Covid-19 Update

General Information:

SBYC is very happy to invite all Catboat sailors to our inaugural Catboat Rendezvous. Due to the circumstances surrounding Covid-19 and SBYC's commitment to meet all CDC and State guidelines and to keep all sailors safe, we have decided to make the event Bring Your Own Everything (BYOE). As a result, the event will now be FREE. This event will consist of an informal gam on Friday night and a long race in Little Egg Harbor around navigation aids and SBYC supplied marks. Sailors are welcome to sail in on Friday and tie up for the evening in our harbor or beach your boat on Sunfish beach at the club. Sailors are also welcome to spend Saturday night. Fire and ice will be provided both days for your use. If you are planning to trailer in, we'll make accommodations for trailer storage on our property. Boats can be launched at the public ramp in Beach Haven, small boats can use our hoist and other options for launching boats are being explored. Our club's bathrooms, showers and clubhouse are open for your use in accordance with the SBYC COVID-19 Temporary Operational Guidelines. These guidelines are continuously updated to reflect the current state of the pandemic.

The race will be a "Mixed Litter" event and registration is FREE. Event T-shirts are available for purchase but must be pre-order by July 31. All size boats will race together and the results will be determined based on Time on Time handicapping using the latest Chesapeake Bay Catboat Association Portsmouth numbers. Awards will be given to the top three finishers. After racing, we will gather at our wharf for BYOE, tall tales, good company and the awards.

Outline of Events:
