BLOOD AND MARROW TRANSPLANT PATIENTS, THEIR FAMILY MEMBERS, AND CAREGIVERS:

JOIN US FOR THE 2019 CTTC PATIENT AND CAREGIVER SYMPOSIUM!

WEDNESDAY, JUNE 5, 2019 • 4:30PM–7:00PM

Cellular Therapy Transplant Canada (CTTC), formerly CBMTG, will be hosting a patient and caregiver symposium in 2019. This symposium will be held at the Westin Calgary on Wednesday, June 5, 2019 from 4:30pm-7:00pm. This year’s theme is “Ask the Expert”. The symposium will provide a forum for transplant patients, their family members, caregivers and medical practitioners to interact, ask questions, network and receive information.

The 2019 Patient and Caregiver Symposium is a Free event hosted by the CTTC.

For those who are unable to attend in person, this event will be live webcast. Please visit: www.cbmtg.org for further information.

New For This Year – The CTTC will be hosting a BMT101B session on Wednesday, June 5, 2019 from 10:30am-4:00pm for all patients, caregivers, and family members. All CTTC patient members, their family members, and caregivers are invited to attend this educational session. Registration for this session is FREE.
