

Dear Exhibit Hall Participants:

As we prepare ourselves for the upcoming Carolinas Credit Union League Annual Meeting at the Grove Park Inn, I want to offer you the opportunity to participate in two fundraising events during the exhibit hall hours. For the fourth consecutive year, the Carolinas Credit Union Foundation has joined efforts with the League to host a silent auction and for the second year, we will also have a wine pull fundraiser in the exhibit hall featuring donated wine with a value of at least \$20 per bottle.

The Foundation is inviting exhibitors to participate in the silent auction and wine pull with all fundraising dollars going to support our scholarship, grant and community impact programs!

I hope that we can count on your support to help the Carolinas Foundation's programs. You will receive an email in the coming weeks on how you can participate in this year's silent auction and wine pull. Thank you in advance for your consideration and partnership. Please don't hesitate to call or email with any questions.

Sincerely,

Lauren Whaley
President
