into the Emergency Medical Air Transportation and Children's Coverage Fund. Current law requires the assessed penalty to continue to be collected, administered, and distributed until exhausted or until December 31, 2022, whichever occurs first. This bill would make a technical, nonsubstantive change to those provisions.

Because a willful violation of the bill’s requirements relative to a health care service plan would be a crime, the bill would impose a state-mandated local program.

Summary: The California Emergency Services Act, authorizes the Governor to proclaim a state of emergency, and local officials and local governments to proclaim a local emergency, when specified conditions of disaster or extreme peril to the safety of persons and property exist, and authorizes the
Governor or the appropriate local government to exercise certain powers in response to that emergency. Existing law defines the terms "state of emergency" and "local emergency" to mean a duly proclaimed existence of conditions of disaster or of extreme peril to the safety of persons and property within the state caused by, among other things, fire, storm, or riot. This bill would additionally include a deenergization, defined as a planned public safety power shutoff, as specified, within those conditions constituting a state of emergency and a local emergency.

**Status:** 1/11/2021-Read first time. Referred to Com. on INS.

**Location:** 1/11/2021-A. INS.

Summary: Current law establishes, within the Unemployment Compensation Disability Fund program, a family temporary disability insurance program, also known as the paid family leave program, for the provision of wage replacement benefits for up to 8 weeks to workers who take time off work to care
for a seriously ill family member or to bond with a minor child within one year of birth or placement, as specified. Current law defines “weekly benefit amount” for purposes of both employee contributions and benefits under this program to mean the amount of weekly benefits available to qualifying disabled individuals pursuant to unemployment compensation disability law, calculated pursuant to specified formulas partly based on the applicable percentage of the wages paid to an individual for employment by employers during the quarter of the individual’s disability base period in which these wages were highest, but not to exceed the maximum workers’ compensation temporary disability indemnity weekly benefit amount established by the Department of Industrial Relations. This bill would revise the formula for determining benefits available pursuant to the family temporary disability insurance program, for periods of disability commencing after January 1, 2022, by redefining the weekly benefit amount to be equal to 90% of the wages paid to an individual for employment by employers during the quarter of the individual’s disability base period in which these wages were highest, divided by 13, but not exceeding the maximum workers’ compensation temporary disability indemnity weekly benefit amount established by the Department of Industrial Relations.

Summary: Current law establishes a workers’ compensation system, administered by the Administrative Director of the Division of Workers’ Compensation, to compensate an employee for injuries sustained in the course of the employee’s employment. This bill would define “injury,” for certain employees of a city, county, city and county, district, or other municipal corporation or political subdivision regularly exposed to active fires or health hazards directly resulting from firefighting operations, to include cancer that develops or manifests during a period in which the individual demonstrates that they were exposed to a known carcinogen while in the employment of the city, county, city and county, district, or other municipal corporation or political subdivision. The bill would establish a presumption that the cancer in those cases arose out of, and in the course of, employment, unless the presumption is controverted by evidence that the primary site of the cancer has been established and that the carcinogen to which the person has demonstrated exposure is not reasonably linked to the disabling cancer.

Summary: Current law authorizes the county health officer and the local Emergency Medical Services (EMS) agency administrator in each operational area to act jointly as the medical health operational area coordinator (MHOAC) or to jointly appoint another person to fulfill those responsibilities. This bill would require, during a health-related state of emergency in California proclaimed by the President of the United States or by the Governor, the MHOAC to report specified information relating to the distribution of personal protective equipment, as defined, to the Office of Emergency Services on a weekly basis. The bill would require, at all other times, the MHOAC to report that information on a monthly basis. Summary: Current law prescribes various requirements for the organization and administration of public retirement systems, which typically provide pension, disability, and death benefits to their members. Current law provides that participants in certain membership categories may be entitled to special benefits if death or disability arises in the course of employment. The California Public Employees’ Pension Reform Act of 2013 (PEPRA) generally requires a public retirement system, as defined, to modify its plan or plans to comply with that act and establishes, among other things, limits on defined benefit formulas and caps on pensionable compensation. This bill, until January 1, 2023, would create a presumption, applicable to the retirement systems that PEPRA regulates and to specified members in those systems, that would be applied to disability retirements on the basis, in whole or in part, of a COVID-19-related illness. In this circumstance, the bill would require that it be presumed the disability arose out of, or in the course of, the member’s employment. The bill would authorize the presumption to be rebutted by evidence to the contrary, but unless controverted, the board of administration of the applicable retirement system would be required to find in accordance with the presumption.

Summary: Among other workers’ compensation benefits, current law entitles a member of the Department of Justice who comes within the “state peace officer/firefighter” class, a law enforcement officer employed by the Department of Fish and Wildlife, and a harbor police officer employed by the San Francisco Port Commission, as specified, who is disabled by injury arising out of and in the course of the member’s duties, to a leave of absence while so disabled without loss of salary, in lieu of disability payments, for a period not exceeding one year. This bill would make that benefit available to all rank-and-file and supervisory firefighters employed by the Department of Forestry and Fire Protection whose principal duties include active fire suppression or prevention services.

Summary: Current law, the California Public Employees’ Pension Reform Act of 2013, prescribes various limits on public employee retirement systems and public employers, as specified. The act generally prohibits a retired person from being employed by a public employer in the same public retirement system from which the retiree receives pension benefits without reinstatement from retirement into that system, subject to certain exceptions. This bill would make nonsubstantive changes to that provision.

Location: 1/28/2021-S. L., P.E. & R.

Summary: The Firefighters Procedural Bill of Rights Act grants certain employment rights to firefighters, as defined. Among other things, under the act, when a firefighter is under investigation and is interrogated by the firefighter’s commanding officer, or another member of the employing agency, on matters that could lead to punitive action, the interrogation must be conducted pursuant to certain requirements. Current law defines “punitive action” for these purposes as any action that may lead to dismissal, demotion, suspension, reduction in salary, written reprimand, or transfer for purposes of punishment. This bill would include in the definition of “firefighter” a temporary, seasonal firefighter employed by the Department of Forestry and Fire Protection.

SB 278 (Leyva D) Public Employees’ Retirement System: disallowed compensation: benefit adjustments.
Introduced: 1/29/2021
Location: 2/10/2021-S. L., P.E. & R.

Summary: The California Public Employees’ Pension Reform Act of 2013 (PEPRA) generally requires a public retirement system, as defined, to modify its plan or plans to comply with the act. PEPRA, among other things, establishes new defined benefit formulas and caps on pensionable compensation. This bill would establish new procedures under PERL for cases in which PERS determines that the benefits of a member or annuitant are, or would be, based on disallowed compensation that conflicts with
PEPRA and other specified laws and thus impermissible under PERL. The bill would also apply these procedures retroactively to determinations made on or after January 1, 2017, if an appeal has been filed and the employee member, survivor, or beneficiary has not exhausted their administrative or legal remedies. At the threshold, after determining that compensation for an employee member reported by the state, school employer, or a contracting agency is disallowed, the bill would require the applicable employer to discontinue the reporting of the disallowed compensation.

**SENATE LABOR, PUBLIC EMPLOYMENT AND RETIREMENT, CORTESE, Chair**

**Summary:** Current law, under the workers’ compensation system, provides, only until January 1, 2025, that, for certain state and local firefighting personnel and peace officers, the term "injury" includes post-traumatic stress that develops or manifests during a period in which the injured person is in the service of the department or unit, but applies only to injuries occurring on or after January 1, 2020. Existing law requires the compensation awarded pursuant to this provision to include full hospital, surgical, medical treatment, disability indemnity, and death benefits. This bill would make that provision applicable to active firefighting members of the State Department of State Hospitals, the State Department of Developmental Services, and the Military Department, and to additional peace officers, including security officers of the Department of Justice when performing assigned duties as security officers and the officers of a state hospital under the jurisdiction of the State Department of State Hospitals or the State Department of Developmental Services, among other officers.

**Location:** 2/10/2021-S. L., P.E. & R.

**Calendar:** 3/8/2021 Upon adjournment of Session - John L. Burton Hearing Room (4203)

**SENATE LABOR, PUBLIC EMPLOYMENT AND RETIREMENT, CORTESE, Chair**

**Summary:** PERS and STRS require employees to make contributions to the system based on their creditable compensation, as defined. Existing law defines "leave of absence" for purposes of both laws as a period of leave to which a member is entitled that is expressly authorized or required pursuant to specified provisions, including employer-approved compensated leave, subject to specified requirements. Under current law, during a leave of absence for an employer-approved compensated leave, an employee earns full service credit and is required to pay employee contributions, as specified. Existing law limits the maximum amount of the service credit earned during an employer-approved compensated leave of absence to 12 years. This bill would remove the 12-year limitation for service credit earned on an employer-approved compensated leave. By increasing contributions into the continuously appropriated Public Employees’ Retirement Fund and Teachers’ Retirement Fund, the bill would make an appropriation.

(Cortese D) Educational employment relations: Public Employment Relations Board: investigations: unfair practices.

**Current Text:** Introduced: 2/12/2021  html  pdf

**Introduced:** 2/12/2021

**Status:** 2/25/2021-Referred to Com. on RLS.
Summary: Current law grants public school employees the right to form, join, and participate in the activities of employee organizations of their own choosing for the purpose of representation on all matters of employer-employee relations. Current law establishes the Public Employment Relations Board, and gives the board specified powers relating to employer-employee relations, including the power to investigate unfair practice charges filed by an employee, employee organization, or employer. Existing law grants the board exclusive jurisdiction to make an initial determination as to whether the charges of unfair practices are justified, and, if so, what remedy is necessary, as specified. This bill would make nonsubstantive changes to the latter provision.

Introduced: 2/11/2021

Status: 2/12/2021-From printer. May be heard in committee March 14.

Location: 2/11/2021-A. PRINT

Summary: The Mitigation Fee Act, among other things, prohibits a fee or exaction imposed as a condition of approval of a proposed development or development project from exceeding the estimated reasonable cost of providing the service or facility for which the fee or exaction is imposed. The act defines various terms for these purposes. This bill would make nonsubstantive changes to the definitions under the act.

Location: 2/17/2021-S. GOV. & F.

Summary: Current law authorizes a person to request an audit to determine whether a fee or charge levied by a local agency exceeds the amount reasonably necessary to cover the cost of any product, public facility, or service provided by the local agency. If a local agency does not comply with the above-described disclosure requirement for 3 consecutive years, existing law prohibits the local agency from requiring that person to make a specified deposit and requires the local agency to pay the cost of the audit. This bill, additionally, would require that audit to include each consecutive year the local agency did not comply with the disclosure requirement. The bill would make clarifying changes to that provision.

Summary: Current law, until January 1, 2023, exempts from the requirements of CEQA prescribed fire, thinning, or fuel reduction projects undertaken on federal lands to reduce the risk of high-severity wildfire that have been reviewed under the federal National Environmental Policy Act of 1969, as provided. Current law requires the Department of Forestry and Fire Protection, beginning December 31, 2019, and annually thereafter until January 1, 2023, to report to the relevant policy committees of the Legislature the number of times the exemption was used. This bill would extend the exemption from CEQA and the requirement on the department to report to the relevant policy committees of the Legislature indefinitely.

Introduced: 2/2/2021
Status: 2/12/2021-Referred to Com. on NAT. RES.
Location: 2/12/2021-A. NAT. RES.

Summary: Under the authority provided pursuant to the California Emergency Services Act, the Governor, on March 22, 2019, issued a proclamation of a state of emergency directing the Department of Forestry and Fire Protection to implement, without delay, fuel reduction projects identified using a methodology developed by the department to determine which communities are at greatest risk of wildfire based on best available science and socioeconomic factors and to identify projects that would reduce the risk of catastrophic wildfire, if completed. The proclamation of a state of emergency exempts those identified fuel reduction projects from various legal requirements, including, among others, requirements regarding public contracting for those projects, requirements for environmental review under the California Environmental Quality Act for those projects, and licensure requirements for individual conducting certain activities for those projects, as provided. This bill would require the department, before December 31, 2022, and before December 31 of each year thereafter, to identify priority fuel reduction projects, as provided.

AB 431 (Patterson R)  Forestry: timber harvesting plans: defensible space: exemptions.

Location: 2/12/2021-A. NAT. RES.

Summary: The Z’berg-Nejedly Forest Practice Act of 1973 prohibits a person from conducting timber operations, as defined, unless a timber harvesting plan prepared by a registered professional forester has been submitted to, and approved by, the Department of Forestry and Fire Protection. The act authorizes the State Board of Forestry and Fire Protection to exempt from some or all of those provisions of the act a person engaging in specified forest management activities, as prescribed, including, only until January 1, 2022, the cutting or removal of trees on the person’s property in compliance with specified defensible space requirements, as provided. This bill would extend to January 1, 2026, the board’s authorization to exempt a person engaging in the cutting or removal of trees on the person’s property in compliance with the specified defensible space requirements as provided.

AB 433 (Chen R)  California Wildfire Mitigation Financial Assistance Program: electrical utilities: voluntary contributions.
Introduced: 2/4/2021
Status: 2/12/2021-Referred to Coms. on U. & E. and E.M.
**Summary:** Current law requires the State Fire Marshal, in consultation with specified state officials, to identify building retrofits and structure hardening measures, and the department to identify defensible space, vegetation management, and fuel modification activities, that are eligible for financial assistance under the program. Current law specifies the types of designated wildfire hazard areas eligible for funding under the program. Current law authorizes the joint powers authority administering the program to accept federal funds for the purposes of the program. Current law makes the operation of the program contingent upon an appropriation by the Legislature and would repeal the program’s provisions on July 1, 2025. This bill would authorize the joint powers authority implementing the above-described program to accept voluntary contributions and would require the contributions be deposited in the California Wildfire Mitigation Financial Assistance Fund, which the bill would establish in the State Treasury. The bill would provide that moneys in the fund are available, upon appropriation by the Legislature for purposes of the program.

Summary: Current law allows any person, firm, or corporation that owns or controls brush-covered land within a state responsibility area to apply to the Department of Forestry and Fire Protection for permission to burn the brush from those lands. Existing law provides that cooperation by the department with any person desiring to use prescribed burning as a means of converting brush-covered lands into forage lands, as specified, is declared to be a public purpose and requires the department to provide certain advisory service to applicants for a burning permit. This bill would make nonsubstantive changes in those provisions.

**SB 312** (Nielsen R) Electrical lines and equipment: wildfire mitigation plans.

Introduced: 2/4/2021

Status: 2/22/2021-Art. IV. Sec. 8(a) of the Constitution dispensed with. (Ayes 32. Noes 4.) Joint Rule 55 suspended. (Ayes 32. Noes 4.)

Location: 2/4/2021-S. RLS.

Summary: Current law requires each electrical corporation to annually prepare and submit a wildfire mitigation plan to the Wildlife Safety Division within the Public Utilities Commission for review and approval, as specified. Following approval, the commission is required to oversee compliance with the plans pursuant to the Public Utilities Act. Current law requires each local publicly owned electric utility and electrical cooperative to annually prepare a wildfire mitigation plan and to verify that the wildfire mitigation plan complies with all applicable rules, regulations, and standards, as appropriate. Current law declares that nothing in the chapter requiring the preparation and implementation of wildfire mitigation plans affects the commission’s authority over an electrical cooperative or local publicly owned electric utility. This bill would make a nonsubstantive change to the declaration in existing law that nothing in the chapter requiring the preparation and implementation of wildfire mitigation plans affects the commission’s authority or jurisdiction over an electrical cooperative or local publicly owned electric utility.

Summary: Current law prohibits any person, except as specified, from using or operating any vehicle, machine, tool, or equipment powered by an internal combustion engine operated on hydrocarbon fuels, in any industrial operation located on or near any forest, brush, or grass-covered land between April 1 and December 1 of any year, or at any other time when ground litter and vegetation will sustain combustion permitting the spread of fire, without providing and maintaining, for firefighting purposes only, suitable and serviceable tools, as prescribed. Current law requires a sealed box of tools to be located within the operating area and accessible in the event of a fire, which fire toolbox shall contain: one backpack pump-type fire extinguisher filled with water, 2 axes, 2 McLeod fire tools, and a sufficient number of shovels so that each employee at the operation can be equipped to fight fire. This bill would require a dedicated set of tools to be located within the operating area and accessible in the event of a fire, which fire toolbox shall contain: a sufficient number of fire extinguishers, axes, 2 McLeod fire tools, and shovels so that, when added to any other tools on the industrial operation, each employee at the operation can be equipped to fight fire.

SB 440  (Dodd D)  Earthquake and wildfire loss mitigation.

Summary: Would require the Wildfire Fund Administrator, the Office of Emergency Services, and the Office of Energy Infrastructure Safety to create the California Wildfire Residential Loss Mitigation Program as a joint powers authority. The bill would require that program to provide mitigation against wildfire risk, including a grant program to assist qualifying owners to retrofit their structures to protect against wildfire or to create a defensible space around their structures. The bill would establish the Wildfire Loss Mitigation Fund as a continuously appropriated subaccount in the Wildfire Fund to fund the program.

SB 450  (Hertzberg D)  Fire protection; police protection: special taxes.

Summary: Current law authorizes a local agency that provides fire protection or prevention services, or that provides police protection services, to propose a special tax for those services, as provided. Current law requires the proposed special tax be submitted to voters in the area receiving the services, and the special tax then takes effect upon approval of 2/3 of the voters voting on the proposal. Current law requires that all revenues from the special tax are used for the service for which the tax was imposed. This bill would make a nonsubstantive change to that provision.

SB 533  (Stern D)  Electrical corporations: wildfire mitigation plans: deenergization events: microgrids.

Summary: Would require an electrical corporation to ensure its electrical transmission and distribution
system achieves the highest level of safety, reliability, and resiliency by modernizing, upgrading, including by installing one or more microgrids, replacing, hardening, or undergrounding, any portion of its transmission and distribution wires or poles that experiences a specified number of recurring deenergization events, as defined. The bill would require that these measures be completed within 12 months of reaching the specified number of recurring deenergization events. The bill would require that an electrical corporation’s wildfire mitigation plan include a description of measures implemented pursuant to this requirement and the number of transmission and distribution wires and poles affected.

**Summary:** Current law requires the State Fire Marshal to classify all fireworks and pyrotechnic devices and prohibits any fireworks or pyrotechnic devices from being imported, sold, or offered for sale before the fireworks or devices have been examined and classified by the State Fire Marshal. Current law authorizes the State Fire Marshal to issue licenses related to fireworks and pyrotechnic devices, including a wholesaler’s license. Current law makes it unlawful for a person to violate the State Fireworks Law and the regulations issued pursuant thereto, and to possess a specified amount of dangerous fireworks, punishable by a fine or by imprisonment, as specified. This bill would increase the amount of the fine to be imposed for violating the State Fireworks Law or related regulation, would
increase the amount of certain fines for possessing a specified amount of dangerous fireworks, and would specify the fine and imprisonment penalties for a 3rd or subsequent conviction.

**Summary:** Current law authorizes any party to protest the imposition of a fee, dedication, reservation, or other exactions imposed on a development project within 90 or 120 days of the imposition of the fee, as applicable, and specifies procedures for those protests and actions. The Mitigation Fee Act imposes the same requirements on a local agency for a new or increased fee for public facilities. Current law, for specified fees, requires any judicial action or proceeding to attack, review, set aside, void, or annul an ordinance, resolution, or motion adopting a new fee or service charge or modifying an existing fee or service charge to be commenced within 120 days of the effective date of the ordinance, resolution, or motion. Current law also provides that, if an ordinance, resolution, or motion provides for an automatic adjustment in a fee or service charge and the adjustment results in an increase in the fee or service charge, that any action to attack, review, set aside, void, or annul the increase to be commenced within 120 days of the increase. This bill would increase, for fees and service charges and for fees for specified public facilities, the time for mailing the notice of the time and place of the meeting to at least 45 days before the meeting.

Summary: Current law, by Executive Order N-29-20, suspends the Ralph M. Brown Act’s requirements for teleconferencing during the COVID-19 pandemic, provided that notice requirements are met, the ability of the public to observe and comment is preserved, as specified, and that a local agency permitting teleconferencing have a procedure for receiving and swiftly resolving requests for reasonable accommodation for individuals with disabilities, as specified. This bill would remove the requirements of the act particular to teleconferencing and allow for teleconferencing subject to existing provisions regarding the posting of notice of an agenda and the ability of the public to observe the meeting and provide public comment. The bill would require that, in each instance in which notice of the time of the teleconferred meeting is otherwise given or the agenda for the meeting is otherwise posted, the local agency also give notice of the means by which members of the public may observe the meeting and offer public comment and that the legislative body have and implement a procedure for receiving and swiftly resolving requests for reasonable accommodation for individuals with disabilities, consistent with the federal Americans with Disabilities Act, as provided.

Summary: Would require a state body that elects to conduct a meeting or proceeding by teleconference to make the portion that is required to be open to the public both audibly and visually observable. The bill would extend the above requirements of meetings of multimember advisory bodies that are held by teleconference to meetings of all multimember state bodies. The bill would require a multimember state body to provide a means by which the public may both audibly and visually remotely observe a meeting if a member of that body participates remotely. The bill would further require any body that is to adjourn and reconvene a meeting on the same day to communicate how a member of the public may both audibly and visually observe the meeting. The bill would also make nonsubstantive changes to those provisions.

Summary: Current law authorizes any local agency to enact any ordinance that adopts a code by reference if the referenced code is specified in the title of the ordinance. Current law requires that after the first reading of the title of the adopting ordinance, and of the title of the code to be adopted thereby, and of the title of the secondary codes therein adopted by reference, the legislative body shall make copies of the primary code and also copies of the secondary codes, if any, being considered for adoption, open to public inspection with the clerk of the legislative body. Current law prohibits, however, the adoption by reference of any penalty clauses that may appear in any code that is adopted by reference; a penalty clause may be enacted only if set forth in full, and published, in the adopting ordinance. This bill would make nonsubstantive changes to the latter provision.

**Summary:** Would require the El Dorado County elections official, with the assistance of the Fallen Leaf Lake Community Services District, to conduct district elections pursuant to the Uniform District Election Law, except as otherwise provided in the bill. The bill, notwithstanding existing law, would provide that voters who are resident registered voters of the district, and voters who are not residents but either own a real property interest in the district or have been designated by the owner of a real property interest to cast the vote for that property, may vote in a district election in the Fallen Leaf Lake Community Services District, as specified. The bill would require the designations of voters and authority of legal representatives to be filed with the El Dorado County elections official and the secretary of the Fallen Leaf Lake Community Services District and maintained with the list of qualified voters of the district. This bill contains other related provisions and other existing laws.

**Location:** 2/10/2021-S. GOV. & F.

**Summary:** The Ralph M. Brown Act, requires meetings of the legislative body of a local agency to be open and public and also requires regular and special meetings of the legislative body to be held within the boundaries of the territory over which the local agency exercises jurisdiction, with specified exceptions. Current law authorizes a person to request that a copy of an agenda, or a copy of all the documents constituting the agenda packet, of any meeting of a legislative body be mailed to that person. This bill would require a local agency with an internet website, or its designee, to email a copy of, or website link to, the agenda or a copy of all the documents constituting the agenda packet if the person requests that the items be delivered by email. If a local agency determines it to be technologically infeasible to send a copy of the documents or a link to a website that contains the documents by mail or by other electronic means, the bill would require the legislative body or its designee to send by mail a copy of the agenda or a website link to the agenda and to mail a copy of all other documents constituting the agenda packet, as specified.

**Location:** 2/19/2021-S. RLS.  

**Summary:** Current law establishes enhanced infrastructure financing districts to finance public capital facilities or other specified projects of communitywide significance. Current law provides for the membership of the governing body of the district, referred to as the public financing authority. If a district has only one participating affected taxing entity, existing law requires the public financing authority’s membership to consist of 3 members of the legislative body and 2 members of the public chosen by the legislative body. This bill would authorize the legislative bodies to appoint designees to the public financing authority in their stead. If a district has more than 3 participating affected taxing entities, the bill would authorize the legislative bodies of the taxing entities to, upon agreement, appoint only one member of their respective legislative bodies, or their designees, in addition to the public members.

**Summary:** Would require the PUC to develop and implement a Clean Community Microgrid Incentive Program by 2022 to fund community microgrids that support the critical needs of vulnerable communities that utilize distributed energy resources for the generation of electricity. The bill would establish the budget for the program in an unspecified amount to be dispersed in successive phases to local public agencies for community microgrid development and would require that expenses incurred by a large electrical corporation to fund the program be allocated to all distribution customers of the large electrical corporation on a nonbypassable basis. The bill would require that a third-party administrator that is not a public utility administer the program.

**Summary:** Current law prohibits a person, a state or local governmental agency, or a public utility from substantially diverting or obstructing the natural flow of, or substantially changing or using any material from the bed, channel, or bank of, any river, stream, or lake, or depositing or disposing of debris, waste, or other material containing crumbled, flaked, or ground pavement where it may pass into any river, stream, or lake, unless prescribed requirements are met, including written notification to the Department of Fish and Wildlife regarding the activity. Current law requires the department to
determine whether the activity may substantially adversely affect an existing fish and wildlife resource and, if so, to provide a draft lake or streambed alteration agreement to the person, agency, or utility. Current law prescribes various requirements for lake and streambed alteration agreements. Current law also establishes various exemptions from these provisions. This bill would additionally exempt from these provisions vegetation management or fuels treatment projects undertaken, carried out, or approved by a state or local governmental agency necessary to prevent or mitigate the threat or intensity of a wildfire.

(Wiener D) General plan: annual report.

- **Current Text:** Introduced: 2/17/2021  [html](#)  [pdf](#)
- **Introduced:** 2/17/2021
- **Status:** 2/25/2021-Referred to Com. on HOUSING.
- **Location:** 2/25/2021-S. HOUSING

**Summary:** The Planning and Zoning Law requires a city or county to adopt a general plan for land use development within its boundaries that includes, among other things, a housing element. That law requires the planning agency of a city or county to provide, by April 1 of each year, an annual report to, among other entities, the Department of Housing and Community Development that includes, among other specified information, the number of applications submitted, the location and total number of developments approved, the number of building permits issued, and the number of units constructed pursuant to a specific streamlined, ministerial approval process. This bill would, commencing January 1, 2023, require a planning agency to include in that annual report specified information on costs, standards, and applications for proposed housing development projects and specified information on housing development projects within the jurisdiction.

**Summary:** Current property tax law requires the county tax collector to collect all property taxes and provides for the payment of taxes on the secured roll in 2 installments, which are due and payable on November 1 and February 1, respectively. This bill would authorize the auditor or the tax collector to cancel any penalty, costs, or other charges resulting from tax delinquency upon a finding that failure to make a timely payment is due to a documented hardship, as determined by the tax collector, arising
from a shelter-in-place order, as defined, if the principal payment for the proper amount of tax due is paid no later than June 30 of the fiscal year in which the payment first became delinquent. By increasing the duties of local agencies, this bill would impose a state-mandated local program.

**SB 303**  
**Borgeas R**  Property taxation: transfer of base year value: disaster relief.  
Introduced: 2/3/2021  
Status: 2/22/2021-Art. IV. Sec. 8(a) of the Constitution dispensed with. (Ayes 32. Noes 4.) Joint Rule 55 suspended. (Ayes 32. Noes 4.)  
Location: 2/10/2021-S. GOV. & F.  

**Summary:** Current property tax law provides, pursuant to a requirement of the California Constitution, that the property tax base year value of real property that is substantially damaged or destroyed by a disaster, as declared by the Governor, may be transferred to a comparable property located within the same county that is acquired or newly constructed within 5 years after the disaster as a replacement property. This bill would extend the 5-year time period described above by 2 years if the last day to transfer the base year value of the substantially damaged or destroyed property was on or after March 4, 2020, but on or before the COVID-19 termination date, as defined.

Status: 2/12/2021-Referred to Com. on REV. & TAX.  
Location: 2/12/2021-A. REV. & TAX  

**Summary:** Would allow a credit against the Personal Income Tax Law and the Corporation Tax Law for each taxable year beginning on or after January 1, 2022, and before January 1, 2027, to a qualified taxpayer that installs an attic vent closure in a residential property, as defined, in an amount equal to 40% of the qualified costs paid or incurred by the qualified taxpayer for that installation. The bill also would include additional information required for any bill authorizing a new income tax credit.

**Nguyen R**  Property taxation: revenue allocations.  
Introduced: 2/11/2021  
Status: 2/12/2021-From printer. May be heard in committee March 14.  
Location: 2/11/2021-A. PRINT  

**Summary:** Current property tax law generally requires the county auditor, in each fiscal year, to allocate property tax revenues to local jurisdictions in accordance with specified formulas and procedures, and generally requires that each jurisdiction be allocated an amount equal to the total of the amount of revenue allocated to that jurisdiction in the prior fiscal year, subject to certain modifications, and that jurisdiction’s portion of the annual tax increment, as defined. This bill would make a nonsubstantive change to that provision.

**AB 688**  
**Nazarian D**  Property tax: reassessment.

**Sales and use taxes: exemption: emergency preparation items.**

**Current Text:** Introduced: 2/18/2021  [html](#), [pdf](#)

**Introduced:** 2/18/2021

**Status:** 2/19/2021-From printer. May be heard in committee March 21.

**Location:** 2/18/2021-A. PRINT

**Summary:** Current sales and use tax laws impose taxes on retailers measured by the gross receipts from the sale of tangible personal property sold at retail in this state or on the storage, use, or other consumption in this state of tangible personal property purchased from a retailer for storage, use, or other consumption in this state, and provides various exemptions from the taxes imposed by those laws. This bill, on and after January 1, 2022, until January 1, 2024, would exempt from those taxes the gross receipts from the sale of, and the storage, use, or other consumption of, emergency preparation items, as defined, sold or purchased during the 3-day period beginning at 12:01 a.m. on the Saturday before the last Monday in June and ending at midnight on the last Monday in June.

**Income taxes: gross income exclusions: wildfires.**

**Current Text:** Introduced: 2/19/2021  [html](#), [pdf](#)

**Introduced:** 2/19/2021

**Status:** 2/22/2021-Read first time.

**Location:** 2/19/2021-A. PRINT

**Summary:** The Personal Income Tax Law and the Corporation Tax Law, in conformity with federal income tax law, generally defines “gross income” as income from whatever source derived, except as specifically excluded, and provides various exclusions from gross income. This bill would provide an exclusion from gross income for any qualified taxpayer, as defined, for amounts received for costs and losses associated with one or more specified fires from a settlement, as provided.

**SB 341 (McGuire D)**  
**Telecommunications service: outages.**

**Current Text:** Introduced: 2/9/2021  [html](#), [pdf](#)

**Introduced:** 2/9/2021

**Status:** 2/22/2021-Art. IV. Sec. 8(a) of the Constitution dispensed with. (Ayes 32. Noes 4.) Joint Rule 55 suspended. (Ayes 32. Noes 4.)

**Location:** 2/17/2021-S. E. U., & C.

**Summary:** Would require each provider of telecommunications service to maintain on its internet website a public outage map showing that provider’s outages, and would require the office, in consultation with the Public Utilities Commission, on or before July 1, 2022, to adopt by regulation requirements for those maps, as specified. The bill would require the office to provide the commission with all of the information provided to it as part of a telecommunications service provider’s community isolation outage notification and to aggregate that data and post that aggregated data on its internet website.
