Niagara Falls, Ontario  
October 20-23, 2023

Niagara Falls Marriott on the Falls &  
Niagara Falls Convention Centre

*Oncology Nursing: Strength Within*  
**Soins infirmiers oncologiques : Puiser la force en soi**

# It takes collaboration

Pfizer Canada strives to profoundly impact the health of Canadians through the discovery, development and delivery of medicines and vaccines.

When it comes to research and improving patient care, collaboration is key. We work with the best and brightest scientists and healthcare professionals across the country through investments in independent research, partnerships, knowledge sharing, and clinical trials.

Through collaboration, we offer the possibility of a healthier world.

PRIME MINISTER • PREMIER MINISTRE

October 20–23, 2023

Dear Friends:

I am pleased to extend my warmest greetings to everyone attending the 35th Annual Conference of the Canadian Association of Nurses in Oncology (CANO).

This event brings together oncology nurses from across Canada to share their knowledge and discuss the latest advancements in the field. I am certain that everyone in attendance will benefit from the many educational workshops and presentations centered on this year's theme, "Oncology Nursing: Strength Within", and that they will come away with the tools they need for continued success.

I would like to commend the CANO for promoting the highest standards of oncological care and for supporting its members in their pursuit of professional excellence. You can take pride in knowing that your commitment to the health and well-being of your fellow citizens is appreciated.

Please accept my best wishes for a rewarding experience.

Sincerely,

The Rt. Hon. Justin P. J. Trudeau, P.C., M.P.  
Prime Minister of Canada

PRIME MINISTER • PREMIER MINISTRE

Du 20 au 23 octobre 2023

Chères amies,  
Chers amis,

Je suis heureux de présenter mes salutations les plus chaleureuses à toutes les personnes qui participent au 35<sup>e</sup> congrès annuel de l'Association canadienne des infirmières en oncologie (ACIO).

Cet événement réunit des infirmières et des infirmiers en oncologie de partout au Canada pour leur permettre de partager leurs connaissances et de discuter des dernières avancées dans le domaine. Je suis convaincu que tous et toutes ressortiront enrichis des ateliers de formation et des présentations sur le thème de cette année : « Soins infirmiers oncologiques : Puiser la force en soi », et repartiront équipés des outils nécessaires pour leur assurer un succès durable.

Je tiens à féliciter l'ACIO de promouvoir les normes les plus élevées en matière de soins oncologiques et de soutenir ses membres dans leur quête d'excellence professionnelle. Vous pouvez tirer fierté de votre précieux apport dans la santé et le mieux-être de vos concitoyennes et concitoyens.

Je vous souhaite une expérience des plus enrichissantes.

Cordialement,

Le très hon. Justin P. J. Trudeau, C.P., député  
Premier ministre du Canada

THE LIEUTENANT GOVERNOR OF ONTARIO  
LA LIEUTENANTE-GOUVERNEURE DE L'ONTARIO

October 20, 2023

It is my pleasure to extend warm greetings to all attending the Canadian Association of Nurses in Oncology's 35th Annual Conference!

The contributions of nurses to Ontario's health and health system cannot be overstated. Oncology nurses in particular are called to vocations of extraordinary care and compassion. You often share in the most difficult moments faced by patients, families, and caregivers – and you celebrate their most poignant triumphs. Drawing on your *strength within*, you provide comfort, hope, and healing.

As His Majesty The King's representative in Ontario, I thank you for your incredible service. Please accept my best wishes for an enjoyable and engaging conference.

A stylized, handwritten signature in blue ink, reading "Elizabeth Dowdeswell".

Elizabeth Dowdeswell

THE LIEUTENANT GOVERNOR OF ONTARIO  
LA LIEUTENANTE-GOUVERNEURE DE L'ONTARIO

Le 20 octobre 2023

J'ai le plaisir de saluer chaleureusement tous les participants à la 35<sup>e</sup> conférence annuelle de l'Association canadienne des infirmières en oncologie!

On ne saurait trop insister sur la contribution des infirmières et infirmiers à la santé des Ontariens et au réseau de soins de santé de l'Ontario. Mais le personnel infirmier en oncologie répond tout particulièrement à une vocation d'une extraordinaire compassion. Vous côtoyez souvent les patients, les familles et les aidants dans leurs moments les plus difficiles – et vous célébrez avec eux leurs triomphes les plus bouleversants. En puisant dans votre *force intérieure*, vous apportez réconfort, espoir et rétablissement.

En tant que représentante de Sa Majesté le Roi en Ontario, je vous remercie pour votre incroyable service. Permettez-moi de vous souhaiter une conférence agréable et stimulante.

A blue ink signature of Elizabeth Dowdeswell, written in a cursive style.

Elizabeth Dowdeswell

**Premier of Ontario - Premier ministre de l'Ontario**

October 20 – 23, 2023

### **A MESSAGE FROM PREMIER DOUG FORD**

Warm greetings to everyone taking part in the 35th Annual Conference of the Canadian Association of Nurses in Oncology (CANO).

Cancer care is one of most important facets of our health care system, with hundreds of thousands of Canadians affected by the disease every year. I'm so grateful for the unique skills and expertise of nurses in oncology. You provide compassionate, cutting-edge care to those who need it the most.

This year's conference, "Oncology Nursing: Strength Within," is an opportunity to update your knowledge with new and vital medical information, share best practices, and network with your colleagues. It also emphasizes the tremendous sacrifices that nurses make each day to provide the best possible care to their patients.

I thank CANO for hosting this event. I also commend its members for their commitment to promoting the highest standards of cancer care.

Best wishes for a successful and productive conference.

A handwritten signature in black ink, appearing to read "Doug Ford".

**Doug Ford**  
**Premier**

Premier of Ontario - Premier ministre de l'Ontario

Du 20 au 23 octobre 2023

### **MESSAGE DU PREMIER MINISTRE DOUG FORD**

Je salue chaleureusement tous les participants et toutes les participantes à la 35<sup>e</sup> conférence annuelle de l'Association canadienne des infirmières et infirmiers en oncologie (ACIO).

Le traitement du cancer fait partie des principaux services de notre système de santé, puisque des centaines de milliers de Canadiens sont touchés par cette maladie chaque année. Je suis extrêmement reconnaissant envers le personnel infirmier spécialisé en oncologie pour ses compétences, son savoir-faire et sa capacité à prodiguer des soins avec compassion à ceux qui en ont le plus besoin.

La conférence de cette année, intitulée « Soins infirmiers oncologiques : Puiser la force en soi », représente une occasion en or pour mettre à jour vos connaissances, partager vos meilleures pratiques et tisser des liens avec vos collègues. Elle souligne également les énormes sacrifices que les infirmières et infirmiers font chaque jour pour prodiguer les meilleurs soins possibles à leurs patients.

Je remercie l'ACIO pour l'organisation de cet événement. Je félicite également ses membres pour leur engagement à implanter les normes les plus élevées en matière de soins aux personnes atteintes d'un cancer.

Je vous souhaite une conférence couronnée de succès.

**Le premier ministre,**

# Letter from the President

## Lettre de la présidente

Dear Colleagues,

On behalf of the CANO/ACIO Board, I am pleased to welcome you, to our 35th Annual Conference. This year's conference theme Oncology Nursing: Strength Within reflects the steadfast commitment and inner strength oncology nurses draw from every day, contributing to a better future for the Canadians we serve. As a resilient association, we have reached the remarkable milestone of 35 diverse conferences across all provinces since a group of strong and determined oncology nurses decided to amplify this specialty through the creation of a national organization - one that continues to make significant contributions to oncology nursing practice and cancer care.

Our Strategic Plan is built on this legacy of grit and resolve, reflecting ambitious advocacy efforts to advance our Vision and Mission. In particular, we are excited to welcome our new Director-at-Large, Advocacy and Policy to provide a focused and equitable lens as we work towards our advocacy goals. In addition to this effort, we have added a new membership category for nurses from low and middle income countries. We have created a new Media Relations Committee within the DAL Communications portfolio to increase CANO/ACIO visibility not only to our existing members but also the broader healthcare community. Other initiatives include supporting the development of the new Planetary Health Special Interest Group, engaging with the Cancer Action Now Alliance (CANA) for advocacy in partnership with patient led groups, and participating in the Pan-Canadian Multidisciplinary Radiation Oncology Workforce Survey (which includes oncology nursing for the first time).

This year's conference program is packed with sessions addressing topics relevant for practicing oncology nurses, educators, researchers, and leaders. We are delighted to offer a full day of workshops on Friday, October 20. In addition, the Board-sponsored workshops offered throughout the program are designed to

Très chers collègues,

Au nom du conseil d'administration de l'ACIO/CANO, j'ai le plaisir de vous souhaiter la bienvenue à notre 35<sup>e</sup> conférence annuelle. Le thème de cette année « Puiser la force en soi » rend hommage au dévouement indéfectible et à la force intérieure des infirmières et infirmiers en oncologie qui, jour après jour, servent la population canadienne et aident à bâtir un meilleur avenir pour notre pays. Au fil des ans, nous avons organisé un riche éventail d'activités aux quatre coins du pays grâce à un groupe fort et déterminé, et nous avons contribué au rayonnement de notre profession par la fondation de notre belle et solide association, qui continue de faire avancer les soins en oncologie et en cancérologie.

La persévérance et la détermination grâce auxquelles nous avons érigé notre association sont les piliers de l'ambitieux plan stratégique que nous avons concocté pour promouvoir notre vision et notre mission. Nous nous réjouissons particulièrement du nouveau rôle de conseiller général responsable de la représentation et des politiques, qui apportera un point de vue à la fois ciblé et nuancé pour nous aider à atteindre nos objectifs de sensibilisation. Nous avons aussi ajouté une catégorie de membres pour les personnes dans des pays à revenu faible ou intermédiaire. Nous avons par ailleurs créé un comité des relations avec les médias, qui relèvera de la conseillère générale aux communications, afin d'accroître la visibilité de l'ACIO/CANO auprès des membres et de l'ensemble de la communauté médicale. D'autres initiatives sont également en cours, comme la création d'un groupe d'intérêt spécial sur la santé planétaire, un partenariat avec l'alliance Agir contre le cancer maintenant pour s'associer à des groupes de patients dans la défense de leurs droits, et une première participation à une enquête pancanadienne multidisciplinaire auprès des radio-oncologues.

align with our Strategic Plan. We are excited to have two inspiring keynote presentations, two lectureship presentations, two joint symposia, and numerous concurrent sessions. New this year is a pediatric oncology stream occurring day Saturday, October 21. Topics that will be covered during the conference include (but are not limited to) health equity, genomics, oncologic treatment, symptom management, palliative care, survivorship care, virtual care/telehealth, workforce issues and medical assistance in dying. This varied and exciting conference content will be of interest to all nurses, from new grads to advanced practice nurses. And we especially invite you to join in the various social and networking events that have been organized throughout our time together in Niagara Falls. Our aim is that the energy created through opportunities to learn, network and connect with others will leave you feeling inspired and energized.

We welcome everyone to attend our Annual General Meeting on Sunday, October 22 as the Board of Directors will share more of the work that has been done over the past year as well as look ahead to 2024. The Annual General Meeting also serves as a forum for members to express their ideas and thoughts on how to move the Association forward. We need and value your participation and input. Be sure to attend the annual Awards of Excellence Ceremony, following the Annual General Meeting, to celebrate the tremendous work and achievements of your colleagues.

On behalf of the Board, I would like to thank the Conference Planning Steering Committee (Co-chairs Simonne Simon and Catriona Buick), the Local Planning Committee (Chair Leslie Maskell), the Scientific Program Committee (Co-chairs Cheryl Page and Janny Proba), and the Recognition of Excellence Committee (Chair Rana Jin) for their hard work throughout the year and leading up to the conference. Thanks to all at Malachite Management and especially Dana Cooper, Ernest Ho, Kimberly Morales, and Paul Fogerty for their support and efforts in creating another high quality and successful conference. Thank you to all of our conference sponsors, partners, and exhibitors. We are indebted to you for your support. Finally, thanks to all of our conference delegates and speakers. Without you, our conference would not be possible.

As we meet in person again and celebrate the dedication and strength within oncology nursing, let us

Le programme de notre 35<sup>e</sup> conférence annuelle regorge de séances sur des sujets pertinents pour les infirmières en oncologie, les infirmières pédagogues, les infirmières chercheuses et les responsables des soins infirmiers. Nous sommes également ravis de vous offrir une journée complète d'ateliers le vendredi 20 octobre. Tout au long de l'événement, vous pourrez aussi participer à des ateliers parrainés par le conseil d'administration et conçus pour faire avancer notre plan stratégique. Vous pourrez assister à deux plénières inspirantes, deux conférences, trois symposiums conjoints et plusieurs séances parallèles. Cette année, pour la première fois, il y aura également un volet sur l'oncologie pédiatrique le samedi 21 octobre. Nous nous pencherons sur des enjeux comme l'équité dans les soins de santé, la génomique, les soins oncologiques, le soulagement des symptômes, les soins palliatifs, les soins post-cancer, les soins virtuels et la télémédecine, la pénurie de main-d'œuvre, l'euthanasie et le suicide assisté, et bien d'autres thèmes. Ce copieux programme a été conçu pour satisfaire votre curiosité, que vous veniez de décrocher votre diplôme ou que vous ayez déjà beaucoup d'expérience. Nous vous encourageons vivement à participer aux divers événements de réseautage pour tirer le meilleur parti de notre temps ensemble à Niagara Falls. Saisissons les occasions d'apprendre et d'échanger pour nous inspirer mutuellement à poursuivre sur notre lancée!

Nous vous invitons également à notre assemblée générale annuelle le dimanche 22 octobre. Le conseil d'administration y présentera les faits saillants de la dernière année et les points phares pour 2024. Cet événement sert également de tribune aux membres pour exprimer leurs idées et leurs réflexions sur l'avenir de l'Association : votre participation et votre apport nous y seront précieux. Ne manquez pas de rester ensuite à la cérémonie annuelle de remise des prix d'excellence, qui se tiendra juste après l'assemblée générale annuelle, pour récompenser le travail et les réussites remarquables de vos collègues!

Au nom du conseil, je tiens à remercier le comité organisateur de la conférence annuelle (coprésidé par Simonne Simon et Catriona Buick), le comité de planification local (présidé par Leslie Maskell), le comité de planification scientifique (coprésidé par Cheryl Page et Janny Proba) ainsi que le comité de reconnaissance de l'excellence (présidé par Rana Jin) pour leur travail acharné de cette année en vue de ce moment. Merci à toute l'équipe de Malachite Management pour son précieux soutien qui nous permet de vous offrir un autre congrès de qualité (avec un merci tout spécial à Dana Cooper, Ernest Ho, Kimberly Morales et Paul Fogerty). Merci aussi à tous les commanditaires, partenaires et exposants; nous vous sommes redevables pour votre soutien. Enfin, merci à tous les participants et conférenciers : c'est grâce à vous que notre rencontre peut avoir lieu.

also acknowledge the significant challenges we have endured. The Dalai Lama reminds us "It is worth remembering that the time of greatest gain in terms of wisdom and inner strength is often that of greatest difficulty." My deepest gratitude to each of you for exemplifying the courage and determination required to continue to move our profession, specialty, and vision forward despite the greatest difficulties we have faced as individuals and a profession over the past few years.

Profitons de la chance que nous avons de célébrer en personne le dévouement et la force du personnel infirmier en oncologie pour nous remémorer les obstacles auxquels nous avons été confrontés. Comme le Dalaï-Lama nous le rappelle : « Il ne faut pas perdre de vue que la sagesse et la force intérieure s'acquièrent souvent durant les périodes les plus éprouvantes. » Je vous suis personnellement reconnaissante pour votre courage et votre détermination exemplaires, qui nous ont permis de continuer à faire avancer notre profession, notre spécialisation et notre vision, malgré les obstacles exponentiels des dernières années.

Sincerely / Cordialement,

**Lorelei Newton**, *PhD, RN*  
President

# Patient progressing on daratumumab?

## Choose XPOVIO®.\*

Target RRMM differently with XPO1 inhibition using this first-in-class therapy.<sup>1,2†</sup>

Visit [XPOVIO.ca](http://XPOVIO.ca).

**XPOVIO®**  
selinexor tablets

### Indications and Clinical Use:

XPOVIO® (selinexor) is indicated in combination with bortezomib and dexamethasone for the treatment of adult patients with multiple myeloma who have received at least one prior therapy.

No overall differences in effectiveness were observed between patients ≥ 65 years of age and younger patients. Older patients had a higher incidence of serious adverse reactions and discontinuation due to an adverse reaction than younger patients.

### Relevant Warnings and Precautions:

- Maintenance of adequate fluid and caloric intake.
- Driving and operating machinery.
- Severe or life-threatening hyponatremia.
- Nausea, vomiting, and diarrhea.
- Weight loss and anorexia.
- Life-threatening thrombocytopenia.
- Life-threatening neutropenia.
- Tumour lysis syndrome.
- Serious and fatal infections.
- Monitoring platelet, hemoglobin, and white blood cell counts, sodium level, patient weight, nutritional status, and volume status.
- Life-threatening neurologic toxicities.
- New onset or exacerbation of cataract.
- Fertility impairment in females and males of reproductive potential.

- Use of contraception in females of reproductive potential and in males with a female partner of reproductive potential.
- Use in pregnant or breastfeeding women.
- Use in pediatric and geriatric patients.

### For More Information:

Please consult the Product Monograph at [www.xpoviopm.ca](http://www.xpoviopm.ca) for full prescribing details, including important information relating to adverse reactions, drug interactions, and dosing information which have not been discussed in this piece.

The Product Monograph is also available by calling us at 1-866-542-7500.

RRMM, relapsed refractory multiple myeloma.

\* In combination with bortezomib and dexamethasone.

† Clinical significance is unknown.

# Welcome to the 35<sup>th</sup> Annual Conference

On behalf of the 2023 Local Planning Committee of the 35<sup>th</sup> CANO/ACIO conference, we invite you to beautiful Niagara Falls, Ontario!

Join us and see a natural world wonder, the Canadian Horseshoe Falls in Niagara. Niagara Falls was formed by glaciers retreating from their formation of the Great Lakes. The channel this massive ice flow scraped through the rock became the Niagara River. Seams of rock eroded differently to create a drop in the path of the river. The cliffs of the gorge are composed of limestone and dolostone with the lower valley floor made of soft shale.

Niagara Falls has been a source of power since 1805. Picture 150,000 gallons of water crashing down per second from heights of 176 feet. The Niagara Gorge has been the location of hydro-electric power schemes since 1893. The natural phenomenon still supplies electricity to the surrounding area.

This popular tourism spot has something to offer for everyone. The Niagara Peninsula is one of the most acclaimed grapes growing and winemaking regions in Ontario. The City of Niagara Falls and surrounding region has many venues for arts and entertainment, dining, casinos and gaming, family fun, outdoor adventures, tours, festivals, history and heritage, nature and horticulture.

The Marriott on the Falls offers excellent views of the Canadian Horseshoe Falls, American falls and Bridal Veil falls. It is the closest hotel to the state-of-the-art Niagara Falls Convention Centre, which sits in the heart of the Fallsview entertainment district.

This year's conference theme...

## *"Oncology Nursing: Strength Within"*

Challenges in life are inevitable. Sometimes they are challenges we choose and sometimes they happen unexpectedly. Oncology nurses face these challenges by drawing on our strength within. We draw on our strength within to get through our shifts, educate, advocate and comfort our patients. We become lifelong learners and work as a team to continue to care in an ever changing environment.

# Bienvenue à la 35<sup>e</sup> conférence annuelle

Au nom du comité local de planification de la 35<sup>e</sup> conférence annuelle de l'ACIO/CANO, nous vous convions dans la belle ville de Niagara Falls, en Ontario!

Soyez des nôtres et venez admirer une merveille de la nature : le Fer à cheval des chutes du Niagara, côté canadien. Ces chutes ont été formées par des glaciers qui, en se retirant, ont créé les Grands Lacs. Le canal creusé dans les roches par cette masse de glace est devenu la rivière Niagara. L'érosion a agi différemment selon les matières rocheuses présentes, créant un fort dénivelé sur le parcours de la rivière. Les falaises le long des gorges sont composées de calcaire et de dolomie, tandis que la vallée inférieure est en schiste argileux.

Les chutes Niagara sont exploitées comme source d'énergie depuis 1805. Imaginez : plus d'un demi-million de litres d'eau à la seconde tombant de plus de 50 mètres! La gorge du Niagara a abrité diverses installations hydroélectriques depuis 1893, et le phénomène naturel continue d'approvisionner la région environnante en électricité.

Chacun trouvera son compte en ce lieu touristique par excellence. D'abord, la péninsule du Niagara se classe parmi les régions viticoles et vinicoles les plus réputées en Ontario. À cela s'ajoutent, dans la ville de Niagara Falls et les environs, de nombreux points d'intérêt pour tous les goûts : arts et spectacles, gastronomie, casinos et jeux, activités familiales, plein air, visites guidées, festivals, histoire et patrimoine, nature et horticulture.

L'hôtel Marriott on the Falls a vue sur les chutes : on peut y admirer le Fer à cheval (côté canadien) de même que les chutes américaines et le voile de la mariée (côté américain). C'est l'hôtel le plus près de l'ultramoderne centre des congrès Niagara Falls, situé au cœur de Fallsview, le quartier des divertissements.

Voici le thème de la conférence cette année :

## **« Soins infirmiers oncologiques : Puiser la force en soi »**

La vie est parsemée d'embûches et nous amène parfois à surmonter des défis que nous n'avions pas prévus. Pour les infirmières en oncologie, les difficultés se surmontent grâce à la force intérieure qu'elles cultivent. Une force qui les accompagne au travail et qui les aide à informer, à défendre et à reconforter leurs patients. Les infirmières ne cessent jamais d'apprendre et travaillent en équipe pour continuer à soigner dans un environnement en constante évolution.

# Conference Objectives

- Inspire leadership for oncology nurses
- Provide opportunities for networking and collaboration
- Explore research, education, and knowledge translation
- Promote innovation in oncology practice
- Encourage patient advocacy

# General Conference Information

## REGISTRATION HOURS

Thursday, October 19, 2023 3:00pm - 6:00pm

Friday, October 20, 2023 6:30am - 6:30pm

Saturday, October 21, 2023 6:30am - 5:15pm

Sunday, October 22, 2023 6:30am - 5:30pm

Monday, October 23, 2023 6:45am - 12:30am

## ANNUAL GENERAL MEETING

The 2023 AGM will be held in-person on Sunday, October 22, 2023 at 8:30 - 9:30 AM EST.

Join us in Fairview Theatre at the Niagara Falls Conference Centre, Niagara Falls, ON.

Meeting materials are available here:

[www.cano-acio.ca/agm](http://www.cano-acio.ca/agm)

## SOCIAL EVENING

**Big Al's Birthday Bash:**

**A Mafia Murder Mystery Dinner**

**Saturday, October 21, 2023**

**7:00pm at the Marriott on the Falls**

You are invited to Niagara Falls for the social event of the season! Participation is voluntary! Solve the mystery or just sit back and watch it all unfold. Feel free to dress in your 1920-1930's fancy attire/gangster threads!

# Objectifs de la conférence

- Insuffler le leadership chez les infirmières en oncologie
- Fournir des occasions de réseautage et de collaboration
- Explorer les champs de la recherche, de la formation et de l'application des connaissances
- Promouvoir l'innovation dans la pratique en oncologie
- Encourager la défense des intérêts des patients

# Informations sur la conférence

## HEURES D'INSCRIPTION

**Jeudi 19 octobre 2023** de 15h00 à 18h00

**Vendredi 20 octobre 2023** de 6h30 à 18h30

**Samedi 21 octobre 2023** de 6h30 à 17h15

**Dimanche 22 octobre 2023** de 6h30 à 17h30

**Lundi 23 octobre 2023** de 6h45 à 12h00

## ASSEMBLÉE GÉNÉRALE ANNUELLE

L'AGA de 2023 se tiendra en personne le dimanche 22 octobre 2023, de 8h 30 à 9 h 30 HNE. Joignez-vous à nous dans le Fairview Theatre du Niagara Falls Conference Centre, Niagara Falls, ON.

Les documents de la réunion sont disponibles ici :

[www.cano-acio.ca/agm](http://www.cano-acio.ca/agm)

## SOIRÉE SOCIALE

**La fête d'anniversaire de Big Al :**

**Souper meurtre et mystère de mafiosos**

**Samedi 21 octobre 2023 dès 19 h, à l'hôtel Marriott on the Falls**

Nous sommes heureux de vous inviter à Niagara Falls pour l'activité sociale saisonnière! La participation est facultative. Résolvez le mystère ou assistez confortablement au dénouement du crime en tant que spectateur! N'hésitez pas à vous habiller avec des vêtements chics ou de gangsters des années 1920 à 1930!

Merci à la section Ontario-Horseshoe de parrainer cette soirée sociale!

Thank you to the Ontario-Horseshoe Chapter for sponsoring this Social Event.

## SPECIAL INTEREST GROUP MEETINGS

CANO/ACIO members can access any or all Special Interest Groups (SIGs). Currently there are SIGs in the following areas: advanced practice nursing, clinical trials, hematology/BMT, immuno-oncology, leadership, navigation, oncology & aging, palliative care, pediatric oncology, radiation, surgical oncology nursing and survivorship.

There will be a number of SIG meetings held at the conference to discuss current issues and trends and to support and promote collaboration across Canada. Anyone can join these meetings and if you are looking for more information, we encourage you to attend! You will find these meetings in the conference-at-a-glance.

## WIFI

1. Connect to network: **35th Annual Conference**
2. Enter the password when prompted: **CANO2023**
3. Read and accept the terms and conditions
4. Enjoy complimentary WiFi access!

## GET THE APP SPONSORED BY PFIZER CANADA

Access the conference app to find the session schedule and descriptions, featured sponsors, speakers, and more!

1. Click on one of the following buttons.

Apple iOS

Android

Web App

2. Once downloaded, open the app. The app should open to the conference event. If not, search for "CANO/ACIO 2023 Annual Conference." You may be prompted to log in before downloading the event to the app. After entering your first name, last name, and email address, a verification code will be sent to your email and/or mobile number.

## SCENTS

Please note that this annual conference is a scent free environment. Please refrain from the use of perfumes or other strong scents during the conference.

## RÉUNIONS DE GROUPES D'INTÉRÊT SPÉCIAL

Les membres de l'ACIO/CANO peuvent accéder à n'importe lequel ou à tous les groupes d'intérêt spécial. Actuellement, il existe des groupes d'intérêt spécial dans les domaines suivants: adolescents et jeunes adultes, soins infirmiers en pratique avancée, médecine complémentaire, gynécologie oncologique, hématologie/TDM, immuno-oncologie, leadership, navigation, oncologie et vieillissement, soins palliatifs, oncologie pédiatrique, radiothérapie, soins infirmiers en oncologie chirurgicale et survie.

Il y aura un certain nombre de réunions de groupes d'intérêt spécial tenues lors de la conférence pour discuter des enjeux et des tendances actuels et pour soutenir et promouvoir la collaboration au Canada. Quiconque peut se joindre à ces réunions et si vous cherchez plus d'informations, nous vous encourageons à participer!

Vous trouverez ces réunions dans le programme de la conférence en un coup d'œil.

## WIFI

1. Connectez-vous au réseau suivant : **35th Annual Conference**
2. Saisissez le mot de passe lorsque vous y êtes invité : **CANO2023**
3. Lisez et acceptez les termes et conditions
4. Profitez de l'accès gratuit au WiFi !

## OBTENEZ L'APPLICATION COMMANDITÉE PAR PFIZER CANADA

Accédez à l'application de la conférence pour trouver l'horaire et la description des séances, les commanditaires vedettes, les conférenciers, et plus encore !

1. Cliquez sur l'un des boutons ci-dessous.

Apple iOS

Android

Web App

2. Une fois téléchargée, ouvrez l'application. L'application devrait s'ouvrir sur l'événement de la conférence. Si ce n'est pas le cas, recherchez "CANO/ACIO 2023 Annual Conference". Vous serez ensuite invité à vous connecter avant de télécharger l'événement

## CONTINUING NURSING EDUCATION (CNE)

This event is approved for a maximum of 21 hours of accredited continuing nursing education by the Continuing Nursing Education (CNE) Office, Ingram School of Nursing, McGill University.

## GAMIFICATION

Join our game in the app to earn points and win prizes from our exclusive game prize sponsor, Look Good Feel Better!

In the Game Center in the app, you will see a variety of challenges you can participate in. When you click into a specific challenge, you will see the rules and how to collect points. The more challenges you participate in the more points you earn!

There are many ways to earn points including:

- Explore our exhibit hall and engage with sponsors
- Attend as many sessions as possible
- Earn additional points by attending Sponsored Symposia.

Top 10 point earners receive fabulous prizes from Look Good Feel Better

#1: Beauty Gift Basket that will be shipped directly to the winners

#2-10: Mini-Cosmetic Gift Basket

The game will end on Monday, October 23rd at 11:00 AM PDT. Winners will be announced at the Closing Remarks.

**Gamification Sponsor:**

sur l'application. Après avoir saisi votre prénom, votre nom et votre adresse email, un code de vérification sera envoyé à votre email et/ou à votre numéro de téléphone mobile.

## SENTEURS

Veuillez noter que cette conférence annuelle est un environnement sans parfum. Veuillez vous abstenir d'utiliser des parfums ou autres odeurs fortes pendant la conférence.

## FORMATION CONTINUE EN SCIENCES INFIRMIÈRES (FCSI)

Cet événement est approuvé pour un maximum de 21 heures de formation continue accréditées par le Bureau de la formation continue en sciences infirmières (FCSI) de l'École des sciences infirmières Ingram de l'Université McGill.

## GAMIFICATION

Participez à notre jeu dans l'application pour gagner des points et des prix offerts par notre sponsor exclusif, Look Good Feel Better !

Dans le Centre de Jeu de l'application, vous verrez une variété de défis auxquels vous pouvez participer. Lorsque vous cliquez sur un défi particulier, vous verrez les règles et comment accumuler des points. Plus vous participez à des défis, plus vous gagnez de points !

Il existe de nombreuses façons de gagner des points, notamment :

- Explorez notre salle d'exposition et engagez-vous auprès des sponsors
- Assister à autant de sessions que possible
- Gagnez des points supplémentaires en assistant aux symposiums sponsorisés, à l'assemblée générale annuelle, à la cérémonie de remise des prix et aux sessions de discours et de conférences

Les 10 premiers gagnants recevront des prix fabuleux de Look Good Feel Better.

n°1 : Paniercadeau beauté qui sera envoyé directement aux gagnants

n°2-10 : Mini panier cadeau cosmétique

Le jeu finira le lundi, 23 octobre à 11 h 00 PDT. Les gagnants seront annoncés lors du discours de clôture.

Radioligand Therapy

# Changing the practice of medicine

At Novartis, we harness the innovation power of science to address some of society's most challenging healthcare issues. We are passionate about discovering new ways to improve and extend people's lives.

# Discover how investigational biomarkers may play a role in navigating the landscape of metastatic gastric/gastro-esophageal junction cancer pathophysiology.

# Sponsor and Exhibitor Listing

## ABBVIE

*Sponsorship: Silver/Argent, Focus Group*

At AbbVie, we are committed to transforming standards of care for multiple blood cancers while advancing a dynamic pipeline of investigational therapies across a range of cancer types. Our dedicated and experienced team joins forces with innovative partners to accelerate the delivery of potentially breakthrough medicines. We are evaluating more than 20 investigational medicines in over 300 clinical trials across some of the world's most widespread and debilitating cancers. As we work to have a remarkable impact on people's lives, we are committed to exploring solutions to help patients obtain access to our cancer medicines.

## AMGEN

*Sponsorship: Bronze/Bronze, Award, Symposium*

Amgen harnesses the best of biology and technology to make people's lives easier, fuller, and longer. We draw upon our deep knowledge of science to push beyond what's known today. With roots in the biotech revolution, we are one of the world's leading independent biotech companies – fighting the toughest diseases and helping millions of people globally. For more information, visit [www.amgen.ca](http://www.amgen.ca) and follow us on twitter @AmgenCanadaGM and Instagram and Facebook @AmgenCanada.

## APLASTIC ANEMIA & MYELODYSPLASIA ASSOCIATION

*Sponsorship: Exhibitor/Exposant*

In 1987, the concerned parent of a child with aplastic anemia founded the Aplastic Anemia Family Association of Ontario. One of the very first goals of the Association was to advocate for the formation of a national bone marrow donor registry in Canada. Today, the Aplastic Anemia and Myelodysplasia Association of Canada is a federally incorporated and a registered national charity with the ambitious goal of providing a seamless support network for every Canadian patient, family member, friend and concerned healthcare provider dealing with aplastic anemia, myelodysplasia or PNH.

## APOBIOLOGIX

*Sponsorship: Silver/Argent*

Apobiologix®, a division of Apotex Inc., focuses on the commercialization of biosimilars. The Apobiologix® biosimilar program is a natural extension of Apotex; long history of providing access to high-quality, affordable medicines in Canada and across the globe. We aspire to transform access to affordable therapies in oncology and beyond through innovation, development and partnerships. At Apobiologix®, we believe Innovation is not the only Innovation; we believe healthcare providers and patients deserve access to affordable therapies without compromising efficacy, quality, and safety.

## ASTELLAS

*Sponsorship: Gold/Or*

Astellas Pharma Canada, Inc. is a Canadian affiliate of Tokyo-based Astellas Pharma Inc., a pharmaceutical company conducting business in more than 70 countries around the world. Astellas stands on the forefront of healthcare change to turn innovative science into value for patients. Keeping our focus on addressing unmet medical needs and conducting our business with ethics and integrity enables us to improve the health of people in Canada and around the world.

## ASTRAZENECA

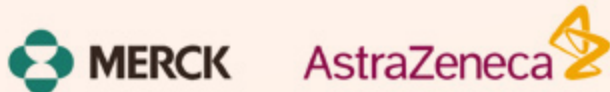

*Sponsorship: Bronze/Bronze*

AstraZeneca is a global, innovation-driven biopharmaceutical business with a focus on the discovery, development and commercialization of primary and specialty care medicines that transform lives. Our primary focus is on four important areas of healthcare: Cardiovascular, Renal and Metabolic disease; Oncology; Respiratory & Immunology; and Rare Diseases. AstraZeneca operates in more than 100 countries and its innovative medicines are used by millions of patients worldwide. In Canada, we employ roughly 1,090 employees across the country and our headquarters are located in Mississauga, Ontario. For more information, please visit the company's website at [www.astrazeneca.ca](http://www.astrazeneca.ca).

## ASTRAZENECA MERCK

*Sponsorship: Platinum/Platine, Symposium*

AstraZeneca is a global, innovation-driven biopharmaceutical business with a focus on the discovery, development, and commercialization of medicines

that transform lives, with a core scientific focus in the areas of Cardiovascular, Renal and Metabolic (CVRM) disease; Oncology; Rare Disease; Respiratory & Immunology; and Vaccine & Immune Therapies. AstraZeneca operates in more than 100 countries and its innovative medicines are used by millions of patients worldwide.

At Merck, known as MSD outside of the United States and Canada, we are unified around our purpose: We use the power of leading-edge science to save and improve lives around the world. For more than a century, we've been at the forefront of research, bringing forward medicines, vaccines and innovative health solutions for the world's most challenging diseases.

AstraZeneca est une société biopharmaceutique internationale axée sur l'innovation. Sa priorité est de découvrir, de mettre au point et de commercialiser des médicaments qui changent des vies. Ses activités scientifiques se concentrent sur les maladies cardiovasculaires, rénales et métaboliques (MCRM), l'oncologie, les maladies rares, les maladies respiratoires et immunitaires, les vaccins et l'immunothérapie. AstraZeneca exerce ses activités dans plus de 100 pays et ses médicaments innovateurs sont utilisés par des millions de patients dans le monde entier.

Chez Merck, connue sous le nom de MSD à l'extérieur des États-Unis et du Canada, nous sommes unis autour de notre raison d'être : nous utilisons la puissance des méthodes scientifiques de pointe pour sauver des vies et en améliorer partout dans le monde. Depuis plus d'un siècle, nous sommes à l'avant-garde des recherches, produisant des médicaments, des vaccins et des solutions de santé novatrices pour les maladies les plus éprouvantes au monde.

## B.BRAUN

*Sponsorship: Exhibitor/Exposant*

Propelled by our philosophy of Sharing Expertise®, B. Braun of Canada is a leader in infusion therapy, safe and efficient pharmacy, and clinical support services. At B. Braun, we provide the tools and services healthcare providers need to deliver an optimal patient experience- improving outcomes across your health systems today, while continuously striving for a better

tomorrow. All while focusing on clinical practice, safety, satisfaction and sustainability in an evidence-based world. You'll find our products, technology and services in top hospitals across North America. Helping to empower providers so they can deliver the best possible experience. It's why we exist.

## BC CANCER

*Sponsorship: Exhibitor/Exposant*

BC Cancer provides a province-wide, comprehensive cancer control program, covering the full spectrum of cancer care from prevention, screening, diagnosis and treatment, to research and education, to supportive and palliative care. Recognized internationally for cutting-edge cancer care, treatment, and research, BC Cancer's person-centred cancer care is delivered through six regional cancer centres – Vancouver, Victoria, Surrey, Abbotsford, Prince George, Kelowna – providing assessment and diagnostic services, chemotherapy, radiation therapy, and supportive care. BC Cancer nurses are essential members of the health care teams, working collaboratively to support the highest standards of care and the latest, evidence-based treatment options for patients and their families.

## BD

*Sponsorship: Platinum/Platine, Award*

BD is one of the largest global medical technology companies in the world and is advancing the world of health™ by improving medical discovery, diagnostics and the delivery of care. The company supports the heroes on the frontlines of healthcare by developing innovative technology, services and solutions that help advance both clinical therapy for patients and clinical process for healthcare providers. BD and its 75,000 employees have a passion and commitment to help enhance the safety and efficiency of clinicians' care delivery process, enable laboratory scientists to accurately detect disease

and advance researchers' capabilities to develop the next generation of diagnostics and therapeutics. BD has a presence in virtually every country and partners with organizations around the world to address some of the most challenging global health issues. By working in close collaboration with customers, BD can help enhance outcomes, lower costs, increase efficiencies, improve safety and expand access to healthcare.

## BEIGENE

*Sponsorship: Gold/Or, Symposium, Focus Group*

At BeiGene, we are passionate about our people, science, and creating a lasting impact. These priorities are of utmost importance to our organization. We strive to build a global organization recognized for its impact in cancer research and drug development, talented people, and integrity.

Our vision is to transform the biotechnology industry, creating impactful medicines that will be affordable and accessible to far more cancer patients around the world.

Our mission is to build the first next-generation biopharmaceutical company – one that expands the highest quality therapies to billions more people – through courage, persistent innovation, and challenging the status quo.

As part of our global clinical development program, we're enrolling patients in 40+ countries and geographies to participate in our clinical trials.

CANCER HAS NO BORDERS. NEITHER DO WE.

## BIOCON BIOLOGICS CANADA

*Sponsorship: Bronze/Bronze*

Biocon Biologics Limited (BBL) is a fully integrated, innovation-led company committed to transforming patients' lives by enabling affordable access to high-quality biosimilars for patients and healthcare

systems, either directly or through a network of partners and distributors, in over 100+ countries.

BBL has demonstrated success with multiple successful biosimilar approvals in U.S., Europe and several other advanced and developing countries. It has eight [1] commercialized products in global markets. It is the first company in the world to obtain U.S. Food and Drug Administration (FDA) approval for an interchangeable biosimilar, received for its Insulin Glargine.

## BIOSYENT

*Sponsorship: Exhibitor/Exposant, Focus Group*

Listed on the TSX Venture Exchange (TSXV: RX), BioSyent is a profitable growth oriented specialty pharmaceutical company focused on in-licensing or acquiring innovative pharmaceutical products that have been successfully developed, are proven safe and effective, and have track records of improving the lives of patients. BioSyent supports the healthcare professionals that treat these patients by marketing its products through its community, hospital, and international business units.

## BRISTOL MYERS SQUIBB

*Sponsorship: Silver/Argent*

At Bristol Myers Squibb, we work every day to help patients. Patients are at the center of everything we do. They inspire us. They are the reason we come to work each day. We aspire to be at the center of a vibrant healthcare ecosystem, where academic research centers, biotech and biopharma companies all contribute to continued scientific advancement.

## BOIRON

*Sponsorship: Exhibitor/Exposant*

With 85 years of experience in manufacturing homeopathic medicines, Boiron takes great pride in providing Canadians with medicines that are "as pure and perfect as possible".

Every day, we place our passion and expertise in homeopathic medicines at the service of health care practitioners and patients.

- 85 years of expertise
- 3600 people on the Boiron team
- 30 years in Canada

As a result, today, there are 3,600 people on the Boiron team with 20 foreign subsidiaries, four production facilities in France, and distribution in 50 countries. With a presence in Canada for 30 years, Boiron Canada is proud to provide Canadians with simple and effective solutions for self-medication. You can rely on Boiron medicines for your whole family, from newborns to the elderly.

## CALMOSEPTINE

*Sponsorship: Exhibitor/Exposant*

For the fourth consecutive year, Calmoseptine® Ointment has the distinguished honor of being named #1 Pharmacist Recommended Incontinence-Related Skin Protectants Product of 2022-2023 by U.S. News & World Report! We are proud to receive this recognition, and hope that we can continue to serve the community and promote wound healing throughout the world.

## CRAIG'S CAUSE PANCREATIC CANCER SOCIETY

*Sponsorship: Exhibitor/Exposant*

Craig's Cause Pancreatic Cancer Society is a national charity dedicated to both increasing survival and improving the quality of life for every Canadian diagnosed with pancreatic cancer through awareness raising, education, support and research.

## CELL THERAPY TRANSPLANT CANADA (CTTC)

*Sponsorship: Exhibitor/Exposant*

Cell Therapy Transplant Canada (CTTC) is a member-led, national, multidisciplinary organization providing leadership and promoting excellence in patient care, research and education in the field of hematopoietic cell transplant (HCT) and cell therapy (CT). Membership is available to all professionals in the HST/CT field: physicians, researchers, nurses and other allied health professionals, trainees, patients, family members, and caregivers.

CTTC hosts several working committees for members to get more involved. The CTTC NURSING COMMITTEE is a space for cellular therapy nurses to collaboratively connect, learn, and lead. Monthly video conferences are designed around identifying needs, sharing experiences, and working together on projects.

## CANADIAN VASCULAR ACCESS ASSOCIATION

*Sponsorship: Exhibitor/Exposant*

CVAACA is a Canadian, non-profit multi-disciplinary organization of healthcare professionals who are dedicated to enhancing the practice of vascular access

and infusion therapy CVAACA empowers and engages its members to advocate for safe, quality care across the healthcare continuum by providing leadership and promoting education, partnerships, knowledge and research in vascular access and infusion therapy with a vision for optimal patient outcomes. We have local chapters, a peer-reviewed journal, Guidelines, and lots of tools for oncology clinicians! Come say hello!

## DAIICHI-SANKYO ASTRAZENECA

*Sponsorship: Bronze/Bronze, Symposium*

### About AstraZeneca

AstraZeneca is a global, innovation-driven biopharmaceutical business with a focus on the discovery, development and commercialization of primary and specialty care medicines that transform lives. Our primary focus is on four important areas of healthcare: Cardiovascular, Renal and Metabolic disease; Oncology; Respiratory & Immunology; and Rare Diseases. AstraZeneca operates in more than 100 countries and its innovative medicines are used by millions of patients worldwide. In Canada, we employ roughly 1,100 employees across the country and our headquarters are located in Mississauga, Ontario. The company invested \$112 million in Canadian research and development in 2020 and is designated a Global Clinical Trial Delivery site – leading the delivery of more than 100 global clinical trials in oncology and respiratory disease. For more information, please visit the company's website at [www.astrazeneca.ca](http://www.astrazeneca.ca).

### About Daiichi Sankyo Canada

Daiichi Sankyo is an innovative global healthcare company contributing to the sustainable development of society that discovers, develops, and delivers new standards of care to enrich the quality of life around the world. With more than 120 years of experience, Daiichi Sankyo leverages its world-class science and technology to create new modalities and innovative medicines for people with cancer, cardiovascular, and other diseases with high unmet medical need. For more information, please visit [www.daiichisankyo.com](http://www.daiichisankyo.com).

## EISAI

*Sponsorship: Bronze/Bronze*

At Eisai, human health care (hhc) is our goal.

We give our first thought to patients and their families and to increase the benefits that health care provides. Our passionate commitment to patient care is the driving force behind all our efforts. This dedication is born from deep within our soul - an innate desire to find innovation solutions that help address unmet needs and contribute to the well-being of patients worldwide.

Website: <https://ca.eisai.com/en-CA>

## ELI LILLY

*Sponsorship: Bronze/Bronze*

Eli Lilly Canada Inc. was established in 1938, the result of a research collaboration with scientists at the University of Toronto, which eventually produced the world's first commercially-available insulin. Our work focuses on oncology, diabetes, autoimmunity, neurodegeneration, and pain. To learn more about Lilly Canada, please visit us at [www.lilly.ca](http://www.lilly.ca).

## EMD SERONO

*Sponsorship: Gold/Or, Symposium, Focus Group*

At EMD Serono, we are committed to enhancing patient outcomes. As the Canadian biopharmaceutical business of Merck KGaA, Darmstadt, Germany, we are headquartered in Mississauga, Ontario. We put patients

first as we continue to expand our innovative pipeline in oncology and immuno-oncology. Visit <https://www.emdserono.ca/ca-en> to learn more.

## FORUS THERAPEUTICS

*Sponsorship: Silver/Argent, Symposium*

FORUS Therapeutics Inc. is a newly founded, fast-growing Canadian biopharmaceutical company dedicated to making a profound difference for Canadian patients, health care professionals and caregivers by advancing differentiated novel medicines for hematologic malignancies and other forms of cancer.

FORUS Therapeutics Inc. est une société biopharmaceutique canadienne nouvellement créée et à croissance rapide, se consacrant à faire une différence importante pour les patients, les professionnels de la santé et les aidants canadiens en faisant progresser des médicaments novateurs pour les hémopathies malignes et autres formes de cancer.

## FRESENIUS KABI CANADA LTD.

*Sponsorship: Exhibitor/Exposant*

Fresenius Kabi is a global healthcare company dedicated to providing lifesaving medicines and cutting-edge technologies for infusion, transfusion, and clinical nutrition.

Fresenius Kabi Canada is a diverse pharmaceutical company committed to supplying Canadians with high-quality and cost-effective pharmaceutical products and services. Our extensive product portfolio comprises intravenous specialty and generic medicines, transfusion technologies, infusion therapies, parenteral nutrition, biosimilars, complex formulations, and related medical devices. We are devoted to meeting the healthcare needs of Canadians and strive to deliver innovative solutions that enhance patient care and well-being.

## GILEAD KITE

*Sponsorship: Gold/Or, Symposium, Focus Group*

Gilead and Kite Oncology are creating the future of oncology. From ADCs and small molecules to cell therapy, our R&D programs and partnerships are focused on helping to bring more life to people with cancer and changing the way cancer is treated.

## GSK

*Sponsorship: Gold/Or, Symposium*

GSK is a science-led global healthcare company with a special purpose: to help people do more, feel better, live longer. For further information, please visit [www.ca.gsk.com](http://www.ca.gsk.com)

## ICU MEDICAL

*Sponsorship: Exhibitor/Exposant*

ICU Medical helps you deliver IV oncology safely with a complete line of closed system transfer devices (CSTDs) that align with industry safe-handling guidelines and award-winning infusion pumps with full IV-EHR interoperability. Our intuitive luer-based and needle free CSTDs are designed to help keep healthcare workers safe during every step of the hazardous drug process, from preparation to transportation, administration, and disposal. Connect Smarter. Care Safer.™ Visit [www.icumed.com](http://www.icumed.com) to learn more.

## INCYTE

*Sponsorship: Bronze/Bronze*

Incyte Biosciences Canada is dedicated to the discovery, development, and commercialization of therapeutic options for serious conditions.

## INNOVATIVE ONCOSOLUTIONS

*Sponsorship: Exhibitor/Exposant*

Innovative Oncosolutions Inc. (IOS) is a Canadian owned medical company focused on products that ensure safety and compliance in healthcare settings. Specifically, IOS is the distributor of Equashield™, the most advanced closed system drug transfer device (CSTD) for safe preparation and administration of hazardous drugs.

Compliance in pharmacy settings has become increasingly important. To ensure this compliance, IOS offers Compounding 360, a cloud based NAPRA compliant quality management system providing a comprehensive electronic audit and quality assurance program. In addition, IOS offers Third-Party Sterile

Compounding Certification Services on-site or virtually by our annually certified Registered Pharmacy Technicians.

## IPSEN BIOPHARMACEUTICALS

*Sponsorship: Silver/Argent*

Inspiring hope, improving patients' lives.

Acting on this mission has propelled us to become a global biopharmaceutical leader with a focus on innovation and specialty care.

Our passion drives our commitment to patients living with difficult-to-treat diseases, and we put them first. Because patients are our priority, we help them through our expertise in oncology, neuroscience, and rare disease.

We bring medicines to patients with the strength of nearly 6,000 employees across the globe, including innovators in our key therapeutic areas.

## JAMP PHARMA

*Sponsorship: Exhibitor/Exposant*

Proudly Canadian, we provide continuous access to high quality and affordable generic products: this is our promise:

Each year, an increasing number of pharmacists are trusting JAMP Pharma to fill their patients' scripts. In fact, the company is outpacing the Canadian market by growing twice as fast in the number of scripts, thanks to our reliable supply and our large portfolio of more than 315 molecules, which places us among the leaders in Canada's generic pharmaceutical industry. In Quebec, for a third consecutive year, JAMP Pharma's products were used most often to fill prescriptions given to patients.

## JANSSEN

*Sponsorship: Gold/Or*

At Janssen, we're creating a future where disease is a thing of the past. We're the Pharmaceutical Companies of Johnson & Johnson, working tirelessly to make that future a reality for patients everywhere by fighting sickness with science, improving access with ingenuity, and healing hopelessness with heart. We focus on areas of medicine where we can make the biggest difference: Cardiovascular, Metabolism & Retina, Immunology, Infectious Diseases & Vaccines, Neuroscience, Oncology, and Pulmonary Hypertension.

## JAZZ PHARMACEUTICALS

*Sponsorship: Silver/Argent*

At Jazz Pharmaceuticals plc (NASDAQ: JAZZ), our purpose is to innovate to transform the lives of patients and their families. We are focused on developing life-changing medicines for people with serious diseases — often with limited or no options — so they can live their lives more fully. By transforming biopharmaceutical discoveries into novel medicines, we are working to give people around the world the opportunity to redefine what's possible — to make the "small wins" big again. We are a fully integrated, global biopharmaceutical company with a diverse portfolio of marketed medicines and novel product candidates for adults and children, and expertise in two key therapeutic areas: neuroscience and oncology. We are an industry leader in treating sleep disorders and epilepsy, and in oncology we are investigating and delivering medicines for hard-to-treat hematologic malignancies and solid tumors. We use our deep knowledge of and commitment to these fields to innovate and identify new solutions where none previously existed.

## KIDNEY CANCER CANADA

*Sponsorship: Exhibitor/Exposant*

Kidney Cancer Canada is a national community of patients, caregivers and health professionals who work to provide every Canadian touched by kidney cancer with support, education and advocacy for their care pathways and treatment options.

## LA ROCHE-POSAY

*Sponsorship: Bronze/Bronze*

La Roche Posay is the number 1 dermo-cosmetic brand worldwide and is the #1 recommended skincare brand by dermatologists in Canada. Our mission for our oncology engagement is to help cancer patients undergoing chemotherapy and radiation treatments, with a focus on improving patient quality of life by reducing skin side effects with the help of our safe, tolerable, and effective skin care products. Having conducted various studies with over 1,100 patients undergoing cancer treatments, La Roche-Posay has demonstrated efficacy in achieving this for oncology patients, by reducing skin side effects as well as improve quality of life.

## LEUKEMIA AND LYMPHOMA SOCIETY

*Sponsorship: Exhibitor/Exposant*

The mission of the Leukemia and Lymphoma Society is to cure blood cancers and improve the quality of life of people affected and their families by funding life-enhancing research and providing educational resources, services and support. We are the largest registered charitable health agency dedicated to supporting the blood cancer community in Canada. Our focus has grown and now includes:

- Funding research from bench to bedside
- Help people navigate their blood cancer experience
- Providing targeted blood cancer information
- Offering tools for psychological and emotional support
- Empowering Canadians to take charge of their blood cancer experience through practical support and advocacy

La mission de la Société de leucémie et lymphome du Canada est d'améliorer la qualité de vie des personnes

touchées par un cancer du sang et de leurs familles en finançant la recherche et en offrant des services et du soutien. Nous:

- Finançons des recherches de pointes, du banc d'essai aux soins
- Aidons les personnes touchées et les familles à naviguer l'expérience du cancer du sang;
- Fournissons de l'information ciblée sur le cancer du sang;
- Offrons des outils de soutien psychologique et émotionnel;
- Offrons du soutien pratique et aidons les canadiens touchés à défendre leurs droits

## LOOK GOOD FEEL BETTER

*Sponsorship: Exhibitor/Exposant*

Look Good Feel Better is Canada's only national charitable program dedicated to helping people manage the appearance-related effects of cancer and its treatment. At the heart of the program are our complimentary workshops which empower people to feel like themselves again. We provide tips, tools and techniques in Skincare & Cosmetics, Wigs & Hair Alternatives, Breast Prosthesis, Bras & More, Skincare & Shaving, as well as a dedicated workshop for teens. Led by expert volunteers, in a small group setting, the workshops offer a supportive and welcoming environment. Offered in-person and online, this vital programming in supportive care encourages positive mental health and well-being. Those facing cancer are welcome to register for our workshops at [lgfb.ca](http://lgfb.ca) or by phone or 1-800-914-5665

## MELANOMA CANADA

*Sponsorship: Exhibitor/Exposant*

Melanoma Canada is a national organization dedicated to supporting Canadians who are living with, or impacted by, melanoma and skin cancer with resources,

education, psychosocial support services and more. We are the united voice for the melanoma and skin cancer community, advocating for early detection, timely diagnosis, and effective treatment options. We value being a trusted and reliable resource for medical professionals working with melanoma patients. Our leading-edge publications, written with the help of specialists in oncology, are provided free of charge to clinics across the country. If you would like to order any resources for your clinic, please visit <https://www.melanomanetwork.ca/mnccpub/>

## MERCK

*Sponsorship: Silver/Argent, Symposium, Award*

At Merck, known as MSD outside of the United States and Canada, we are unified around our purpose: We use the power of leading-edge science to save and improve lives around the world. For more than 130 years, we have brought hope to humanity through the development of important medicines and vaccines. We aspire to be the premier research-intensive biopharmaceutical company in the world – and today, we are at the forefront of research to deliver innovative health solutions that advance the prevention and treatment of diseases in people and animals.

## MYELOMA CANADA

*Sponsorship: Exhibitor/Exposant*

Myeloma Canada is the only national charitable organization created by, and for, Canadians impacted by multiple myeloma.

We are driven to improve the lives of those affected by this disease by empowering our community through awareness, education, and advocacy programs, and by supporting clinical research to find a cure.

We are committed to making myeloma matter and have been since our founding in 2005.

## NIPRO CANADA

*Sponsorship: Exhibitor/Exposant*

Nipro Canada formerly CardioMed Supplies would like to welcome the return of in-person meetings and we hope that your CANO 2023 meeting supports both education and collaboration. We're very pleased to introduce several new patient quality initiatives that have been proven with evidence-based articles. Please visit our booth and one of our representatives will assist you. Enjoy CANO 2023!

## NOVARTIS

*Sponsorship: Gold/Or*

As a leading healthcare company, Novartis provides Canadians with medicines to improve their health and quality of life, focusing on areas of significant unmet medical need.

At Novartis Canada, we are committed to working with all stakeholders within the health care ecosystem to ensure that every Canadian has equitable access to the innovative medicines they need. We are determined to be a valued partner and advocate, with a deep understanding of patient needs along the entire care journey – from drug development, to diagnosis, to access and beyond. Part of the way we are doing this is by leveraging data, technology, and partnerships.

We foster a work environment and culture that brings out the best in people to fulfil our purpose of reimagining medicine to improve and extend people's lives. We operate with the understanding that associates are our greatest asset and encourage them to live the values and behaviors that underpin this culture.

## NOVARTIS

*Sponsorship: Silver/Argent, Symposium*

Novartis is reimagining medicine to improve and extend people's lives. We deliver high-value medicines that alleviate society's greatest disease burdens through technology leadership in R&D and novel access approaches. About 103,000 people of more than 140 nationalities work together to bring Novartis products to nearly 800 million people around the world. Find out more at <https://www.novartis.com>

Novartis in Canada employs approximately 900 people to serve the evolving needs of patients and the health-care system and invests over \$30 million in R&D yearly in the country. We pride ourselves on our commitment to diversity and inclusion. We are recognized as a Great Place to Work®, and ranked among the Top 50 Best Workplaces™, 2022 Best Workplaces™ for Women, for Giving Back, and for Hybrid Work in Canada™. For more information, visit [www.novartis.ca](http://www.novartis.ca)

## NOVOCURE

*Sponsorship: Bronze/Bronze*

Novocure is a global oncology company working to extend survival in some of the most aggressive forms of cancer through the development and commercialization of its innovative therapy, Tumor Treating Fields (TTFields). TTFields are electric fields that exert physical forces to kill cancer cells via a variety of mechanisms. For more information, visit [Novocure.com](http://Novocure.com).

## PFIZER

*Sponsorship: Platinum/Platine, Symposium, Award*

Pfizer Canada ULC is the Canadian operation of Pfizer Inc., one of the world's leading biopharmaceutical companies. Our diversified health care portfolio includes some of the world's best known and most prescribed medicines and vaccines. At Pfizer, our colleagues work to deliver Breakthroughs that change patients' lives™. In 2019, Pfizer Inc. invested US\$ 8.65 billion globally toward developing safe and effective medicines and took part in more than 95 new R-D collaborations. Global headquarters are located in New York City, where the company was founded in 1849. Pfizer's Canadian footprint includes its headquarters in Kirkland, Quebec and a manufacturing site in Brandon, Manitoba. To learn more about Pfizer Canada, visit [pfizer.ca](http://pfizer.ca) or you can follow us on LinkedIn, Facebook, Twitter or YouTube.

Pfizer Canada SRI est la filiale canadienne de Pfizer Inc., l'une des principales entreprises biopharmaceutiques à l'échelle mondiale. Notre gamme diversifiée de produits de soins de santé comprend des médicaments et des vaccins figurant parmi les plus connus et les plus prescrits dans le monde. Tous les jours, les employés de Pfizer Canada travaillent dans le but de réaliser Desperçées qui changent la vie des patientsMC. Nous mettons à profit la science et nos ressources mondiales pour améliorer la santé et le bien-être de la population canadienne, à toutes les étapes de la vie. Notre engagement se reflète dans tout ce que nous faisons, qu'il s'agisse d'initiatives de sensibilisation aux maladies ou de partenariats communautaires. Pour en savoir plus sur Pfizer Canada, visitez le site [pfizer.ca](http://pfizer.ca) ou suivez-nous sur LinkedIn, Facebook, Twitter ou Youtube.

## PIERRE FABRE DERMO-COSMÉTIQUE

*Sponsorship: Exhibitor/Exposant*

Pierre Fabre is a French dermocosmetic and pharmaceutical company. In Canada, the brands available are Hemangioli, the only approved treatment for IH, as well as Avène and Ducray brands for various skin and hair conditions.

## RECORDATI RARE DISEASES/ EUSA

*Sponsorship: Exhibitor/Exposant*

At EUSA we are committed to transforming the lives of people affected by cancer or rare disease, globally. We continuously strive to uncover opportunities which address gaps across adult and paediatric care - through development opportunities, acquiring, and in-licensing therapies. Helping the people with few or no options available is at the heart of everything we do at EUSA. Every day, we are proud to make a difference - building a company around our people, our values, and our mission. We see a need. We work together. We don't give up.

## ROCHE

*Sponsorship: Silver/Argent*

At Roche Canada, patients and science are at the heart of everything we do. Our passion for science and our commitment to relentlessly pursuing the impossible for patients have made us one of the world's leading pharmaceutical, in-vitro diagnostics, and diabetes care management companies.

With our combined strength in diagnostics and pharmaceuticals, we're driving personalized healthcare (PHC) forward, while ensuring we deliver meaningful benefits for patients and a sustainable healthcare system. Because we're committed to making quality healthcare accessible to everyone.

## SANOFI

*Sponsorship: Platinum/Platine, Symposium*

At Sanofi, we chase the miracles of science to improve people's lives. Our determination to find answers for patients motivates us to develop breakthrough medicines and vaccines. Fueled by data and digital technologies, our cutting-edge science and manufacturing have the potential to transform the practice of medicine, turning the impossible into possible for millions of people around the world.

Our Specialty care team focuses on developing therapies for debilitating diseases that are often difficult to diagnose and treat, providing hope to patients and their families, in the areas of rare blood disorders, neurology, oncology, and immunology.

## SEAGEN

*Sponsorship: Gold/Or, Symposium, Focus Group*

Seagen Inc. is a global biotechnology company that discovers, develops, and commercializes medicines for cancer. The company has a pipeline of therapies at various stages of preclinical testing, clinical testing, and development. We are leveraging our expertise in antibodies to build a portfolio of proprietary antibody-drug conjugates and immuno-oncology agents in clinical trials for hematologic malignancies and solid tumors. For more information, visit [www.seagen.ca](http://www.seagen.ca).

## SOBI CANADA

*Sponsorship: Bronze/Bronze, Focus Group*

At Sobi, we are transforming the lives of people affected by rare diseases. As a specialized biopharmaceutical company, we provide sustainable medicines to innovative therapies in the areas of hematology, immunology and specialty care. We bring something rare to rare diseases – a rare expertise and a strength in access that allows us to be a partner in care for those with high unmet needs. Sobi Canadian headquarters are located in Oakville, Ontario.

## STERIMAX

*Sponsorship: Bronze/Bronze*

SteriMax is the largest privately-owned injectable company in Canada. Our foundation rests upon the principles of providing high quality products, maintaining a reliable product supply, and supporting the needs of Canadian patients. SteriMax currently markets the following crucial oncology products: Arsenic Trioxide for Injection, Busulfan for Injection, Carmustine for Injection, Cytarabine Injection, Proleukin® (Aldesleukin) for Injection, Thiotepa for Injection, and Mercaptopurine Tablets. In addition, our company has a robust pipeline of oncology products to ensure healthcare professionals have access to both specialized and critical oncology products. Through developing solutions for healthcare professionals, we uphold our commitment to maximize the wellness of Canadians.

## TAKE ACTION ON RADON

*Sponsorship: Exhibitor/Exposant*

Radon is an invisible Radioactive Gas that causes lung cancer. Every region in Canada has homes with elevated radon; make sure yours isn't one of them. Radon is the #1 cause of lung cancer in non-smokers. Reducing radon in your home is straight forward.

## TAKEDA

*Sponsorship: Gold/Or*

We are a patient-centered organization that aspires to cure cancer with inspiration from patients and innovation from everywhere. Why? Because cancer is clever. It continues to find new ways to prevail, and patients continuously need new options.

## TARO PHARMACEUTICALS

*Sponsorship: Bronze/Bronze*

Taro is a global, research-driven, specialty pharmaceutical company dedicated to meeting the needs of its customers through the discovery, development, manufacturing and marketing of the highest quality healthcare products. With support from our parent company, Sun Pharma, the world's 5th largest specialty generic pharmaceutical company, we work to bring affordable prescription and over-the counter medications to patients across the world. The Taro Specialty division is focused on becoming a trusted partner to healthcare providers in order to develop best-in-class patient support services that ensure a continuity of care for your most vulnerable and complex patients.

## YEWTWIST

Sponsorship: Exhibitor/Exposant

Yewtwist™ is a tool created by an oncology nurse to disconnect tight IV lines and feeding tube connections safely and efficiently. The tool provides additional grip and leverage to improve a user's ability to manipulate and disconnect a difficult or stuck fitting. Yewtwist™ has three different jaw sizes that will adapt to most medical connections and its rubber jaws will not cause damage. We would love to see you at Booth 208 and try it out.

Taro Pharmaceuticals  
is proud to support the  
35th annual conference of  
the Canadian Association of  
Nurses in Oncology.

Visit us at Booth 204  
to learn more about our oncology  
portfolio and the TaroCares™ Patient  
Support Program.
