I would like to extend an invitation to you to attend the 2018 California Association of Public Procurement Officials (CAPPO) Conference. Each year public procurement professionals from state, county, municipal, special districts, utilities, transportation agencies, K-12, and higher education agencies attend the CAPPO conference in order to exchange ideas in an effort to resolve challenges California public agencies face by sharing information on technical advances, cost factors, new laws, and sources for products and services. We network, learn and grow by attending workshops, seminars and general sessions throughout the week. The vendor expo is a highlight of the conference experience which allows attendees and exhibitors to meet face to face, share ideas, and see the new products and services that are available for use in their respective agencies.

CAPPO was established in 1915 as a non-profit organization dedicated to maintaining the highest standards of professional behavior and ethical conduct in public procurement. CAPPO, the oldest public procurement association in the United States, will be hosting the 101st Conference in 2018. Membership has grown by 900 members in the past ten years and CAPPO membership now exceeds 1,500. We are preparing to exceed past record attendance with over 500 delegates at the 2018 conference.

I am very excited to announce that the 2018 CAPPO Conference and Expo, “A Conference to Remember, 101 Years in the Making” will be in Downtown Palm Springs beginning January 8 – 12, 2018.

There will be multiple opportunities designed for you to engage the public purchasing officials in conversation and learn more about doing business with government. The week will begin with an opportunity to participate in a golf tournament on Monday, January 8th. On Tuesday January 9th, suppliers are invited to attend a half day training session in the afternoon on how to do business with government presented by Tammy Rimes, a highly respected professional speaker and former public procurement official. The activities continue on Tuesday evening with a social networking event designed to provide you with the opportunity to participate in fun activities with conference delegates in a casual setting. The grand finale is the Supplier Expo and Lunch on Wednesday, January 10th at the Palm Springs Convention Center.

New for the 2018 Conference, all suppliers that choose to participate in the Expo will be identified as partners. I encourage you to read through this brochure for additional details. When you participate in the partnership activities offered at the CAPPO Annual Conference, you will experience many opportunities to build and develop strong relationships with current and new customers alike. Our members include leaders throughout California that are responsible for making purchasing decisions for the organizations they serve.

Please plan on joining us for “A Conference to Remember” in January 2018. You won’t want to miss this opportunity!

Sincerely,

Debbie Casper, C.P.M., CPPB
2017/18 CAPPO President
