WHAT IS CASSS?

CASSS is an agile, non-profit scientific organization whose strength is in bringing together professionals from industry, academia and regulatory agencies into a single community to solve scientific and technical problems in order to advance the development of biopharmaceuticals.

WHY ATTEND CASSS MEETINGS?

CASSS enables knowledge-sharing, regulatory capacity building and global access within its community by leveraging strategic partnerships, scientific expertise and a diversity of views in all of our activities.

WHAT MAKES CASSS DIFFERENT?

CASSS utilizes its dedicated, volunteer network of experienced scientists to bring together the right people (experienced leaders in the field), the right way (a culture of engagement), at the right time (scientifically relevant content).

WHAT MAKES CASSS BETTER?

- Global Participation for 2017
- Regions represented: **Africa, Asia, Australia, Europe, Latin America, Middle East, North America, South America**
- Total 2017 attendance: **3,400**
