The morning of Thursday, June 22nd, 2017 started out rainy and the forecast for the rest of the day wasn’t looking much better. With a little luck we’d be able to pull this off. After a 15 minute delay to our shotgun start scheduled for 1 PM, Mother Nature decided that what our chapter had planned was a good thing. The slight drizzle gave way to cloudy skies and the rain stopped!

By this time all 132 Golfers were summoned to their carts. Having been fed lunch that was provided by 2 co-sponsors, we stumbled to our carts and headed to our assigned starting hole. We had 26 Corporate sponsors this year and every Tee Box had at least one sponsorship sign on it displaying their name. We had several event holes which made it exciting, even the beverage carts were displaying a corporate sponsor!
The day turned out great, our members had a great time, the food (lunch & dinner) was great and most of all we were able to award 4 worthy students with scholarships as they pursue their academic goals.

This year was a great success in terms of generating sustainable funding for our student scholarship program. This event is the sole source of funding for our future and after all is said and done, the TCCCA Golf Classic raised $7200.00 in donations, ensuring more students will be the recipient in 2018.

Thank you to all of our sponsors, members and friends that came out, in spite of the forecast, to make sure our industry supports the future!

We couldn’t do it with your generous support!
