Dr. Lorelai Newton
President
Canadian Association of Nurses in Oncology
1618 Station Street
Vancouver BC V6A 1B6

Sent via email: info@cano-acio.ca

Dear Dr. Newton:

Thank you for your request to recognize Canadian Oncology Nursing Day.

I appreciate the valuable work the Canadian Association of Nurses does to support oncology nurses across the country. The Government of Alberta is proud to recognize the service of oncology nurses in our province.

As Minister of Health, I am pleased to declare April 2, 2024 as Canadian Oncology Nursing Day in Alberta, in honour of the countless contributions oncology nurses have made, and will continue to make, in support of Albertans' health and well-being.

Thank you again for writing and for your dedication to supporting nurses in Canada.

Sincerely,

Adriana LaGrange
Minister of Health
