TC-CCAI TOURS BREWERY

Article & Photos by Pat Cullen

On September 21st the TC-CCAI Chapter toured the Summit Brewing Company. Summit is a regional craft brewery located in St. Paul, MN. Summit founded in 1986 is now one of the top 50 breweries in the United States.

A very knowledgeable Summit guide **Bob Dumas** took the TC group through the brewing process and then led us on a 90 minute walking tour of the brewery.

After the tour, TC-CCAI President **Tom Poppitz** brought TC members in attendance up to date on coming Chapter events. Thanks to TC Board member **Michelle Striggow** for making the arrangements for a fun tour.
